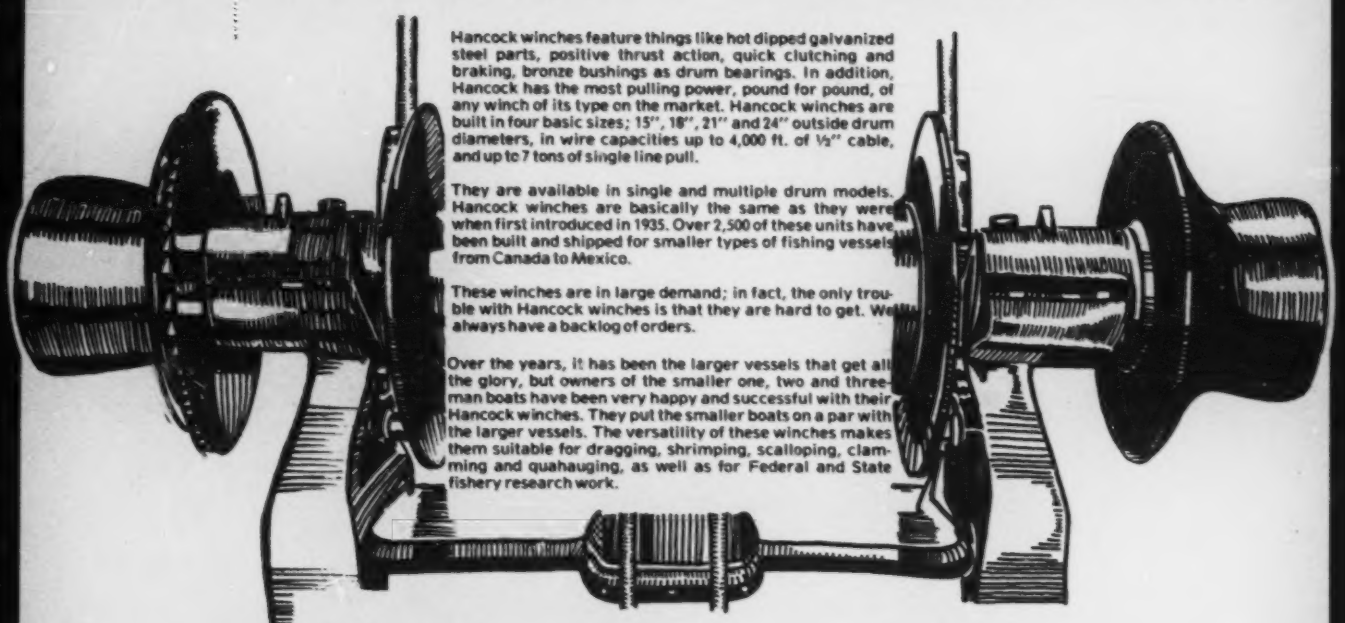
HANCOCK WINCHES



Hancock winches feature things like hot dipped galvanized steel parts, positive thrust action, quick clutching and braking, bronze bushings as drum bearings. In addition, Hancock has the most pulling power, pound for pound, of any winch of its type on the market. Hancock winches are built in four basic sizes; 15", 18", 21" and 24" outside drum diameters, in wire capacities up to 4,000 ft. of ½" cable, and up to 7 tons of single line pull.

They are available in single and multiple drum models. Hancock winches are basically the same as they were when first introduced in 1935. Over 2,500 of these units have been built and shipped for smaller types of fishing vessels from Canada to Mexico.

These winches are in large demand; in fact, the only trouble with Hancock winches is that they are hard to get. We always have a backlog of orders.

Over the years, it has been the larger vessels that get all the glory, but owners of the smaller one, two and three-man boats have been very happy and successful with their Hancock winches. They put the smaller boats on a par with the larger vessels. The versatility of these winches makes them suitable for dragging, shrimping, scalloping, clamming and quahauging, as well as for Federal and State fishery research work.

A wide variety of

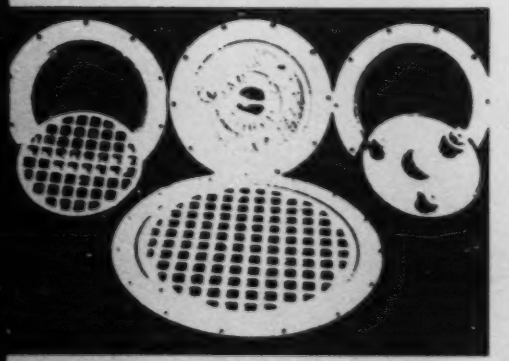
HANCOCK

WIRE CABLE BLOCKS

Hancock wire cable blocks are made for the fishing trade in over 50 sizes and types, from 3" to 22" outside sheave diameters, in various widths, with up to 40 tons safe working load. Upright and flat deck blocks are made in all the various sizes as well as custom versions of the cable blocks. The steel cheeks are all hot-dipped galvanized, and we use bronze-bushed sheaves with pressure lubrication — none of the so-called anti-friction bearings — we make only marine blocks. Our blocks will run completely under salt water for an extended period of time, and are in use from the Arctic to the Tropics. We make trawl, dangeline, gallows, beckett, steering, quarter, hook-ups, deck, towing, purse and lobster blocks.

HANCOCK WINCH HEADS are manufactured in 4" to 12" barrel diameters, in both open fishermen type and double flanged type. Cast iron and bronze in stock — cast steel made on special order. Available blank or bored and keyed.

12 x 6 gallows tow block and 12 x 6 upright deck block.



Available in 10, 12, 14, 16, 18, 20, 24, 30, and 36 inch inside diameters. Now 14" x 24" oval.

Proven in use... HANCOCK

Aluminum Deck Bunker Plates

Flush mounted watertight hatches, the Hancock deck plate has no projections to foul lines, or trip deckhands. It secures watertight by the cam locks on the cover. Cam locks are turned by a T wrench.

Made from an Aluminum Magnesium alloy, which has a high resistance to oxidation, and absorbs shock at least 4 times harder than cast iron deckplates, without breaking. Our deckplates weigh 40% of what iron deckplates weigh. Aluminum dampens vibration better than iron or steel deckplates.

Aluminum deckplates are non-magnetic, non-sparking, and non-toxic. Provide more and better advantages than any other deckplate; in fact, the only thing that's modest about Hancock deckplates is the price. It's actually lower than old fashioned conventional deckplates.

Try Hancock deckplates as original equipment or for replacement of your old iron covers and grates. The attitude of the deckhand using our deckplates more than compensates initial investment.

Deckplates are not necessarily our specialty — They are just another item we can build better than anyone else.

We also have been building for over 30 years our water jacketed exhaust deck plates for dry exhaust systems in sizes from 2" to 6" and larger.

HANCOCK MARINE

300 RIVER ST. FALL RIVER, MASS. 02720 TEL. 617-678-0301

Serving the fishing industry since 1935 Sold by dealers from Maine to Mexico

You know us!

We're seaworthy!

McKissick Trawl Blocks

Standard equipment on today's shrimp trawler for the same reason that any piece of equipment becomes the standard in any field—it performs so well that a substitute is virtually unthinkable. After all, it was the McKissick rugged, free-running, non-corrosive double rig trawl block and try-net block that revolutionized shrimp trawling.

Crosby-Laughlin Fittings

The most recognized and trusted line of fittings for your trawler. Load-Rated® shackles, turnbuckles, swivels, eyes and all Crosby-Laughlin fittings are forged of selected, heat-treated steels. Non-corrosive and trouble-free, they do their job and do it well.

Western Tackle Blocks

Another familiar name to marine riggers throughout the world who know the importance of trouble-free performance. Think first of Western whenever you think of tackle blocks for manila and wire rope, marine blocks, snatch blocks and sheaves. McKissick blocks, Western blocks and Crosby-Laughlin fittings are all made by The Crosby Group, a name you should know.

FISH EXPO

The World's Largest Commercial Fishing Exposition

Fish Expo is **the** Marketplace for Commercial Fishing Gear & Processing Equipment

Fish Expo Buyers are the Leading Decision Makers in the Commercial Fishing Industry Today

Fish Expo Exhibitors are the World's Major Suppliers of Commercial Fishing Gear & Processing Equipment

Commercial fishing is a six billion dollar business. If your plans call for penetration of this rapidly growing industry, Fish Expo should be part of your marketing program. Fish Expo is the major annual event for the commercial fishing industry.

Fifteen thousand commercial fishermen, vessel owners, processors, packers, suppliers and manufacturers from 50 countries attend each year. Over 400 major manufacturers and suppliers exhibit in Fish Expo. Year after year Fish Expo delivers more buyers, more sales leads and more business than any other event of its kind.

Commercial Fishermen:

Production Credit Association

Here's the capital you've been fishing for

Production Credit Associations can now lend you thousands of dollars to:

- Purchase a new boat
- Modernize your current vessel
- Finance your operations.

PCA can give you up to 15 years to repay your boat loans.

And we can provide operating loans on a seasonal basis, geared to your marketing program.

All at simple interest.

Finance your next boat and operations through an organization that has a plentiful supply of money, simple interest and a total commitment to its members.

Call PCA today.

* Westerbeke Fishing Gear Co., Inc.
* Wilcox Marine Supply, Inc.

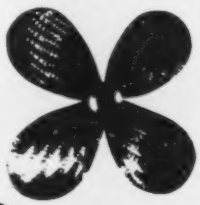
Batteries, chargers and accesories

ABCO-Acadia
Advance Conversion Devices Co.
Alaska Diesel Electric
Armstrong Boats & Marine Transportation, Inc.
Atlantic Battery Co., Inc.

THE PRECISION DUCTED PROPELLER SYSTEM BY Columbian

1. **Save Fuel Costs** with retro-fit: Run engine at lower RPM and lower HP, but achieve the same thrust and speed.
2. **Increase dragging, towrope and bollard pull** but keep the same speed and fuel usage.
3. **Increase speed** but keep the same thrust and fuel consumption.

That's why it is no accident that more and more builders and owners of River Towboats, Ocean Tugs, Harbor Tugs and small Tankers specify the Columbian Precision Ducted Propeller System. They know that with a Columbian System astern they will beat the cost of downtime, frequent overhauls and repairs, because we stress optimum engineering. Our plate thicknesses, certified welding, insulated rings, heavy-duty ribbing and proper propeller selection all combine to avoid the common problems of cavitation, warpage, flexing,electrolysis, leakage, corrosion, puncture and inefficient performance.



FULL RANGE OF PROPELLER STYLES

- Standard and Custom-built propellers for every type of commercial vessel.
- Available in Stainless Steel, NIBRAL and Manganese Bronze
- Manufactured to ABS, USN, USCG and ISO specifications.

Write for FREE Ducted-Propeller System Recommendation.

Standard Nozzle sizes range from 24" dia. to 110" dia. Larger ducts available on request

Columbian BRONZE CORPORATION

216 N. Main St., Freeport, N.Y. 11520 (516) 378-0470

Precision Propulsion for the Marine Industry Since 1901

Propellers - Bearings - Shaft Line Equipment - Hydraulic Controls

FISHMASTER TOUGH

WHETHER YOU'RE TRAWLING AT THE 200-MILE OUTER LIMIT or crabbing offshore; whether you skipper a seiner, clammer, shrimper or longliner, a full hold is the name of the game and a propulsion system that maximizes bollard or towline pull is a built-in design criteria of your vessel.

That's why the Columbian Fishmaster is a real torque converter that not only gets you out and back fast, economically but will also really dig in and pull when the rig is loaded or while fishing.

Available in Columbian's ELECTRALLOY-N Bronze or stainless, the Fishmaster is a rugged four-blader which incorporates a unique engineering concept that is specifically designed to be mated with today's big diesel installations for maximum profit potential and smoothness.

The sea's a tough place to make a living — you know it and we know it — that's why all Columbian Propellers are built tough to perform tough!

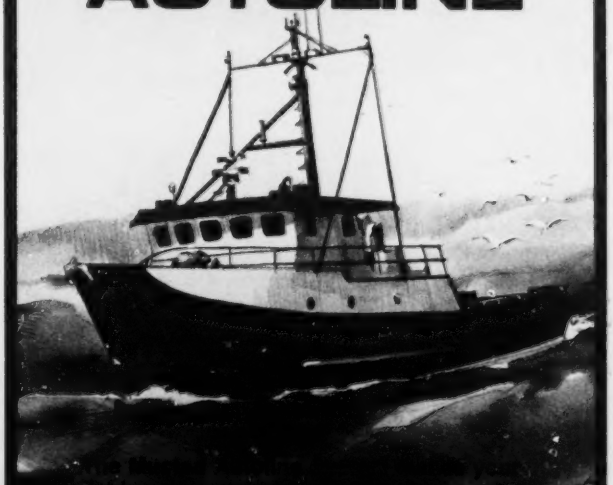
the first completely automatic longline fishing system

MUSTAD AUTOLINE



... quality

- **CUTS BAIT** – Whole bait is fed automatically into baiting machine and then cut to sizes appropriate for the hooks.
- **BAITS HOOKS** – Baiting machine automatically baits hooks . . . up to 4 hooks per second.
- **HAULS LINE** – Catch is automatically hauled, with gaffer controlling speed of hauling as well as speed and direction of vessel.
- **CLEANS HOOKS** – Bait residue is removed and hooks are automatically cleaned through bristle brushes.
- **COILS LINE** – Line is retrieved from water; gangings are automatically unraveled from groundline and hooks and line are guided onto storage racks.
- **STORES HOOKS AND LINE** – Hooks are automatically separated and guided onto storage racks designed to allow easy hook inspection and compact storage.

Furuno sonar.
No.1 prime time show.

Time spent on the fishing grounds is prime time, and Furuno sonar will show you how to make the most of it. We can provide a big, bright picture of the whole underwater scene and do it panoramically in one shot or traditionally in a searchlight mode. With Furuno you can select from an unbeatable range of features and capabilities.

When you're ready for the best, just visit any of our more than 200 authorized dealer outlets all over North America.

Don't just buy a sonar, invest in Furuno.

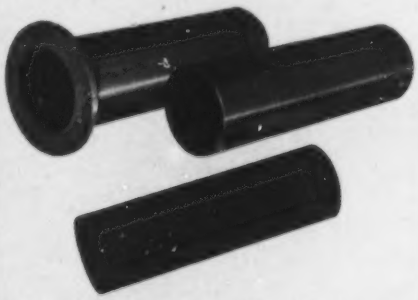
DEMOUNTABLE RUBBER STAVE BEARINGS

Individual water lubricated bearing staves install around shaft in stern tube or strut. Assembly can be made with shaft in place. Simplifies inspection or bearing replacement. Water grooves provide flushing out of harmful particles—non-pollutant. A very popular bearing available in a full range of shaft sizes up to 36".

SPIRAL TUBE DEMOUNTABLE KEEL COOLERS

Spiral design of 90-10 Cupro nickel tubes maximize heat transfer. Less corrosion problems. Through-the-hull fittings not needed. Tubes easily replaced if ever damaged. System design permits cooling of gear boxes, hydraulics. Available in units of 4 to 24 tubes in single or double bank.

SLEEVE and FLANGED BEARINGS



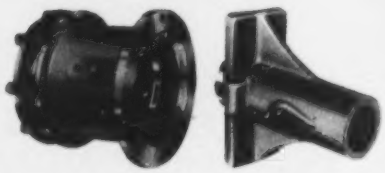
Naval brass shelled Sleeve and Flanged Bearings meet military specification MIL-B-17901A (Ships) Class II Full Molded Type. Non-Metallic Sleeve Bearings have tough thermoset plastic shell making them ideally suited where corrosion or electrolysis is a problem.

Johnson

DURAMAX® MARINE PRODUCTS

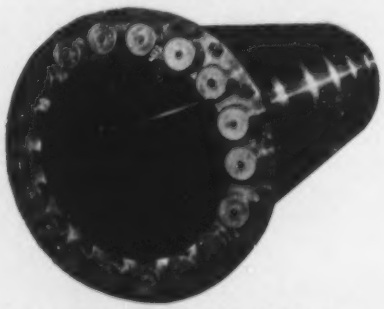
Quality Engineered For Better Performance

HEAVY DUTY STUFFING BOXES and STERN CASTINGS



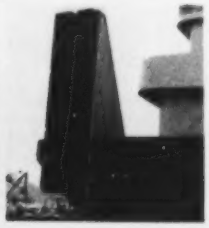
Styles available for shaft, bulkhead and rudder applications. Select from bronze, steel or aluminum. "Air-Seal" types feature inflatable rubber ring which seals around shaft, to allow packing change without dry docking. Models with water inlet for bearing lubrication, grease only, or combination water-grease service. A full range of types and sizes including split types are available.

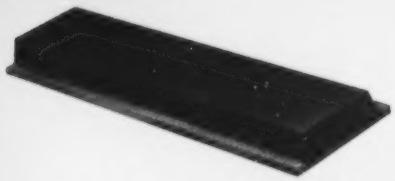
METAL BACKED STAVE BEARINGS



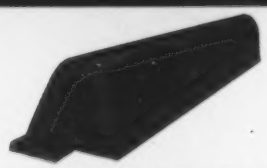
For extreme shaft loads; demountable staves of nitrile rubber bonded to naval brass bar for dove-tail fit into keyway bronze housing. Housings completely machined to specifications and ready for installation in stern tube. Staves are individually replaceable without removing shaft.

RUBBER FENDERING SYSTEMS

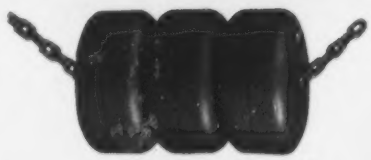




For Bow and Dock Protection, Johnson offers Hollow-Core or Chain-Embedded impact absorbing straight or precurved rubber bumpers. Towknees feature a tough rubber pad, pressure vulcanized to steel plate.



A variety of vessel and dock rubber fendering, including D-sections, O-sections, rectangular and wing types feature built-in shock-absorbing qualities.



Impact absorbing and cushioning bumpers for harbor tugs, work vessels, as well as docks and wharfs protect vessels. Bumpers mount on vessel in cage using roller shaft system or chain type. Each bumper consists of two halves or segments. Shaft mounted style rotates. Sections can be easily replaced if damaged, or rotated for maximum use before replacement becomes necessary. Single durometer rubber provides excellent energy absorption and deflection qualities.

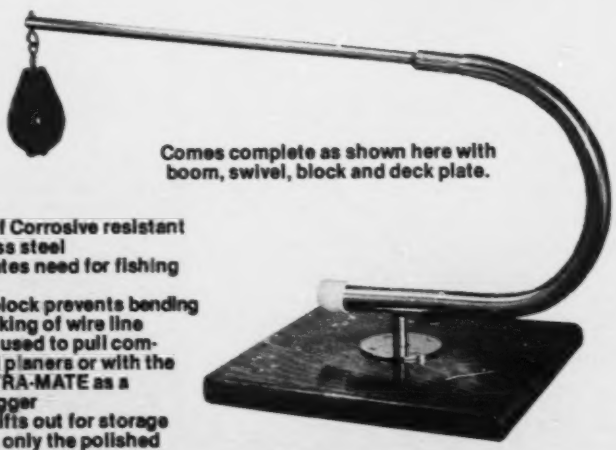
From the makers of the ELEC-TRA-MATE electric fishing reel drives we proudly introduce

The Professional Helper

PRO-BOOM

The PRO-BOOM is designed and built for use with the Professional Series ELEC-TRA-MATE and is an excellent combination for commercial fishing application either bottom fishing or trolling.

PRO-BOOM shown mounted with Professional 1400 Elec-Tra-Mate Electric Fishing Reel Drive and 118 16/0 Penn Senator Reel.



Comes complete as shown here with boom, swivel, block and deck plate.

- **Made of Corrosive resistant stainless steel**
- **Eliminates need for fishing rod**
- **Large block prevents bending and kinking of wire line**
- **Can be used to pull commercial planers or with the ELEC-TRA-MATE as a downrigger**
- **Easily lifts out for storage leaving only the polished deck plate on the gunwale**

The PRO-BOOM is built with the same quality, care and workmanship our customers have come to expect for over 10 years.

Manufactured by:

Electric Fishing Reel Systems, Inc.

1700 Sullivan St., Greensboro, North Carolina Telephone (919) 273-9101

HOW TO GET A DIESEL GENERATOR YOU CAN DEPEND ON

Start with the proven economy, durability and safety of diesel power from Volvo Penta. Back it up with a world wide service and parts organization.

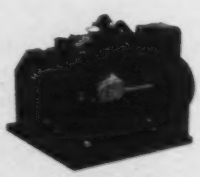
Add a heavy duty two bearing commercial alternator that's rated for continuous duty.

Combine all this in a compact, fully assembled unit with automatic shutdowns for low oil pressure and high water temperature, built-in 12-volt dc battery charger, vibration isolating mounts, remote engine instrumentation and a tool kit.

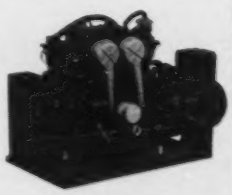
Top it all off with a full one year warranty.

Or, just call Cross Power.

3.5KW, 8.0KW units available from stock. 12.5KW available early in 1981. For complete information and free brochure write or call: Cross Power Inc., 9100 Bank Street, Cleveland, Ohio 44125, (216) 447-1074.



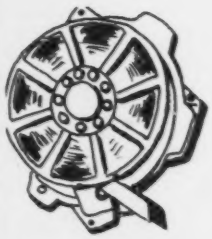
3.5KW



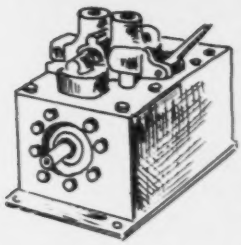
8.0KW

CROSS POWER

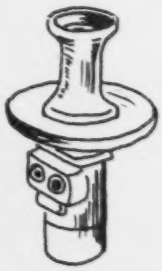
Osco HYDRAULIC FISHING EQUIPMENT



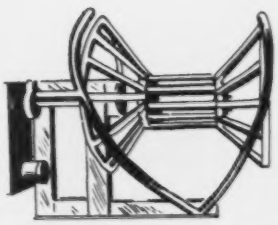
LINE HAULER
8" - 12" - 16"
Up to 3000 lbs. pull



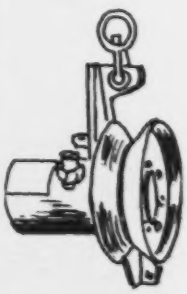
PUMPING UNIT
Complete self-contained unit
12 or 20 gal. pump



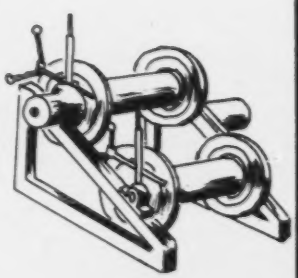
WINCH
3½" or 4½" Heads
Brass or Iron
Vertical or Horizontal



NET TAKER
Handles nets up to
120' deep



HANGING LINE HAULER
8" - 12" - 16"
Guide Rollers available



DRUM UNIT
Single - Dual - Triple
Free Spooling

Osco Hydraulic Fishing Equipment is

- Powerful
- Reasonably Priced
- Easily Installed
- Rugged
- Versatile
- Compact

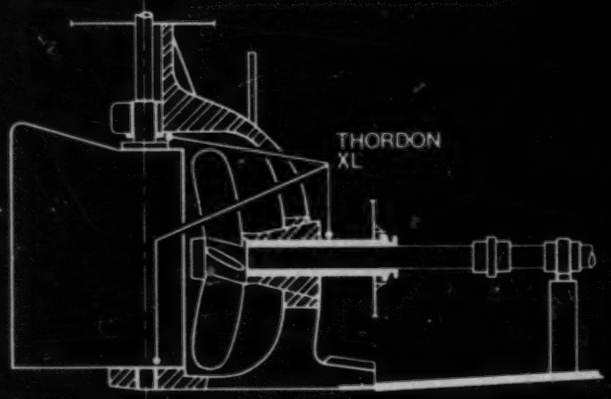
WHY THORDON IS REPLACING SOFT RUBBER BEARINGS WORLDWIDE.



Basically, the difference between soft rubber bearings and Thordon bearings concerns lubrication.

Rubber bearings need a constant lubricating film of water between shaft and bearing to reduce friction.

At low speeds, peripheral velocity is inadequate to produce this film. The result: power robbing friction which you notice as rumble and excessive vibration.

Thordon's low speed lubrication is built-in, in the form of low friction additives. And Thordon equals or outperforms rubber bearings in many other ways. Thordon is easier to remove or install than rubber/metal, lighter in weight, able to withstand high shock loads and easily machined on-site to fit the actual requirements.

Thordon bearings are stocked in forty port cities around the world and sized to fit $\frac{3}{4}$" to 36" shafts.

For more facts on Thordon, write for our informative eight page booklet.

Economical On-Board Electricity

up to 5500 WATTS
of CRUISING POWER from AUTO-GEN®

Auto-Gen Cruising Generator Models Available:

* M-5502 5.5 Kw. 120/240 volt, 60 Hz.
* M-4002 4.0 Kw. 120/240 volt. 60 Hz.
* M-2501 2.5 Kw. 120 volt

Auto-Gen is belt-driven from your propulsion engine. Automatically maintains proper voltage and frequency over a wide range of engine cruising speeds. SAVES FUEL AND EXTRA WEIGHT. Eliminate vibration and noise of extra on-board generator.

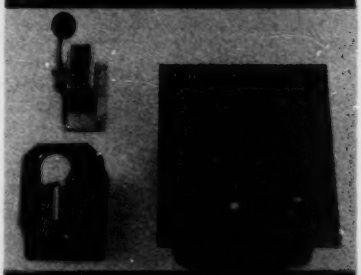
Omnithruster℠
More Than Just A Bow Thruster

- Thrusts Underway
- Thrusts While Pitching
- No Reversing Impeller to Change Directions
- Minimum Buoyancy Loss
- Smaller Hull Penetration
- Fuel Savings

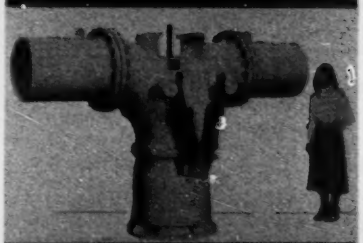
OMNITHRUSTER DOES IT ALL!

- Thrusts with nozzles out of water in rough seas: vertical systems
- No protrusions: no change in hull shape
- Easily retrofitted
- Small nozzles reduce drag, save fuel and passage time

OMNITHRUSTER JET CONTROL SYSTEMS



Micro Processor Control System Model 1200A with auto input, holds vessel's heading. System also accepts compatible NAV AIDS for all and safe speed propulsion and maneuvering.



LOW COST OMNITHRUSTER Bow and Stern Maneuvering and Positioning Systems. Providing 25 to 3000 Horsepower Combinations. Powered by Electric, Hydraulic or Diesel Drive.

AN INTERNATIONAL COMPANY MANUFACTURING AND SUPPLYING WORLD-WIDE A COMPLETE RANGE OF COMMERCIAL FISHING GEAR

FOR COMPETITIVE PRICES, EXPERT KNOWLEDGE AND ADVICE, PLEASE CONTACT US TEL. 617-993-0010

IMP FISHING GEAR LTD.
DIV. IMP GROUP LTD.

Is Proud To Announce The Opening of Its New U.S. Headquarters in New Bedford, Massachusetts

Located at the Corner of MacArthur Blvd. and South St. in the South Terminal

Our branches are now featuring IMP products such as poly and nylon sheet netting made to your specifications, featuring Cotesi Portuguese twine, pre-cut trawl parts, completely rigged bottom and midwater trawls, purse seines, traps, floats, bobbins, bunts, spacers, roller & toggle chains, etc.

We are also distributors for manufacturers of many other products used in the fishing trade, such as Polyvalent doors by Morgere of France, and floats by Floatadores Hercules from Spain.

Hours of operation will be
8:00 a.m. to 5:00 p.m. Mon.-Fri.
8:00 a.m. to 12:00 noon Sat.

If you are unable to visit us, please write to:

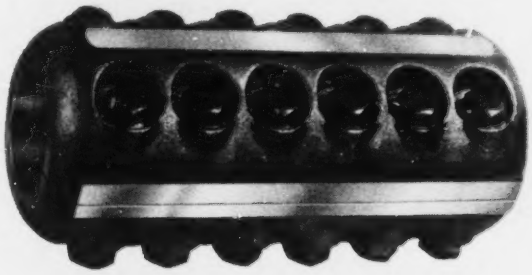
KAHLENBERG
Muff Couplings



Grip Your Propeller Shaft Tighter . . . Thru-Bolted for Perfect Alignment

The Kahlenberg completely split, two-piece shaft coupling is exceptionally strong and thrust absorbing.

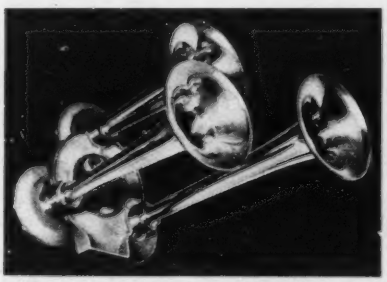
This Muff or Sleeve Type Coupling features precision located, identical thru bolt holes, with surfaces spot faced for in-line bolt tension. Installation is fast and simple.

Perfect alignment is assured by accurately machined mating surfaces and full length filleted keyway. The Kahlenberg coupling is available in manganese bronze or stainless steel to fit a full range of shaft sizes. Streamlined end design minimizes turbulence.

KAHLENBERG AIR HORNS
Have Distinctive Signal

Kahlenberg Airhorns are distinctive, powerful signals, backed by years of successful performance in all types of service. Horn projectors are scientifically designed for volume, audibility, richness of tone and economy of air consumption.

Simplicity and quality are keynotes in Kahlenberg Airhorn construction. There are no moving parts other than the sound producing diaphragm, and no adjustments are necessary up to 250 lbs. per square inch operating pressure.



MODEL T Chimetone visible airhorn with synchronized switch and manual valve.

All horn castings are of bronze, accurately machined. Highest quality polished bronze or chrome finishes are available.

There are over 500 different models of Kahlenberg horns covering a full range of sizes and multiple combinations.

Write for illustrated literature today!

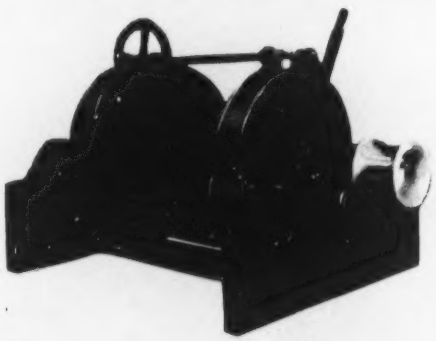
MODEL 1278-SD

Featuring Radial Piston Hydraulic motor mounted on pinion shaft



Model 1278-SD, new addition to Stroudsburg's great line of hoists, has been specially designed for single drum, split winch operation with one unit working the port side and another working the starboard side.

This new model is of all-steel fabrication and has cast steel gears with machine cut teeth. It has 6" wide stainless steel brake drum and new rust-proof metal alloy winch head. The unit can be completely hydraulic power in and power out or free-wheel out. Almost twice as big as any other Stroudsburg ever built, the new Model 1278-SD will handle 500 fm. of 7/8" wire.

Contact your nearest representative today for further details or write directly to Stroudsburg

The fisherman's choice . . . The Stroudsburg Hoist!

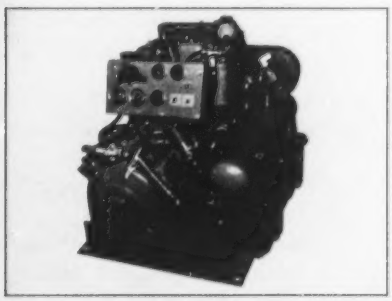
A Dolphin refrigeration system keeps fishing profits from melting away.

Put the money you've been spending on ice back into your pocket. Case histories prove a Dolphin fishboat refrigeration system from Carrier Transicold can pay for itself in just 18 months.



Why a Dolphin refrigeration system vs. ice? There are a lot of reasons: no more waiting in the ice line for hours or even days...higher product price on delivery...longer runs...fast payback...and greater economy.

The Dolphin is specially built for marine dependability with a Perkins 4/108 diesel that can maintain temperatures down to minus 20°F with either a fan coil evaporator or cold plate system. All components of the manual, constant-cool system are special marine-service metals, epoxy-coated for seagoing durability.

Stop your profits from melting away with your storage ice. Check out the Dolphin refrigeration system at your local Carrier Transicold dealer. Or for more facts on mechanical refrigeration vs. ice and a Dolphin brochure, write to: Carrier Transicold Company, Carrier Parkway, Syracuse, NY 13221.

Think small

Now the best Marine Sanitation Device in the business is available for boats with three- or four-man crews.

With the introduction of Microphor Models M-30 and M-40, operators of boats with small crews and tight space can take advantage of a simple, economical and versatile MSD that already is solving overboard discharge problems for nearly 500 fleet operators. Microphor now manufactures 20 MSD models, for crews ranging in size from three to 100.

Although ruggedly built of heavy-gauge steel, these new models are remarkably compact and lightweight. The M-30 weighs just 220 pounds, and the M-40 265 pounds.

Mounted above the waterline, discharge is by gravity. Microphor's automatic sump pump may be used for installations below the waterline. The units operate with marine hand-pump or electric-pump heads, or with the Microphor two-quart flush head, using fresh or salt water.

Simplicity of the Microphor design means big savings for the boat operator. Installation is easy, there are no moving parts, no power requirements, and no need for routine maintenance or cleanout. And the cost of these Coast Guard certified Type II systems is amazingly low.

Call or write today for additional information on Microphor's full line of MSDs.

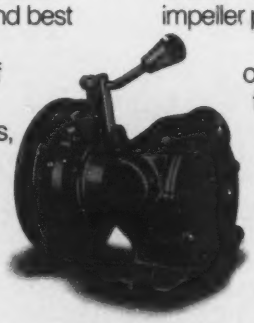
"Because my reputation goes to sea with every one of my boats, I make sure Jabsco does too."

Tom Collins, President
Desco Marine
Div. of Whittaker Corporation

"Jabsco pumps have been standard on our boats for years. For a number of reasons. They've always been very reliable, and require almost no maintenance. We've never heard any customer complain about spare parts or service. And best of all, the price is right."

That's what Tom Collins, President of Desco Marine, one of America's largest and best-known commercial boat builders, has to say about Jabsco pumps.

Here are some of the pumps that go to sea with Desco. Our 6590 series manual-clutch pump units with all-bronze heavy-duty construction. Our 11870 series high-quality pump with compact, reliable electromagnetic clutch. And our 6400 bronze ball-bearing flexible-impeller pump with pulley.



That's because Desco knows, as do all of our customers, that Jabsco's reputation for having the most reliable pumps in the business really holds water. For more information, write ITT Jabsco Products, 1485 Dale Way, Costa Mesa, California 92626.

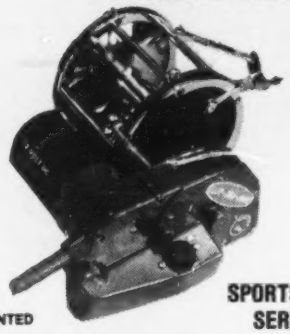
THE ANSWER TO THE OFFSHORE FISHERMAN'S DREAM

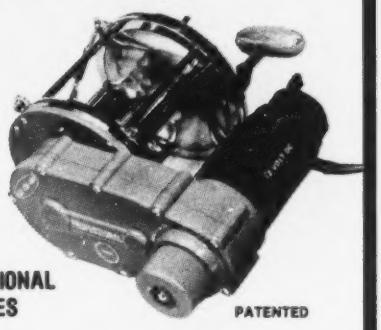


PATENTED

SPORTSMAN SERIES

ELEC-TRA-MATE®

Electric Fishing Reel Drives



PROFESSIONAL SERIES

PATENTED

The SPORTSMAN ELEC-TRA-MATE is the finest electric reel drive on the market today and pronounced "the best" by professional charter and head boat captains and mates. It's a blending of two unique ideas...engineering know-how and old-time fishing experience.

- 12 or 24 Volt D.C. Models
- Strip proof Gears
- Fast powerful retrieve
- Available with or without Penn Senator Reel - fits sizes 6/0 through 12/0 with appropriate stainless steel brackets
- Attaches to reel in minutes
- Factory Warranty
- Heavy-duty, Long-life Construction

Impact Resistant Plastic Housing Won't Chip, Peel, Rust or Corrode

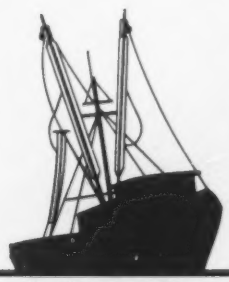
All ELEC-TRA-MATES backed by over 10 years of proven quality, performance and durability.

All American Made

The PROFESSIONAL ELEC-TRA-MATE is for the fisherman who makes his living commerical fishing. We designed and built the PROFESSIONAL ELEC-TRA-MATE to suit his needs: simply constructed; maximum power with controlled slippage; corrosive resistant; ease of maintenance and adjustment.

- Powerful 12 Volt D.C. Permanent Magnet Motor
- Spool driven direct by all Aircraft Shielded Ball Bearing Gear Train for Low Friction
- Stainless Steel Shafts and Strip Proof steel gears
- Quick change drag and switch. No tools needed
- Electric or manual operation
- Two Models for 10/0—12/0 and 14/0—16/0 Penn Senator Reels
- Reels factory installed to drive unit
- Factory Warranty

Manufactured by: Electric Fishing Reel Systems, Inc. P.O. Box 20411 1700 Sullivan St., Greensboro, North Carolina 27420 (919) 273-9151



A good boat deserves good performance from its pumps.

You'll get long life performance from MP PUMPS for bilge, fire protection, wash down, refrigeration, fuel transfer and engine cooling.

The non-clogging impellers can't burn up as those made of composition rubber often do. And corrosion free fasteners mean easy maintenance and long life.

These self-priming or straight centrifugal pumps are available with electric motors up to 10 HP, up to 3" pipe size and capacities up to 300 GPM.

Other pumps available with clutch, pulley, or hydraulic motor drive.

- Non-clogging impellers of bronze, cast iron, or stainless steel.
- Bronze or stainless fasteners.
- Self-priming.

MP PUMPS

Design simplicity is a significant characteristic of the ALCO POWER BOSS diesel engine. It contributes to the engine's high reliability in service, low cost of operation and ease of field maintenance.

These four-cycle diesel engines, ranging in size from an 800 HP in-line 6 cylinder through a 4500 BHP V-18 have standard features incorporating the latest in engine design technology with many options available to meet specific application needs. They all have the same bore and stroke, and use the same operating principles.

A simple paddle wheel damper eliminates the need for dismantling or special test equipment when checking damper operation. Thick-wall, wet block construction for superior sound deadening; interchangeable fresh and raw water pumps; only one lube oil pump for the entire engine; infinite life crankshaft seal; a metal-to-metal head-to-liner seal to eliminate gaskets; no lube oil circulation needed after shutdown—SIMPLICITY—all of which contributes to low operating costs and reduction of down time.

Get the facts. Write or call ***Alco Power Inc.,***

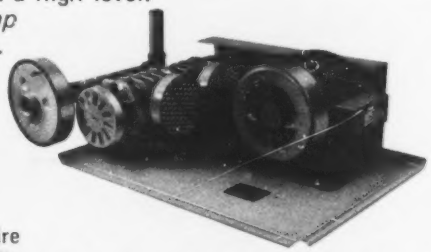
Steady Dependable Aeration for HOLDING TANKS on Shipboard or Shore

Lobstermen and other fishermen have increased the capacity and effectiveness of their holding tanks by using Condé Dri-Air Pumps to aerate their on-board and on-shore tanks. They report reducing (lobster) losses by as much as 95%! No need to keep changing sea water in tanks. A Condé pump will maintain the dissolved oxygen content at a high level.

You should pay for the pump with savings on the first trip.

CONDÉ DRI-AIR PUMPS



never need lubrication. They require minimum maintenance — periodic checking and/or changing of intake filter media for visible dirt.

Model 12 3 h.p. belt drive pump will aerate up to 10,000 gallons of marine water. Smaller sizes available for lower needs.

Phone or write us today for complete details.

For 37 years Dickinson's have been building galley stoves of the highest quality for men who make their living from the sea. We began building stoves for fishermen of the North Pacific, but our reputation, and our stoves, have spread to the North Atlantic and abroad.

Dickinson's stoves supply heating, cooking and hot water from a single versatile appliance. We have 8 models to choose from. Call or write us.

ZD SYSTEM - TYPE III MSD

(Patent Applied For)

Least expensive... easiest to install and operate... most ecologically sound answer to 1980 MSD regulations

The Groco ZD System is the only *complete* Type III MSD System for both the boatowner and the marina owner.

For the boatowner. the ZD System solves all of the problems associated with holding tanks.

For the marina owner, the ZD System provides an efficient solution to the waste handling problem and will return its initial equipment investment in a short time.

For everyone the ZD System offers a positive incentive to comply with MSD regulations and help assure cleaner, safer waters for all to enjoy.

Only 3 Major Components

1

The Holding Tank: ZD-10, ZD-15, ZD-20, ZD-30, etc. The number suffix indicates the tank capacity in gallons.

2

The Holding Tank Monitor — GM50 (available in three different models): tells the boatowner whether the tank is empty, half-full or ready to pump out.

3

The Macerator/Discharge Pump — MP-720 — which macerates the waste to a liquid and discharges at a rate of up to 40 GPM. The unit is activated by the touch of a button on the GM-50 Monitor.

Marinas:

The ZD System is proven in use. Contact us for details on the easy installation of compatible ZD equipment. We'll also supply drawings and a bill of material from an operating system.

EVER FLOAT CO

Survival is Now Kid's Stuff.

Introducing the Imperial Survival Suit for kids. Made from the same tough material as its older brother, but sized for children from 44 to 110 lbs., or with heights from 39" to 59". It includes such safety features as the special High Rider Ring with extra stomach flotation to keep the child's face out of the water.

Plus there are ankle and wrist tighteners designed to adjust the suit to any size child for optimum fit and protection. There's also a Buddy Line to help keep everyone together

Both suits have the same rugged construction of bright orange material, with retro-reflective tape for high visibility at night.

Now 211 lives saved! *(adult suit)*

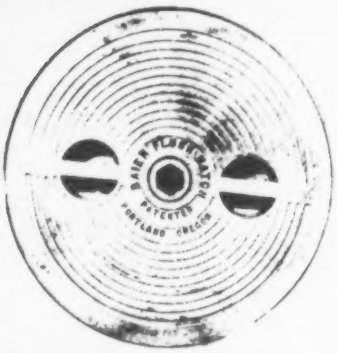
BAIER HATCHES

A WISE BUYER BUYS BAIER HATCHES
tested and guaranteed watertight



OVER THE YEARS, WE HAVE LEARNED THAT PRODUCING A GOOD PRODUCT AND GIVING CUSTOMER SERVICE IS THE BEST ADVERTISING.

- Material: aluminum, bronze, galvanized steel.
- SAFETY: never iced in as the t-wrench is removable.
- TAMPER PROOF: you lock it and it stays locked until **you** unlock it.
- MAINTENANCE: only two moving parts.
- APPROVED AND USED: ABS, USCG, US Navy, Corps of Eng., Canadian Dept. of Transport
- SHAPES AND SIZES: flush round 8, 14, 16, 18, 20, 22, 24, ovals flush plain or hinged, 13½ x 20½, 15 x 24. Coamings available for all sizes.

We take this means of thanking our many customers for their past business and trust we can continue to serve you. For a *free* engineering catalogue write or phone:

You can have tomorrow's electronic steering system today

Steering column

Steering column SS-3, a compact unit containing all the necessary controls and instruments for steering ships of all sizes.
The different modules can also be mounted on panels. The main units in the modular construction are:
Steering unit with 2 independent electrical systems.
Autopilot.
Control unit for Robertson SKR-80 gyrocompass.
Rudder command and course indicator.

Electronic gyrocompass

The unique electronic design of Robertson gyrocompass SKR-80 provides short alignment time, while also minimizing errors under dynamic conditions.
The advantages are:
- simple operation
- minimized maintenance
- no flotation liquids
- no ballistics
- no gears
- no mechanical links
- no torsion wires
- no cooling fan

The design also incorporates complete interchangeability and BITE, i.e. any of the basic module can be replaced onboard with corresponding sparepart, without costly alignment procedures.

Write or call for free brochures and name of nearest dealer.

Enclosed for protection against salt spray and corrosion, moving parts of the Lister ST3 are self-lubricating to minimize wear and maintenance.

another starring role for Lister Diesel

Act II is an 83' stern trawler/scalloper built by Atlantic Marine for Knute Aarsheim, New Bedford. From power to deck equipment, everything about Act II was designed for reliability. Including her Lister ST3 auxiliary diesel.

The ST3 is air-cooled — so the water cooling pumps and circulating system problems that account for about 25% of all engine maintenance are eliminated. There's no ignition system or carburetor to get out of adjustment, either. And since Lister diesels commonly run 40,000 hours (about 4½ years) before requiring anything beyond normal maintenance, downtime's the least of worries.

No wonder boatyards and fishermen around the world rely so consistently on Lister auxiliary power. They know they can count on Lister diesels for long life, minimum downtime, minimum wear, fast starts, balk-free performance, and excellent fuel efficiency.

For full details on Lister's complete line of air-cooled diesels (3 to 155 hp), see your Lister distributor — or write to Lister today.

Sales, service, parts nationwide.

John C. Leopold, National Sales Manager.

FISHERMEN'S LORAN C. THE BREAD BOX FROM MIECO.

- Compact size — smaller than two loaves of bread.
- Easy-to-read even in brightest sunlight, because it has Liquid Crystal Display.
- Easy to run because it's completely automatic from the time you leave port.
- Easy to afford because it's priced complete with six notch filters, active antenna coupler with interconnecting cable, hardware, universal mounting bracket and a self-test feature that lets you or the tech trouble-shoot without even opening the case.
- MIECO'S new C-Master is the latest in Microprocessor designs for commercial fishermen, to put fish in their boats and bread in their pockets.
- Call or write for complete specs, literature and the name of your nearest dealer.

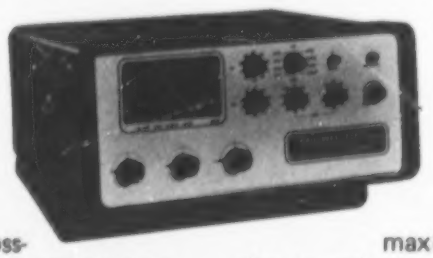
The World's Most Complete Loran C Family Now Available At Your Micrologic Dealer!

Good Basic Navigation

Everything a fisherman could want in Loran C capability – from basic fixes to complete interfacing with all shipboard electronics – is available to you now in a proven product line from Micrologic. Take our ML-120, for example. It gives you the basics, including periodic position fixes and all the help you'll need with steering to save fuel. But it gives you much more.

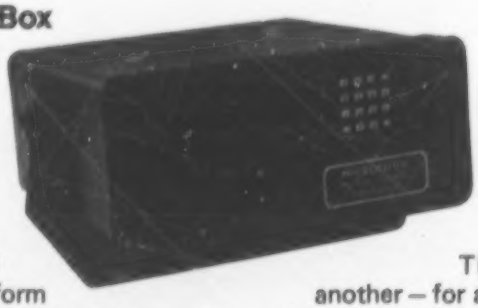
A well-established electronic design: commercially proven on more than 2,000 fishing and shipping vessels. And manufacturing excellence: all-welded aluminum and stainless steel construction, with no plastic parts to age or crack. Features you'll find throughout the Micrologic family – the most complete line of high quality Loran C equipment available from one manufacturer.

Step Up to More Features



If you want more than 120 basics, step up to our ML-220. Same proven design, same manufacturing and engineering excellence, but with more automatic features and simultaneous readout of many useful data. Example: cross-track error and distance-to-go can be observed together, instantly, on the easy-to-read dual display. Another example: ML-220 has the power and capacity to interface with a remote dual display, autopilots, printers, plotters, and echo sounders. With 220's sophistication, you begin to meet these other members of Micrologic's family: a wide array of peripherals to give you maximum time and fuel savings to survive in today's commercial fishing market. Engineered to the highest commercial standards, ML-220 gives you more Loran C for your money than any other receiver in its price range.

The Serious Navigator's Box



With our ML-320, you'll have the Rolls Royce of Loran C navigating equipment – at an affordable price. ML-320 gives you total freedom from Loran C charts and position plotting. It automatically gives you complete navigation data on its dual display in immediately useable form – including position, velocity, how to steer directly to your destination, and how long it will take you to get there. Plus a range accuracy of .01 nautical miles (60 feet)! And, like the ML-220, it is designed to interface with your ship-board electronics system. In addition to many more state-of-the-art features, ML-320 is powered to drive up to 25 video monitors for remote display. It will also solve a variety of navigation problems, whether or not Loran signals are received. For example, you can convert LL to TD, TD to LL, or TD from one chain to another – for any location using any transmitter chain and choice of secondaries. You can even compute great-circle range and bearing between any two points on earth. With fuel savings alone, your investment in ML-320 can easily pay for itself in one season! To get better acquainted with the Micrologic family, see your local Micrologic dealer today.

More Than 200 Dealers Worldwide

MICROLOGIC

20801 DEARBORN, CHATSWORTH, CA 91311 (213) 998-1216

Robert M. Freeman, President.

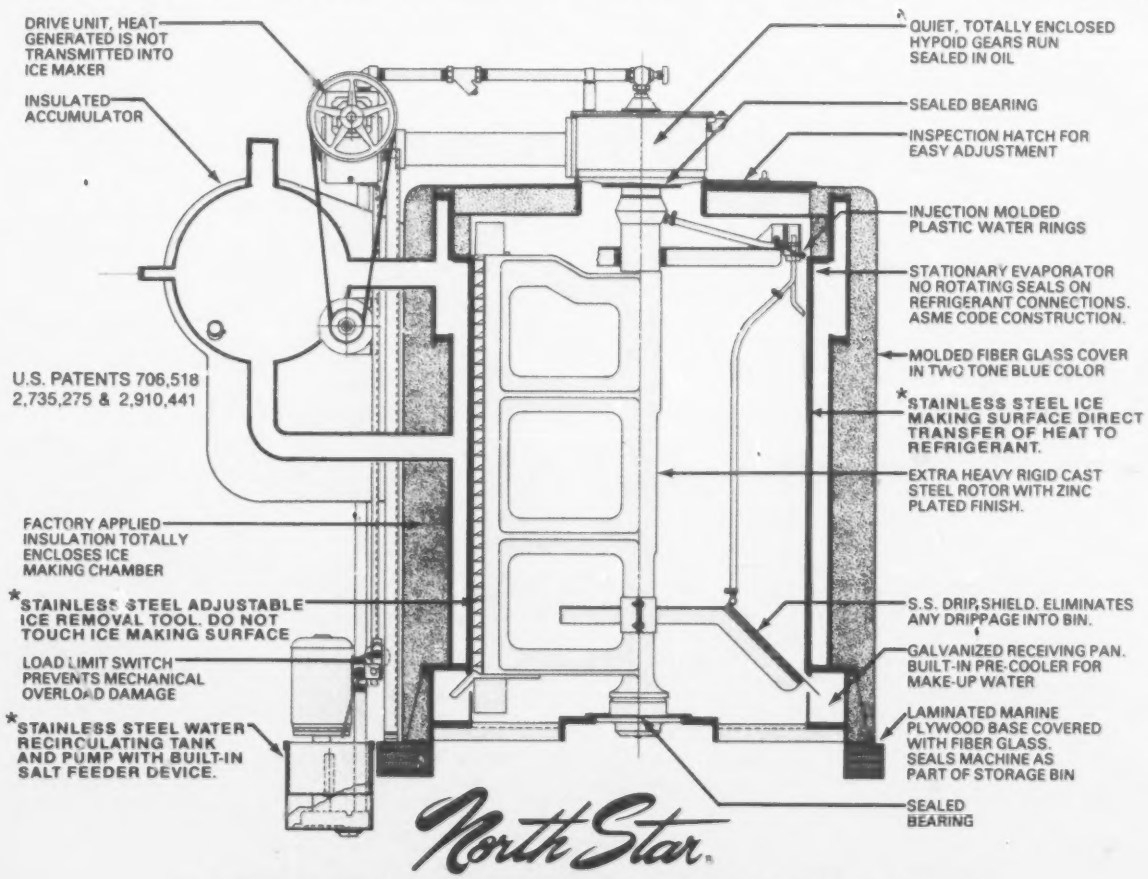
NORTH STAR ANNOUNCES STAINLESS STEEL FOR 3 KEY ICE CONTACT PARTS

NOW AVAILABLE ON ALL PRODUCTION MODEL ICEMAKERS:

***Interior freezing surface**
***Ice removal tools**
***Salt water feeder & tank**

Here are 19 more good reasons to look into North Star's quality line of ice making equipment.



DRIVE UNIT, HEAT GENERATED IS NOT TRANSMITTED INTO ICE MAKER
INSULATED ACCUMULATOR
U.S. PATENTS 706,518 2,735,275 & 2,910,441
FACTORY APPLIED INSULATION TOTALLY ENCLOSES ICE MAKING CHAMBER
*STAINLESS STEEL ADJUSTABLE ICE REMOVAL TOOL. DO NOT TOUCH ICE MAKING SURFACE
LOAD LIMIT SWITCH PREVENTS MECHANICAL OVERLOAD DAMAGE
*STAINLESS STEEL WATER RECIRCULATING TANK AND PUMP WITH BUILT-IN SALT FEEDER DEVICE.
QUIET, TOTALLY ENCLOSED HYPOID GEARS RUN SEALED IN OIL
SEALED BEARING
INSPECTION HATCH FOR EASY ADJUSTMENT
INJECTION MOLDED PLASTIC WATER RINGS
STATIONARY EVAPORATOR NO ROTATING SEALS ON REFRIGERANT CONNECTIONS. ASME CODE CONSTRUCTION.
MOLDED FIBER GLASS COVER IN TWO TONE BLUE COLOR
*STAINLESS STEEL ICE MAKING SURFACE DIRECT TRANSFER OF HEAT TO REFRIGERANT.
EXTRA HEAVY RIGID CAST STEEL ROTOR WITH ZINC PLATED FINISH.
S.S. DRIP SHIELD. ELIMINATES ANY DRIPPAGE INTO BIN.
GALVANIZED RECEIVING PAN. BUILT-IN PRE-COOLER FOR MAKE-UP WATER
LAMINATED MARINE PLYWOOD BASE COVERED WITH FIBER GLASS. SEALS MACHINE AS PART OF STORAGE BIN
SEALED BEARING

North Star.

LET MAXIM
PROVIDE FRESH
WATER AND...

fish the full 200 WITH FUEL TO SPARE

You can stay out longer and take full advantage of the 200 mile fishery when you replace your fresh water tanks with a Maxim® desalinator.

Maxim desalinators are available in a range of sizes that provide an ample, continuous supply of pure, good tasting, soft water for drinking, ice making, cooking, washing or cleaning gear. And because you convert large water storage space to fuel, you increase fishing range and run faster with a lower ship weight. You will get a bonus in extra payload capacity too! Fully automatic operation is now available as an optional extra. Ask your shipyard about Maxim desalinators.

Write or call Riley-Beaird, Maxim Evaporator Division, P.O. Box 31115, Shreveport, Louisiana 71130. Phone 318/865-6351. Or contact your local Maxim Evaporator agent.

TRIMBLE NAVIGATION LORAN-C

Trimble Navigation LORAN-C receiver. Let it be your silent partner. Its ease of use allows you to concentrate on your business. Its fully automatic correction of time difference measurements before displaying them as latitude/longitude eliminates the need for special charts or use of correction tables. No other LORAN-C receiver has this capability. The Trimble works and thinks for you with unparalleled latitude/longitude accuracy, and it gives shortest course and distance to destination on any LORAN system chain with just a push of a button. Write for more information on the world's most accurate and easiest to use LORAN-C receiver.

TRIMBLE NAVIGATION,

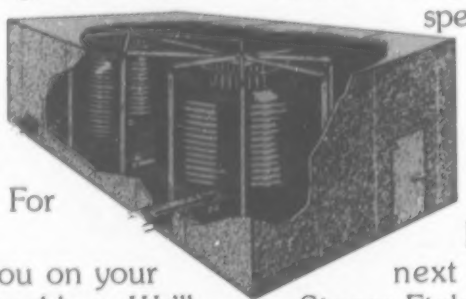
WHEN IT COMES TO FREEZING SEAFOOD CALL SINGER

We put all the pieces together into a TOTAL SYSTEM. From concept through installation, start-up, and production. A TOTAL SYSTEM that moves more product smoothly, efficiently, profitably. We've been doing it for over a quarter century. For large and small plants.



We want to work with you on your next system. Tell us your problem. We'll show you a TOTAL SYSTEM solution built around a Singer Spiralveyor™ continuous spiral conveyor designed to solve your specific product movement and processing requirements.

We've developed TOTAL SYSTEMS for many of the best-known names in the industry. Before you even plan your next system, discuss it with a Singer Field Engineer. He could save you time and money. Call or write:

For continuous freezing, cooling or live storage systems:

CALL SINGER 216/669-2631

Ashworth Bros. Patents 3348659 and 4078655.

Commercial operation demands reliability. No matter what size boat, you need dependable performance. And Sperry means dependable performance. Whether you need a complete system or an individual component, we offer a full line of advanced-design, dependable navigation and control equipment.

Steering Systems: We can deliver a complete steering system including controls, gear, and heading reference. We've been manufacturing marine systems for over fifty years.

System controls range from the compact Autopilot 8T to the recently introduced midrange "600" series. Each is related to the world renowned universal Gyropilot®, the time-proven standard among large ships.

Match one of these control systems with a Sperry steering gear and gyrocompass, for positive interface.

Gyrocompasses: Our SR 130 Compass System includes a static inverter, power adapter and transmission unit. It offers step-by-step transmission and operates up to seven repeaters. This compass provides ±1° accuracy even in roughest seas. Simple manual adjustment of the binnacle allows latitude correction. Compact size — 19″H x 12″W x 14″D — means easy installation anywhere on board.

Radars: Sperry's range of radars and related equipment has been designed to meet your requirements — economically. Choices include 7″, 10″, 12″ and 16″ PPI's, dual X-band and S-band capability, plus many more features. Ranges are as low as 1/4 mile, and are available up to 120 nautical miles. The transceiver can be mounted either in the base of the antenna or on the bulkhead.

Sperry: because no matter what size your boat, you need dependable performance. For details, see your Marine Systems representative or call or write Sperry Division Headquarters, Great Neck, New York 11020 • (516) 574-3088.

NEW N/CCF MARINE PLATE CHILLER/FREEZER

by

TMC

Now TURBO MARINE CORPORATION, the most respected name in fish boat refrigeration, offers you the opportunity of chilling or freezing your fish or shrimp right in your boats.

This N/CCF MARINE PLATE CHILLER/FREEZER unit has been designed specifically for fishermen.

All TMC units contain TURBO REFRIGERATING CO.'s exclusive stainless steel plates (proven by close to a quarter of a century of experience in ice making service) and refrigeration, supplied by TMC's time-proven condensing units.

For multipurpose fishing, the N/CCF chillers are available in a removable package, complete with chiller, condensing unit and pumps.

All these units are obtainable with split systems containing either direct engine, hydraulic or electric drive . . . whichever you need.

Call or write us for a free brochure on this exclusive product.

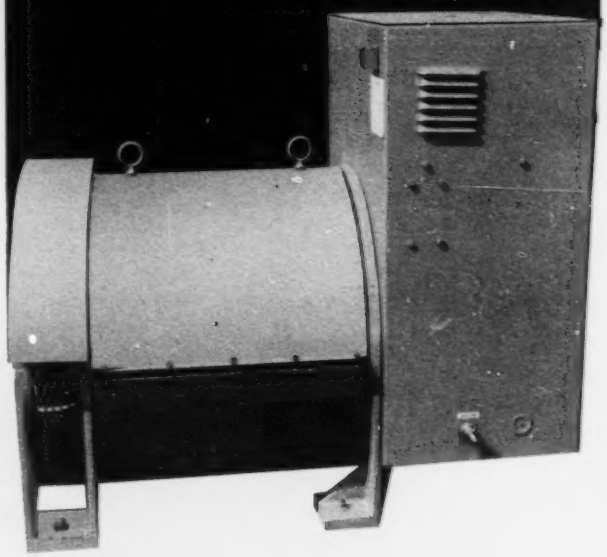
ALL ORDERS F.O.B. MYSTIC

A sure thing, afloat or ashore



Kato brushless AC generators are among the most rugged and reliable power equipment being manufactured today. You may know of a commercial fishing vessel whose prime power requirements rely on Kato generators. They can tell you that a Kato generator is a sure thing for dependability and performance in the high seas.

Kato offers the marine industry the broadest line of generator capabilities—so you know your onboard specification and application needs will be satisfied. Kato generators are constructed with the finest quality materials available and are backed with 50 years of engineering experience. That's why Kato power generators are well respected for dependability and durability.

Also, Kato generators are adaptable to almost any form of prime power.

So, when your marine application power requirements have to be met exactly—call on the power company that has experience and know-how in the fishing industry. Call on Kato Engineering, 1415 1st Avenue, P.O. Box 471, Mankato, Minnesota, 56001. Telephone (507) 625-4011 or Telex 29-0786.

MAY WE HELP YOU?

Experts for over 40 years in the design and fabrication of fishing gear. Nets to your specifications. Find all your requirements under one roof.

For Your Net:
- Aluminum Floats
- Heading & Seine Twine
- Lead Line - Float Line
- Rope by Gladding, Wall and Columbian
- Trawl Wire - Domestic & Foreign
- Trawl Doors by Westerbeke
- Poly Form Floats by Canor Plarex
- Netting by Hope
- Gill Nets by Momoi
- Floats & Needles

For Your Boat:
- Mobile Marine Coatings
- Western Blocks
- Crosby-Laughlin Hardware
- Switlik Inflatable Life Rafts
- Gladding-Hearn Deck Plates
- Wilcox-Crittenden Hardware
- Leschen Wire Rope
- McKissick Trawl Blocks
- Chain & Fittings

Service:

Wire Rope Mechanical Splices
(our own 500-ton press)
Wire Rope & Synthetic
Hand Splices
Hanging and Design of Nets,
Head Ropes and Foot Ropes
U.S. Coast Guard Approved
Life Raft Service Center

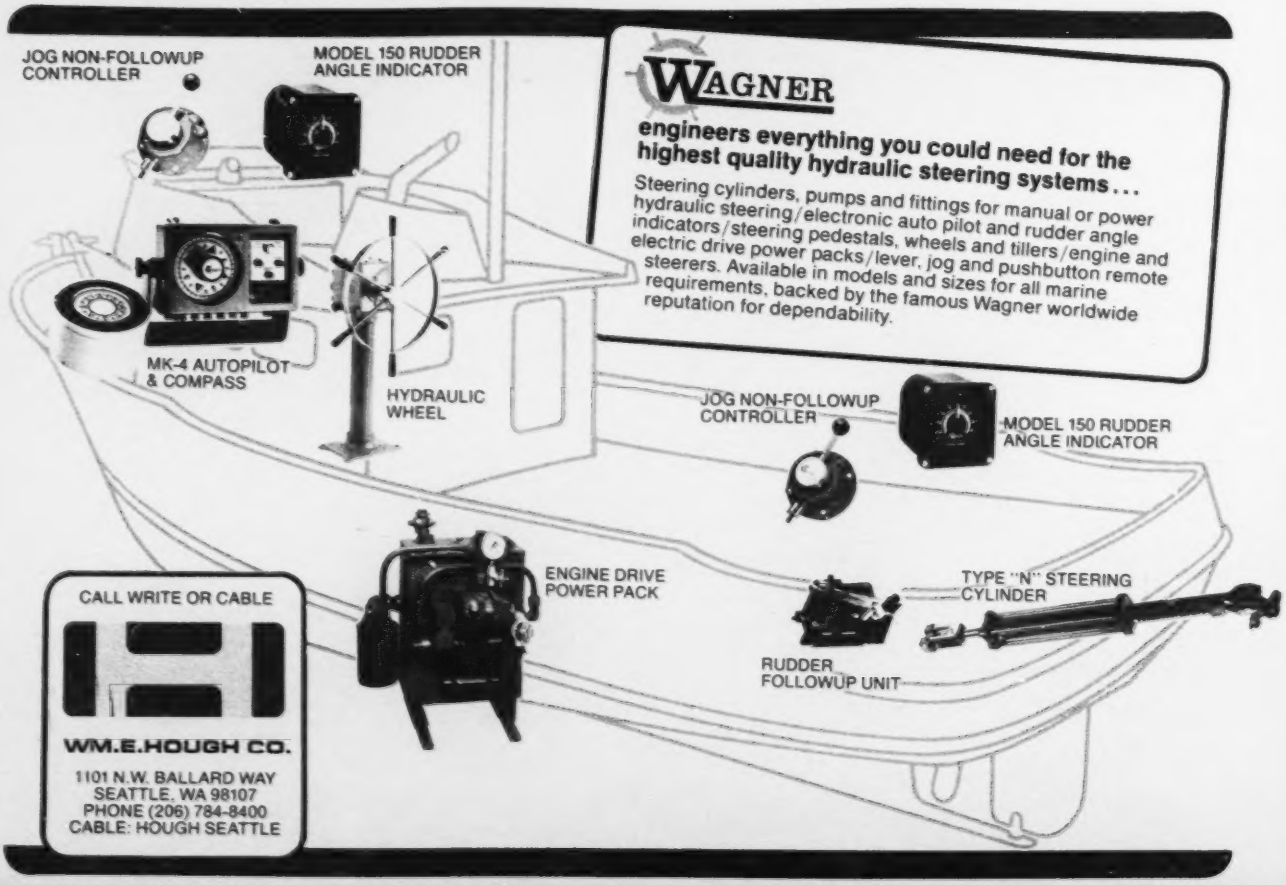
Fleetmaster. A growing family of quality communicaton and navigational equipment. The Fleetmaster line now offers:

Fleetmaster 1 Loran C
Fleetmaster 2 Loran C
Fleetmaster Loran Repeater
Fleetmaster RDF
Fleetmaster Power Supplies, Battery Chargers and Converters
Fleetmaster Ratchet Mounts and Brackets

For more information, see the Fleetmaster line at your local marine electronics dealer or write:

FLEET MARINE SUPPLY

A division of
Hubbard Broadcasting
1820 N.E. 146th Street
North Miami, Florida 33181
(305) 945-4253
Wholesale distributor to the marine trade only.



JOG NON-FOLLOWUP CONTROLLER

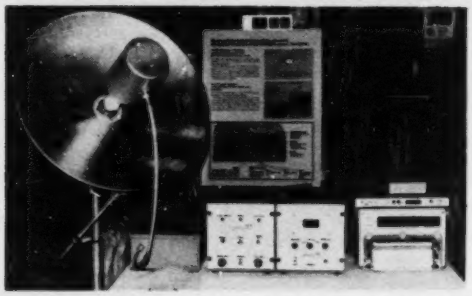
SATELLITE WEATHER



Satellite directly to you from Geo Stationary Satellites at approximately 22,000 miles over the equator you can receive direct high resolution photographs showing cloud cover, density, temperature and weather charts retransmitted from ground stations.

If you are engaged in agriculture, construction, fishing, utilities or municipal government this constantly changing up to the minute weather information can save you thousands of dollars annually in lost man hours.

The G.P.I. 1000 system includes everything you need to receive Goes Weather Fax Satellite signals at your office, jobsite, home or boat. The 24" parabolic antenna and receiver receives these 1691 mh signals and records the pictures in a 6"x6" format with photographic clarity. No development or processing is required. Picture reception is complete in less than 3 minutes.

This system designed and developed by Satellite Wefax expert Dr. Ralph Taggart primarily for Educational purpose is offered exclusively by Global Positioning Instruments.

G.P.I. 1000 Wefax System with single frame recorder 115vac/220vac — $5995.00

G.P.I. 1010 Wefax System with 8" continuous automatic recorder $7995.00

GRUNDEN'S

"Freezer tested"
all weather garments.

Used on the high seas by trawler fishermen and factory ship crews as well as countless commercial users including the sporting outdoor public.

Famous Grunden's quality garments undergo scores of quality control operations before the garment even reaches the buyer. One such control is our "freezer" test — a swatch of material is cut from each new shipment of garment material and is placed in a freezer for 16 hours — if the material becomes stiff, it is immediately rejected.

These fantastic garments are the first choice of North America's fishermen when it comes to foul weather gear.

In just three years we have become the largest supplier of commercial gear, because professional fishermen understand true value.

The most complete and diversified assortment of foul-weather clothing in the world.

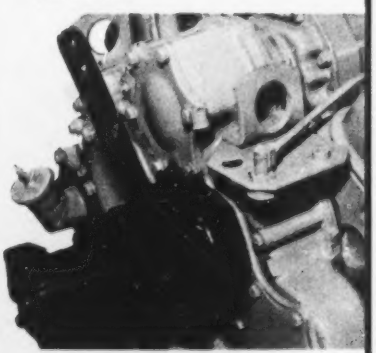
New improved

klutch master

PTO Hydraulic Pump Drive

Power take-off fits all GMC 53, 71 and 149 series diesels

KLUTCHMASTER provides a dependable and economical means of driving hydraulic pumps for deck machinery, winches, lifts, booms etc. Allows pump to be disengaged when power is not needed. Eliminates undue wear and heat on pump. Hydraulic pump adapter fits most 3 to 24 GPM pumps. Kit includes gaskets, lever, choice of pump shaft adapters 5/8", 3/4", 1". Special adaptions available.



Compact KLUTCHMASTER installs directly to engine. Port or starboard

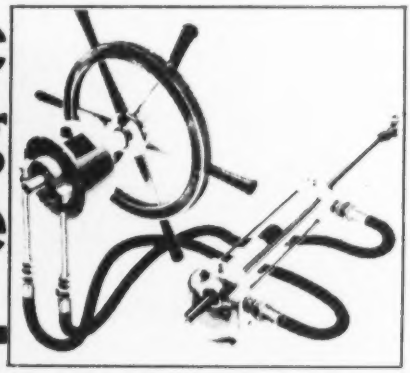
Hydraulic Steering Made Easy.



HyDrive has developed a manual hydraulic steering system that puts the control and dependability of hydraulic steering within your reach.

Our unique design combines the pump, reservoir and by-pass relief porting in one unit, making the non-pressurized system compact and easy to install.

HyDrive eliminates rudder creep and is compatible to all mechanical and hydraulic auto pilots. It's the perfect replacement for the more troublesome cable or pressurized hydraulic systems.

But don't let its simplicity fool you. From the 316 grade stainless steel rod to the universal trunnion, every part of the system is designed, constructed and engineered to the highest standards.

HyDrive single and multiple stations are available for commercial, military and pleasure craft worldwide from 16 to 85 feet. Custom electro-hydraulic systems available upon request.

For further information please call or write:

HyDrive Australian design award

America Corp

Warehouse: 432 East 91st St., New York, N.Y. 10028 (212) 831-0317 Telex 425593 Cable: Sundowner

Distributors and Dealers of Commercial Fishing and Vessel Gear and Equipment

A&G Fisherman Supply

S. Bay Ave
Eastport, NY 11941
Tel.: (516) 325-1676

St. Paul, MN 55107
Tel.: (612) 222-8525
Products: Anchors; Antennas, radio/television; Batteries, chargers and accesories; Boatbuilding material, resins, fiberglass, adhesives; Buoys and floats; Buoys and floats, anchor-raising; Caulking and sealants; Chains and fittings; Cleaners, marine; Clocks and chronometers; Coatings and preservatives; Compasses, electronic, gyro and magnetic; Controls, cable and remote; Controls, engine; Electric switches; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, depth recorders and fish finders; Electronics, loran; Electronics, radio direction finders; Electronics, radiotelephones; EPIRBS (Emergency Position Indicating Radio Beacons); Fenders; Firefighting equipment; Fuel, water separator; Hardware, deck gear and fittings; Horns; Hoses and fittings; Instrument and electrical panels; Knives; Lights, marine; Loud hailers; Marine engines, instruments; Marine engines, mufflers; Marine engines, outboard electric; Navigation instruments, non-electronic; Oars; Propellers; Protective clothing; Pumps, general; Radar reflectors; Rigging and gear, general; Rope, cordage and twine; Spark plugs; Steering systems; Stoves and heaters; components and fuel; Survival equipment; Toilets, holding tanks; Toilets, marine; Ventilation systems; Ventilators; Waste water treatment equipment; Water systems; Weather instruments; Wire rope and cable.

Barteu Marine Electronics

1577 Monrovia Ave.
Newport Beach, CA 92663
Tel.: (714) 645-7040
Gus Gourdin, Sales Manager.
Parent Co.: Southern California Marine Electronics
Primary Market Areas: National.
Products: Air systems; Alarms and security systems; Antennas, radio/television; Batteries, chargers and accesories; Clocks and chronometers; Commercial fishing gear, general (see specific product headings); Compasses, electronic, gyro and magnetic; Control systems, electolysis, zincs and corrosion; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, celestial navigation; Electronics, depth recorders and fish finders; Electronics, fixed gear locators; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons); Firefighting equipment; Hydraulic systems and components; Loud hailers; Marine engines, instruments; Stabilizers; Steering systems; Water desalinators; Weather chart facsimile recorders; Weather instruments.

Barton Machine Shop, Inc.

68 Badger's Island
Kittery, ME 03904
Tel.: (207) 439-1555
Charles C. Patten, President.
Primary Market Areas: New England.
Products: Coatings and preservatives; Commercial fishing gear, general (see specific product headings); Controls, cable and remote; Control systems, electolysis, zincs and corrosion; Controls, engine; Coolant systems; Cranes; Fabrication, custom; Filters, general; Fuel systems; Fuel, water separator; Generators; Hatches and doors; Haulers, net; Haulers, pot; Hoists, boat; Hoists, general; Hoses and fittings; Hydraulic systems and components; Instrument and electrical panels; Ladders, ramps and gangways; Lights, marine; Marine engines; inboard, gasoline and diesel; Marine engines; backfire, flame and explosion arrestors; Marine engines, components and accessories; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, instruments; Marine engines, mounts; Marine engines, mufflers; Marine engines, stern drivers; Masts and gallows; Net reels; Propellers, shafts, bearings and nozzles; Propellers; Pumps, general; Rudders and struts; Steering systems; Wash-down equipment.

Batteries Inc., Surrette

7 Crescent Ave.
Beverly, MA 01915
Tel.: (617) 744-4447 or 744-4454
John P. Taube, President.
Parent Co.: Surrette Storage Battery, Inc.
Primary Market Areas: National.
Products: Batteries, chargers and accesories.

Bay Bulls Trading Co. Ltd.

P.O. Box 163
St. John's, NF A1C 5J2 Canada
Tel.: 576-4058 or 576-4059
Telex: 0163130
A. P. Earle, Manager.
Primary Market Areas: National, Canada.
Products: Bait lines, bait bags; Buoys and floats; Caulking and sealants; Commercial fishing gear, general (see specific product headings); Compasses, electronic, gyro and magnetic; Containers, fish; Gaffs and harpoons; Knives; Nets, accessories and gear (including trawling equipment); Nets, fishing; Oars; Pots and traps; Reels, fishing; Rope, cordage and twine; Wire rope and cable.

Baymar

1705 Enterprise Dr.
Fairfield, CA 94533
Tel.: (707) 429-9090
Telex: 336-332 A/B BAYSALERS
Len Frazier, President.
Primary Market Areas: Worldwide.
Products: Compasses, electronic, gyro and magnetic; Electronics, automatic direction finders; Electronics, depth recorders and fish finders; Electronics, fixed gear locators; Electronics, loran; Electronics, radar; Electronics, radio direction finders; Weather chart facsimile recorders; Weather instruments.

Bayshore Electronics Co. Ltd.

4341 Main St.
Vancouver, BC V5V 3R1 Canada
Tel.: (604) 879-6787
George Winkelhorst, President.
Primary Market Areas: National, Western Canada.
Products: Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, depth recorders and fish finders; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons).

Beacon Marine Center

1198 Navigator Dr.
Ventura, CA 93003
Tel.: (805) 644-4444
Primary Market Areas: Southwest Pacific Coast.
Branches & Personnel:
Beacon Electronics
3735 W. Hemlock
Oxnard, CA 93030

Beacon Electronics
1198 Navigator Dr.
Ventura, CA 93003
Tel.: (805) 644-4444
Products: Alarms and security systems; Anchors; Antennas, radio/television; Batteries, chargers and accesories; Buoys and floats; Buoys and floats, anchor-raising; Caulking and sealants; Chains and fittings; Cleaners, marine; Clocks and chronometers; Coatings and preservatives; Compasses, electronic, gyro and magnetic; Controls, cable and remote; Control systems, electolysis, zincs and corrosion; Controls, engine; Electric switches; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, celestial navigation; Electronics, depth recorders and fish finders; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons); Fenders; Filters, general; Firefighting equipment; Fuel, water separator; Hardware, deck gear and fittings; Horns; Hoses and fittings; Instrument and electrical panels; Knives; Ladders, ramps and gangways; Lights, marine; Loud hailers; Lubricants and lubricating systems; Marine engines, compo-

nents and accessories; Marine engines, instruments; Marine engines, mufflers; Marine engines, outboard electric; Marine engines, outboard, gasoline; Marine engines, water separators and detectors; Navigation instruments, non-electronic; Oars; Petroleum products; Preservatives; Protective clothing; Pumps, general; Radar reflectors; Repair kits; Refrigeration; Rigging and gear, general; Rope, cordage and twine; Spark plugs; Steering systems; Stoves and heaters; components and fuel; Survival equipment; Toilets, holding tanks; Toilets, marine; Valves; Ventilators; Waste water treatment equipment; Water desalinators; Weather chart facsimile recorders; Water systems; Weather instruments; Winches and components; Wire rope and cable.

Beacon Plastic & Metal Products, Inc.

50 Park Ave.
New York, NY 10016
Tel.: (212) 679-4180
I. Martin Spier, President.
Primary Market Areas: National, Canada.
Products: Marine engines; inboard, gasoline and diesel.

Beaman Marine Services

13 Centre St.
New Bedford, MA 02740
Tel.: (617) 999-1808
Frederick T. Beaman.
Parent Co.: Desco Marine and A.W. Mfg. Co.
Primary Market Areas: New England, Mid-Atlantic States.
Products: Commercial fishing gear, general (see specific product headings).

Benoit Auto Sales Ltd.

P.O. Box 394
Lameque, NB EOB 1VO Canada
Tel.: (506) 344-2259
Vincent Benoit, President.
Primary Market Areas: Northeastern New Brunswick.
Products: Batteries, chargers and accesories; Filters, general; Fuel systems; Fuel, water separator; Generators; Marine engines; inboard, gasoline and diesel; Marine engines, components and accessories; Marine engines, instruments; Marine engines, oil analysis and service; Power take-offs; Spark plugs.

* Bevis and Associates, Inc.

1904 Stewart St.
Tacoma, WA 98421
Tel.: (206) 383-5761
Edward O. Bevis, President.
Primary Market Areas: National.
Products: Commercial fishing gear, general (see specific product headings); Cranes; Fabrication, custom; Haulers, longline; Haulers, net; Haulers, pot; Haulers, power blocks; Hoists, general; Hoses and fittings; Hydraulic systems and components; Power take-offs; Winches and components.

Bibbins & Rice Electronics, Inc.

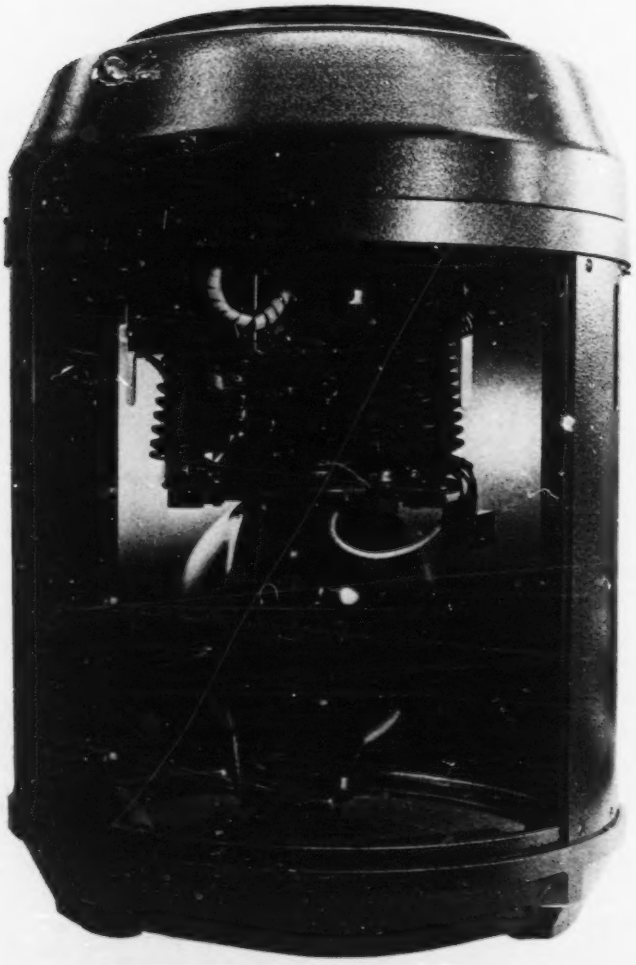
5990½ Griggs Rd.
Houston, TX 77023
Tel.: (713) 649-8587
Products: Protective clothing.

C. PLATH DEVELOPED THE WORLD'S MOST SOPHISTICATED GYROCOMPASS SO YOU COULD NAVIGATE WITH THE WORLD'S MOST RELIABLE SYSTEM.



You're looking inside the incredible C. Plath gyrocompass. Because it has no gimbals, it has no gimbal error. Because it's self-cooling, it has no blower. Because of its damping system, it'll give stable readings at up to 50° pitch or roll.

Because of its patented single-point suspension, it'll maintain course even during an interruption of electrical power. And because it's built to C. Plath standards, it needs no maintenance. It's the heart of a navigation system like no other.

If you don't have a C. Plath system at least have C. Plath components. A global service network backs our equipment (RDFs, Auto Pilots, etc....).

Litton

C. PLATH

Manufactured in West Germany

PRECISE • DEPENDABLE • INDISPENSABLE

C. Plath North American Division, 4927 Calvert Road College Park, MD. 20740 (301) 864-0100

Bountiful Ocean Supply, Inc.

5134 Ballard Ave. N.W.
Seattle, WA 98107
Tel.: (206) 789-7007
Karen L. Walker, President.
Primary Market Areas: National, Western Canada.
Products: Commercial fishing gear, general (see specific product headings); Haulers, jigging; Nets, accessories and gear (including trawling equipment).

Brewster's Shipyard, Inc.

87 Ocean Ave., P.O. Box 111
Bay Shore, NY 11706
Tel.: (516) 665-0037
William H. Brewster, President.
Primary Market Areas: South shore of Long Island.
Products: Anchors; Antennas, radio/television; Boatbuilding material, resins, fiberglass, adhesives; Boatbuilding material, wood; Caulking and sealants; Controls, engine; Electric switches; Electronics, depth recorders and fish finders; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Fenders; Filters, general; Hardware, deck gear and fittings; Horns; Hoses and fittings; Marine engines; inboard, gasoline and diesel; Marine engines, components and accessories; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, instruments; Oars; Propellers; Rope, cordage and twine; Rudders and struts; Spark plugs.

British Electronic Marine

5801 Christie, Suite 565
Emeryville, CA 94608
Tel.: (415) 655-4200
Telex: 335362
Frank S. Antoine, Owner.
Primary Market Areas: National.
Products: Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, celestial navigation; Electronics, depth recorders and fish finders; Electronics, fixed gear locators; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons).

BRL Marine Associates, Inc.

P.O. Box 273
Cape May, NJ 08204
Tel.: (609) 885-1005 or (800) 257-8542
Barry R. Lund, President.
Primary Market Areas: National.
Products: Anchors; Blocks, fishing; Buoys and floats; Chains and fittings; Charts, underwater cables; Cleaners, marine; Commercial fishing gear, general (see specific product headings); Docrs, trawl; Dredges, shellfish; Filters, general; Hardware, deck gear and fittings; Knives; Lights, marine; Lubricants and lubricating systems; Nets, accessories and gear (including trawling equipment); Nets, fishing; Nets, repair tools; Protective clothing; Rigging and gear, general; Rope, cordage and twine; Stabilizers; Survival equipment; Winches and components; Wire rope and cable.

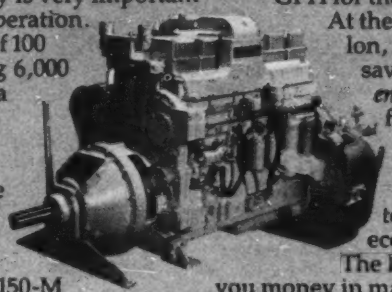
"Installing a Cummins KT-1150-M is like getting 6,000 gallons of diesel fuel a year free."

When Sahlman Seafoods began switching to Cummins KT-1150-Ms, their fuel consumption dropped a gallon per hour per boat.

Fuel economy is very important to Sahlman's operation.

With a fleet of 100 boats averaging 6,000 to 7,000 hours a year each, the savings can add up.



Choosing the right engine is important.

The 365 hp Cummins KT-1150-M was *developed* as a true marine engine, with fifty years of marine engineering behind it.

It is the *only* 6-cylinder diesel built in the U.S.A. in this horsepower class. The large-displacement, heavy-duty design is ideal for economically turning a boat screw.

Compare the fuel consumption rates between the KT-1150-M and a competitive V-8 design in the chart.

The in-line six Cummins consumes only 18.7 GPH compared to 20 GPH for their engine.

At the present 80¢ per gallon, Sahlman stands to save $4,800 a year *per engine* on fuel alone figured at the 6,000 hour annual operation.

But there's more to this story than fuel economy.

The KT-1150-M can save you money in maintenance costs as well. There are two less cylinders to worry about at overhaul time. Cummins K-Series diesels are easier to service, too, with individually removable cylinder heads.

"We lifted the valve covers at 5,900 hours and everything was clean," said Alfred Gough, Sahlman's fleet manager. "After 6,000 hours the engine is burning no oil . . . we use about 3/4 gallon a night."

With this kind of fuel economy and reliability, Sahlman has added *over twenty more* KT-1150-Ms to their fleet of boats built by Desco and Steiner Shipyards.

Talk to your Cummins distributor or boat builder soon. He can show you how the KT-1150-M can save you money, too.

28-B Vernon St.
Wakefield, MA 01880
Tel.: (617) 246-1828
Arthur Dahill, Sales Manager.
Primary Market Areas: New England.
Products: Containers, fish; Cranes; Hoists, general.

Hafey Air Conditioning Co.

P.O. Box 417
Laguna Beach, CA 92652
Tel.: (714) 497-2988
Edward E.J. Hafey, Owner.
Primary Market Areas: National.
Products: Batteries, chargers and accesories; Lights, marine; Rigging and gear, general.

Hague Marina, Inc.

P.O. Box 835
Myrtle Beach, SC 29577
Tel.: (803) 293-2141
George D. Russ, President.
Primary Market Areas: South Carolina.
Products: Anchors; Antennas, radio/television; Batteries, chargers and accesories; Boatbuilding material, resins, fiberglass, adhesives; Boatbuilding material, wood; Caulking and sealants; Chains and fittings; Cleaners, marine; Clocks and chronometers; Coatings and preservatives; Compasses, electronic, gyro and magnetic; Compressors, air; Controls, cable and remote; Control systems, electolysis, zincs and corrosion; Controls, engine; Coolant systems; Electric motors, components and accessories; Electric switches; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, depth recorders and fish finders; Electronics, loran; Electronics, radio direction finders; Electronics, radiotelephones; Fabrication, custom; Fenders; Filters, general; Fuel systems; Fuel, water separator; Generators; Hardware, deck gear and fittings; Horns; Hoses and fittings; Hydraulic systems and components; Instrument and electrical panels; Lights, marine; Loud hailers; Lubricants and lubricating systems; Marine engines, inboard, gasoline and diesel; Marine engines; backfire, flame and explosion arrestors; Marine engines, components and accessories; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, instruments; Marine engines, mounts; Marine engines, mufflers; Marine engines, stern drivers; Marine engines, water separators and detectors; Petroleum products; Spark plugs; Stoves and heaters; components and fuel; Toilets, holding tanks; Toilets, marine; Water systems.

Hale Marine Parts Co.

6080 Historyland Hwy.
Warsaw, VA 22572
Tel.: (804) 333-3677
Robert E. Hale, Jr., President.
Primary Market Areas: Mid-Atlantic States.
Products: Anchors; Antennas, radio/television; Batteries, chargers and accesories; Boatbuilding material, resins, fiberglass, adhesives; Controls, cable and remote; Controls, engine; Fenders; Fuel, water separator; Generators; Hardware, deck gear and fittings; Instrument and electrical panels; Marine engines; inboard, gasoline and diesel; Marine engines, components and accessories; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, instruments; Marine engines, mounts; Marine engines, mufflers; Marine engines, water separators and detectors; Propellers, shafts, bearings and nozzles; Propellers; Rope, cordage and twine; Toilets, holding tanks; Toilets, marine.

Hansen Marine Engineering, Inc.

19 Atlantic Ave.
Marblehead, MA 01945
Tel.: (617) 631-3282
Robert E. Hansen, President.
Primary Market Areas: New England.
Products: Marine engines; inboard, gasoline and diesel.

Harbor Electronics Co.

318 Bieglow/P.O. Drawer UU
Aransas Pass, TX 78336
Tel.: (512) 758-3371
David E. Bethune, President, General Manager.
Primary Market Areas: Gulf Coast States.
Products: Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, celestial navigation; Electronics, depth recorders and fish finders; Electronics, fixed gear locators; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons).

Harbor Sales Co., Inc.

1400 Russell St.
Baltimore, MD 21230
Tel.: (301) 727-0107
S. Harold Liberto, Marine Marketing Manager.
Primary Market Areas: National, Worldwide.
Products: Boatbuilding material, wood.

Harbor Service, Inc

1630 Marine View Dr.
Tacoma, WA 98422
Tel.: (206) 627-3000
Joe A. Stevens, Vice President.
Primary Market Areas: Pacific Northwest.
Products: Alarms and security systems; Anchors; Antennas, radio/-television; Batteries, chargers and accesories; Buoys and floats; Buoys and floats, anchor-raising; Caulking and sealants; Chains and fittings; Controls, cable and remote; Control systems, electolysis, zincs and corrosion; Controls, engine; Coolant systems; Electric switches; Electronics, depth recorders and fish finders; Fenders; Filters, general; Fuel systems; Fuel, water separator; Generators; Hardware, deck gear and fittings; Horns; Hoses and fittings; Hydraulic systems and components; Instrument and electrical panels; Marine engines; inboard, gasoline and diesel; Marine engines; backfire, flame and explosion arrestors; Marine engines, components and accessories; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, instruments; Marine engines, mounts; Marine engines, mufflers; Marine engines, stern drivers; Marine engines, water separators and detectors; Oars; Petroleum products; Power take-offs; Propellers, shafts, bearings and nozzles; Propellers; Pumps, general; Repair kits; Refrigeration; Rudders and struts; Spark plugs; Toilets, holding tanks; Toilets, marine; Valves; Ventilation systems; Wash-down equipment; Water systems; Wire rope and cable.

The Harris Co.

188 Commercial St.
Portland, ME 04112
Tel.: (207) 775-5601
Scott F. Harris, Manager.
Primary Market Areas: New England.
Products: Anchors; Antennas, radio/television; Bait lines, bait bags; Batteries, chargers and accesories; Blocks, fishing; Boatbuilding material, resins, fiberglass, adhesives; Buoys and floats; Buoys and floats, anchor-raising; Caulking and sealants; Chains and fittings; Clam hoes (rakes); Cleaners, marine; Clocks and chronometers; Coatings and preservatives; Commercial fishing gear, general (see specific product headings); Compasses, electronic, gyro and magnetic; Compressors, air; Control systems, electolysis, zincs and corrosion; Controls, engine; Controls, water level; De-icing equipment; Doors, trawl; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, depth recorders and fish finders; Electronics, fixed gear locators; Electronics, loran; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Fabrication, custom; Fenders; Filters, general; Firefighting equipment; Fuel systems; Fuel, water separator; Gaffs and harpoons; Hardware, deck gear and fittings; Hatches and doors; Haulers, net; Haulers, pot; Hoists, general; Horns; Hoses and fittings; Hydraulic systems and components; Instrument and electrical panels; Knives; Ladders, ramps and gangways; Lights, marine; Loud hailers; Lubricants and lubricating systems; Marine engines; inboard, gasoline and diesel; Marine engines; backfire, flame and explosion arrestors; Marine engines, components and accessories; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, instruments; Marine engines, mounts; Marine engines, mufflers; Marine engines, water separators and detectors; Nets, fishing; Nets, repair tools; Oars; Oil pollution barriers; Petroleum products; Plugs, lobster; Ports and windows, marine; Power take-offs; Preservatives; Propellers, shafts, bearings and nozzles; Propellers; Protective clothing; Pumps, general; Radar reflectors; Refrigeration; Rigging and gear, general; Rope, cordage and twine; Rudders and struts; Scales; Steering systems; Stoves and heaters; components and fuel; Survival equipment; Toilets, holding tanks; Toilets, marine; Ventilation systems; Ventilators; Wash-down equipment; Waste water treatment equipment; Water desalinators; Water systems; Winches and components; Wire rope and cable.

Harris Electric/Electronics, Inc.

Fishermens Terminal
Seattle, WA 98119
Tel.: (206) 282-8080
Naomi R. Lieurance, Manager.
Primary Market Areas: Pacific Northwest.
Branches & Personnel:
Dick Sundholm, President.
Fishermens Terminal
Seattle, WA 98119
Tel.: (206) 282-8080

Internav . . .
America's newest name in Loran C is America's oldest name in Loran C

A lot of people know us as the company which builds Simrad's Loran C's. But others don't know us at all.

Like our being the first company in the US (and the world for that matter) to build true Loran C receivers for commercial fishermen back in 1972.

So we're changing our image.

To better handle the rapidly expanding market, we and Simrad both now sell Internav Lorans. One is labelled Internav, the other is labelled Simrad. Otherwise, they're identical.

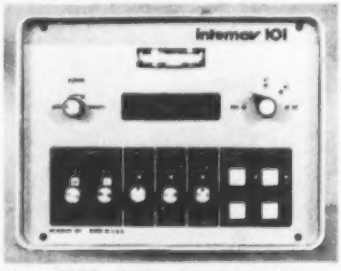
Why buy our Loran?

Three reasons. Performance, reliability, and value for money. On these, we've never compromised. Sure, we've never been the cheapest on the market, and probably never will. After all, you get what you pay for.

But what we've always had, and always will have, is equipment which professional fishermen can rely on for top performance and long, reliable life.

Old Faithful

Like Old Faithful, our LC-101.



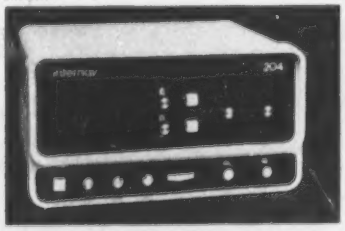
Built in 1972, 101's are still in daily use by fishermen in the US and around the world. Occasionally, one comes in for service. No sweat. We fix it, and back to sea it goes. If you're prepared to support them, Loran sets last a long time.

Still, we wonder just how many of today's manufacturers (over 25 by our last count) will be supporting their current models in 1988.

Just keeps rollin' along

Our LC-204 is another example.

Introduced in 1974, the 204 is often called the world's best Loran C. We don't know a single sea trial where it didn't outperform its competitors.

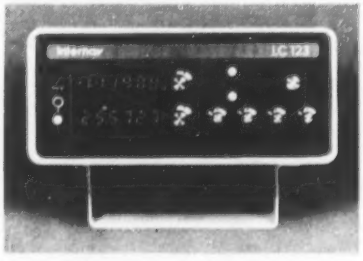


With today's new technology, though, we'd like to finally stop making 204's. But then along come the Coast Guard, or the Canadian Navy, or others who demand 204's and nothing else. So production just keeps rollin' along. And so, of course, does our customer support.

Fishermen's Friend

We designed our LC-123 especially for commercial fishermen.

It's a tough, rugged performer with big, bright, easy to read numbers — unlike the chintzy little figures on the low cost weekend sailor sets. Just turn it on — it does the rest.

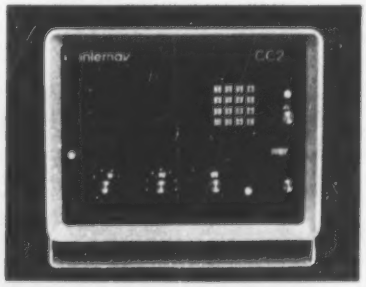


Independent operational shipboard tests in the Eastern Atlantic of our 123 and competitive sets showed the 123 to be way ahead both in long range and all-important cycle selection. In fact, the 123 was only bettered by our LC-204 (the test leader) and the much more expensive North Star 6000, which was second. **That's** what we mean by value for money.

Since then, we've further improved the 123 with Steering,SNR, Blink, and our unique Cycle-Guard® which inhibits long range cycle skips. And all these can be installed in every 123 we've made. We don't build in obsolescence.

First, and still best

Some companies are now promoting navigation computers as the latest things in Loran C. We'll forgive their ignorance: after all, many of them weren't even in Loran C when our CC-2 came out in 1977.



The CC-2 provides present position, 9 waypoints, true speed, steering, distance and time to go, course offsets, and lots more.

And it does it more precisely than any Loran navigation computer introduced since by anyone, anywhere.

Smaller, lower cost

Our LC-112 is built for smaller, inshore vessels.

While many companies are currently promoting their first designs, the 112 is a **fourth generation** set, incorporating the engineering know-how of America's oldest and most experienced Loran C manufacturer.

And it shows. Its advanced liquid crystal display reads to hundredths of microseconds (10 times more precise than competitors) and it "splits" to a dual number display for close-in fixing. It remembers your instructions after you turn it off — when you next turn it on it's ready to go. It meets USCG's commercial shipping specs, and has 5 position fix memory, low power draw, and, soon, optional course steering.

World's most accurate Loran.

Most ordinary Loran companies build ordinary Lorans. Not us. Our ultra-precise survey receivers and other specialized equipment are world beaters. Oceanographers, geophysicists, and government agencies all specify Internav when they need ultimate Loran C performance.

Because we built the world's most accurate Loran C.

Ordered in quantity by the Coast Guard, our LC-404 is the most advanced Loran C receiver available anywhere today. There's nothing else on earth like it, and it could be years before the ordinary guys catch up.

So who are you better off with — them or us?

internav

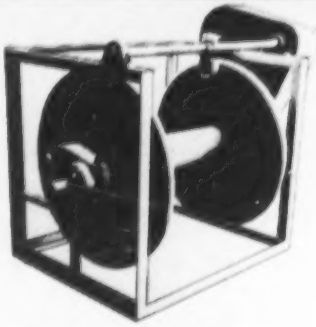
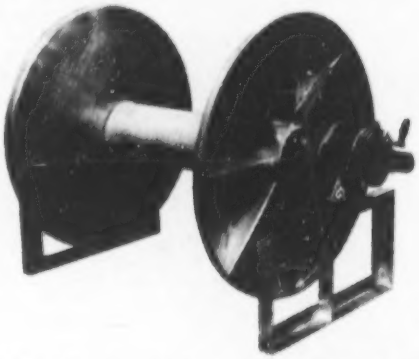
REELS & WINCHES

HYDRAULIC
LONGLINING REELS

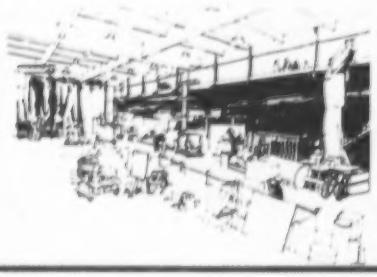
Built to your specifications. Available in aluminum or steel. Galvanized reel stand, hydraulic drum drive and control manifold. Optional diamond-screw levelwind.





CUSTOM FABRICATION

Fabrication of hydraulic reels, winches and drum drives is a Kem specialty. Call for custom quotations and design requirements. We maintain one of the largest parts inventories in the Northwest. Over three decades serving the marine trade.

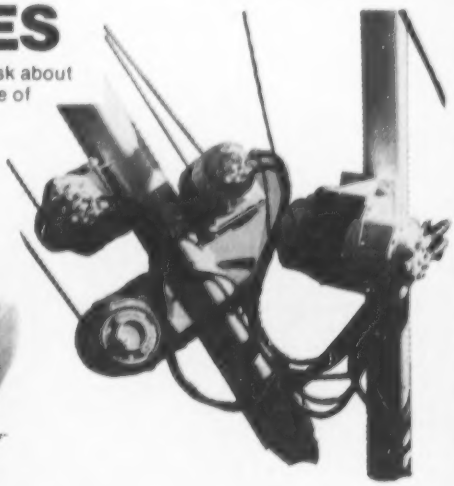


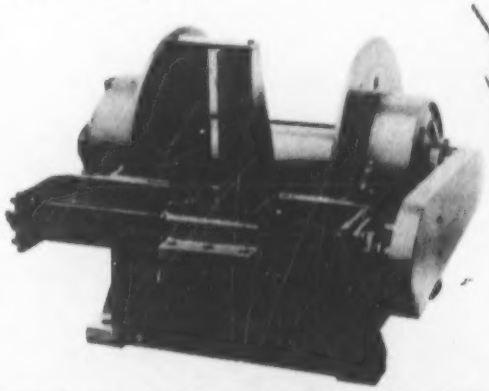
GILLNET REELS

Equipped with high performance hydraulic drive unit, and manual clutch for free wheeling of the drum. Designed to withstand varying line pressures. All parts run in oil-bath planetary gear assembly.

BOOM WINCHES

Line pulls available from 4,000 to 44,000 pounds. Ask about our full design and installation services. Wide range of options available for your size and fisheries requirements.





TRAWL WINCHES

Modernize your bottom fishing for more productive fishing time. We'll build to your size and line pull specifications. Features trouble-free automatic levelwind. Compact. Easy to maintain.

John Smith, Sales Manager
241 Erie St.
Jersey City, NJ 07302
Tel.: (201) 792-3561
TWX (710) 730-5312
Products: Electronics, depth recorders and fish finders; Electronics, radar.

Kraft International Corp.

P.O. Box 2181, 1C Henry St.
Teterboro, NJ 07608
Tel.: (201) 288-4485
Telex: 13-892J
Raymond Koski
Primary Market Areas: New England, Mid-Atlantic States, Worldwide.
Products: Controls, engine; Electric motors, components and accessories; Hydraulic systems and components; Lights, marine; Marine engines; backfire, flame and explosion arrestors; Marine engines, components and accessories; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, mufflers; Marine engines, oil analysis and service; Power take-offs; Pumps, general; Toilets, marine; Valves.

Kraft Power Corp.

P.O. Box 47910, 3218 Marjan Dr.
Atlanta, GA 30340
Tel.: (404) 458-8991
Telex: 70-7488
Daniel L. Wilcox.
Primary Market Areas: Mid-Atlantic States, South Atlantic States, Gulf Coast States.
Products: Controls, engine; Electric motors, components and accessories; Hydraulic systems and components; Lights, marine; Marine engines, gears (reducing and reversing) and transmissions; Power take-offs; Pumps, general; Toilets, marine; Valves.

L&L Electronics, Inc.

186 No. Main St.
Branford, CT 06405
Tel.: (203) 488-4814
Stan R. Laska, President.
Primary Market Areas: New England, Mid-Atlantic States, South Atlantic States.
Products: Alarms and security systems; Antennas, radio/television; Batteries, chargers and accesories; Compasses, electronic, gyro and magnetic; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, celestial navigation; Electronics, depth recorders and fish finders; Electronics, fixed gear locators; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons); Fabrication, custom; Lights, marine.

L. & L. Marine, Inc.

Harbor Rd. and Sunset Ave.
West Ocean City, MD 21842
Tel.: (301) 289-3673
Larry Schrawder, President.
Primary Market Areas: Mid-Atlantic States.
Products: Alarms and security systems; Antennas, radio/television; Batteries, chargers and accesories; Commercial fishing gear, general (see specific product headings); Electric switches; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, depth recorders and fish finders; Electronics, fixed gear locators; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons); Instrument and electrical panels; Loud hailers; Weather chart facsimile recorders.

* L. S. Baier & Assoc.

7527 N.E. 33rd Dr.
Portland, OR 97211
Tel.: (503) 287-8885
Phyllis A. Dewing, Manager, Secretary
Primary Market Areas: National, Canada, The Netherlands, Singapore.
Products: Hatches and doors.

Larry Smith Electronics of Florida, Inc.

1619 Broadway
Riviera Beach, FL 33404
Tel.: (305) 844-3592
Daniel R. Smith.
Primary Market Areas: South Atlantic States, Caribbean, South America, the Bahamas.
Products: Alarms and security systems; Antennas, radio/television; Batteries, chargers and accesories; Compasses, electronic, gyro and magnetic; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, depth recorders and fish finders; Electronics, fixed gear locators; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons); Loud hailers; Navigation instruments, non-electronic; Weather chart facsimile recorders; Water systems; Weather instruments.

LEWCO Electric Co., Inc.

456 N. Newport Blvd.
Newport Beach, CA 92663
Tel.: (714) 548-8383
Earl A. Lewis, President.
Primary Market Areas: National, Canada.
Products: Batteries, chargers and accesories.

Lewes Boat Yard

Pilottown Rd.
Lewes, DE 19958
Tel.: (302) 645-9635
John L. Stubbs, Owner.
Primary Market Areas: Mid-Atlantic States.
Products: Antennas, radio/television; Compasses, electronic, gyro and magnetic; Control systems, electolysis, zincs and corrosion; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, celestial navigation; Electronics, depth recorders and fish finders; Electronics, fixed gear locators; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons).

Lewis Electronics

2547 W. Coast Hwy., P.O. Box 1101
Newport Beach, CA 92663
Tel.: (714) 645-7280
Ed Lewis.
Primary Market Areas: Southwest Pacific Coast.
Products: Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, celestial navigation; Electronics, depth recorders and fish finders; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons); Loud hailers; Radar reflectors; Weather chart facsimile recorders.

Lewis Marine Supply, Inc.

220 S.W. 32nd St., P.O. Box 21107
Fort Lauderdale, FL 33335
Tel.: (305) 523-4371
Telex: 514329
William C. Dickinson, Manager, Export Sales Department.
Primary Market Areas: Worldwide.
Products: Air systems; Alarms and security systems; Anchors; Antennas, radio/television; Batteries, chargers and accesories; Boat-building material, resins, fiberglass, adhesives; Buoys and floats; Caulking and sealants; Chains and fittings; Cleaners, marine; Clocks and chronometers; Coatings and preservatives; Compasses, electronic, gyro and magnetic; Controls, cable and remote; Control systems, electolysis, zincs and corrosion; Controls, engine; Electric switches; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, depth recorders and fish finders; Electronics, loran; Electronics, radio direction finders; Electronics, radiotelephones; EPIRBS (Emergency Position Indicating Radio Beacons); Fenders; Filters, general; Firefighting equipment; Fuel systems; Fuel, water separator; Gaffs and harpoons; Gurdies and downriggers; Hardware, deck gear and fittings; Hatches and doors; Hoists, boat; Hoists, general; Horns; Hoses and fittings; Hydraulic systems and components; Ladders, ramps and gangways; Lights, marine; Loud hailers; Lubricants and lubricating systems; Marine engines, instruments; Marine engines, water separators and detectors; Oars; Ports and windows, marine; Preservatives; Pumps, general; Rope, cordage and twine; Rudders and struts; Stabilizers, Steering systems; Stoves and heaters; components and fuel; Survival equipment; Toilets, holding tanks; Toilets, marine; Valves; Ventilation systems; Ventilators; Weather instruments; Winches and components; Wire rope and cable.

Lindgren-Pitman, Inc.

2700 N.E. 7th Ave.
Pompano Beach, FL 33064
Tel.: (305) 943-4243
Peter B. Lindgren, President.
Primary Market Areas: South Atlantic States, Equador, Panama, Venezula, Australia.
Products: Commercial fishing gear, general (see specific product headings); Electric motors, components and accessories; Gurdies and downriggers; Haulers, rigging; Haulers, longline; Haulers, net; Haulers, pot; Haulers, power blocks; Hoists, general; Hydraulic systems and components; Net reels; Power take-offs; Reels, fishing; Wire rope and cable.

Line Seven, Inc.

P.O. Box 3114
Annapolis, MD 21403
Tel.: (301) 268-8182
Telex: 908287
T. Ross Glover, President.
Primary Market Areas: National, Australia, Europe, Japan, New Zealand, Canada.
Branches & Personnel:
Oceana Limited
Ross Glover, President.
615 Chesapeake Ave.
Annapolis, MD 21403
Tel.: (301) 268-8187
Telex: 908287

Products: Lubricants and lubricating systems; Protective clothing; Survival equipment.

Live Bait Tank Co.

18951 Walnut St.
Fountain Valley, CA 92708
Tel.: (714) 962-9813
David L. Patterson, President.
Primary Market Areas: National, Australia, Japan, Sweden.
Products: Tanks, shellfish and water.

Long Beach Marine Electronics, Inc.

255A Marina Dr.
Long Beach, CA 90803
Tel.: (213) 594-8888 or 594-8880
G. Kevin Savord, President.
Primary Market Areas: Southwest Pacific Coast.
Branches & Personnel:
Long Beach Marine Electronics, Inc. Service Center
6400 Marina Dr.
Long Beach, CA 90803
Tel.: (213) 594-0959
Products: Antennas, radio/television; Batteries, chargers and accesories; Electric switches; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, depth recorders and fish finders; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons); Loud hailers; Steering systems; Water desalinators; Weather instruments.

Lorain Electronics Corporation

2307 Leavitt Rd.
Lorain, OH 44052
Tel.: (216) 282-6116
TWX 810 426 2131
William A. Taylor, Vice President, General Manager.
Parent Co.: Oakmont Marine Corporation.
Primary Market Areas: National.
Products: Antennas, radio/television; Compasses, electronic, gyro and magnetic; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, celestial navigation; Electronics, depth recorders and fish finders; Electronics, fixed gear locators; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons); Lights, marine; Loud hailers; Radar reflectors.

Lummi Fishery Supplies, Inc.

2 Coho Way
Bellingham, WA 98225
Tel.: (206) 734-3336
Telex: 32-9605
James Splaine, General Manager.
Primary Market Areas: Pacific Northwest.
Branches & Personnel:
Richard Parkhurst, Manager.
2 Squalicum Mall
Bellingham, WA 98225
Tel.: (206) 734-3336
Products: Alarms and security systems; Anchors; Antennas, radio/television; Bait lines, bait bags; Batteries, chargers and accesories; Blocks, fishing; Boatbuilding material, resins, fiberglass, adhesives; Buoys and floats; Buoys and floats, anchor-raising; Caulking and sealants; Chains and fittings; Cleaners, marine; Clocks and chronometers; Coatings and preservatives; Commercial fishing gear, general (see specific product headings); Controls, cable and remote; Control systems, electolysis, zincs and corrosion; Controls, engine; Dehumidifiers; Electric motors, components and accessories; Electric switches; Electronics, automatic direction finders; Fenders; Filters, general; Firefighting equipment; Gaffs and harpoons; Gurdies and downriggers; Hardware, deck gear and fittings; Haulers, power blocks; Horns; Hoses and fittings; Knives; Lights, marine; Lubricants and lubricating systems; Nets, accessories and gear (including trawling equipment); Nets, fishing; Nets, repair tools; Oars; Petroleum products; Pots and traps; Propellers, shafts, bearings and nozzles; Propellers; Protective clothing; Pumps, general; Radar reflectors; Reels, fishing; Repair kits; Rope, cordage and twine; Stoves and heaters; components and fuel; Survival equipment; Toilets, holding tanks; Toilets, marine; Trolling tackle and gear; Valves; Wire rope and cable.

Lunde Electric Co., Inc.

2401 N.W. Market St.
Seattle, WA 98107
Tel.: (206) 783-6800
Telex: 15-2793
Sigmund Eriksen, President.
Primary Market Areas: Pacific Northwest.
Products: Alarms and security systems; Batteries, chargers and accesories; Clocks and chronometers; Compasses, electronic, gyro and magnetic; Compressors, air; Electric motors, components and accessories; Electric switches; Electronics, automatic pilots; Generators; Horns; Instrument and electrical panels; Lights, marine; Steering systems; Water systems; Weather instruments.

M & G Industries, Inc.

10 Dorrance St.
Providence, RI 02903
Tel.: (401) 331-8839
Telex: 927675
Martin G. Rosenthal, President.
Primary Market Areas: National, Canada, Italy, Spain.
Products: Anchors; Blocks, fishing; Chains and fittings; Commercial fishing gear, general (see specific product headings); Controls, cable and remote; Hardware, deck gear and fittings; Knives; Lights, marine; Nets, accessories and gear (including trawling equipment); Nets, fishing; Rigging and gear, general; Rope, cordage and twine; Wire rope and cable.

M & L Engine Co.

M & L Industries, Inc.
Lonnie Lyons, General Manager.
119 Cason St.
Broussard, LA 70518
Tel.: (318) 837-2763
Products: Controls, cable and remote; Controls, engine; Fuel systems; Fuel, water separator; Generators; Hoses and fittings; Marine engines; inboard, gasoline and diesel; Marine engines; backfire, flame and explosion arrestors; Marine engines, components and accessories; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, instruments; Marine engines, jet drives; Marine engines, mounts; Marine engines, mufflers; Marine engines, oil analysis and service; Marine engines, outboard diesel; Marine engines, water separators and detectors; Power take-offs; Pumps, general; Radar reflectors.

MacDougalls' Cape Cod Marine Service, Inc.

P.O. Drawer K, Falmouth Heights Rd.
Falmouth, MA 02541
Tel.: (617) 548-3146
Allan F. Robbins, Yard Superintendent.
Parent Co.: Ocean Research Equipment, Inc.
Primary Market Areas: New England.
Products: Antennas, radio/television; Batteries, chargers and accesories; Canvas products; Caulking and sealants; Coatings and preservatives; Controls, cable and remote; Controls, engine; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, depth recorders and fish finders; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons); Fabrication, custom; Fenders; Filters, general; Fuel, water separator; Generators; Hoses and fittings; Hydraulic systems and components; Instrument and electrical panels; Marine engines; inboard, gasoline and diesel; Marine engines, components and accessories; Pumps, general; Spark plugs; Wire rope and cable.

Maine Compass Services

1 Pleasant St., P.O. Box 312
Yarmouth, ME 04096
Tel.: (207) 846-4814
William B. Rice, President.
Parent Co.: Royall Marine Development, Inc.
Primary Market Areas: National.
Products: Compasses, electronic, gyro and magnetic.

Majima Company Limited

44-2, 4-chome, Kita Karasuyama, Setagaya-Ku
Tokyo 157 Japan
Tel.: Tokyo 300-1101
Telex: J24667 Majitone
Hiroshi Majima, President.
Primary Market Areas: Worldwide.
Products: Alarms and security systems; Electric switches; Electronics, automatic pilots; Firefighting equipment; Flame detectors and arresters; Gas alarms; Hoists, boat; Horns; Lights, marine; Oil chargers.

Mako Marina

117 Hudson Ave.
Freeport, NY 11520
Tel.: (516) 378-7331
Roy K. Flood, President.
Parent Co.: Charon Marine Industries, Inc.
Primary Market Areas: New England, Mid-Atlantic States.
Products: Air systems; Batteries, chargers and accesories; Coatings and preservatives; Compressors, air; Controls, engine; Firefighting equipment; Fuel systems; Fuel, water separator; Generators; Hydraulic systems and components; Lubricants and lubricating systems; Marine engines; inboard, gasoline and diesel; Marine engines; backfire, flame and explosion arrestors; Marine engines, components and accessories; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, instruments; Marine engines, mounts; Marine engines, mufflers; Marine engines, oil analysis and service; Marine engines, outboard diesel; Marine engines, outboard electric; Marine engines, water separators and detectors; Valves.

Mandem, Industrial Division of Asamera, Inc.

P.O. Box 848
Moncton, NB E1C 8N6 Canada
Tel.: (506) 854-0982

Telex: 014-2156
Al G. Bryant, Sales Representative.
Parent Co.: Asamera, Inc.
Primary Market Areas: Eastern Canada.
Branches & Personnel:
Fred Finn, Sales Representative.
8550 Delmeade Rd.
Montreal, PQ Canada
Tel.: (514) 342-9233
Products: Controls, cable and remote; Controls, engine; Electric motors, components and accessories; Generators; instrument and electrical panels; Marine engines, inboard, gasoline and diesel; Marine engines, components and accessories; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, instruments; Power take-offs; Pumps, general; Spark plugs.

Marguerite Kean Insurance

One Pelham Rd.
New Rochelle, NY 10562
Tel.: (914) 632-2235 or 762-1357
Marguerite Kean, Owner.
Primary Market Areas: Mid-Atlantic States.
Products: Dories and skiffs.

Maricom Electronics, Inc.

3003 River Dr
Thunderbolt, GA 31404
Tel.: (912) 354-4542
Bill Willingham, President.
Primary Market Areas: South Atlantic States.
Branches & Personnel:
Tony Smircic, Vice President.
1123 Hillside Dr
Charleston, SC 29407
Tel.: (803) 766-6357

Maricom Electronics
Mike Brower, Manager.
1322 Newcastle St
Brunswick, GA 31520
Tel.: (912) 265-4650
Products: Antennas, radio/television; Batteries, chargers and accesories; Compasses, electronic, gyro and magnetic; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, celestial navigation; Electronics, depth recorders and fish finders; Electronics, fixed gear locators; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons); Loud hailers.

Marine Electronics Monterey Bay

345 Lake Ave.
Santa Cruz, CA 95062
Tel.: (408) 476-2551
Rachmat Martin, President.
Primary Market Areas: Southwest Pacific Coast.
Products: Alarms and security systems; Antennas, radio/television; Batteries, chargers and accesories; Compasses, electronic, gyro and magnetic; Electric switches; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, depth recorders and fish finders; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons); Lights, marine; Loud hailers; Radar reflectors.

Marine Electronic Service, Inc.

831 San Carlos Blvd., P.O. Box 2879
Fort Myers Beach, FL 33931
Tel.: (813) 463-4451
Willard J. Cerney, President.
Primary Market Areas: South Atlantic States, Gulf Coast States.
Products: Antennas, radio/television; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, depth recorders and fish finders; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons); Radar reflectors; Weather chart facsimile recorders.

Marine Electronics Co.

2807 W. 12th St.
Panama City, FL 32401
Tel.: (800) 874-3170 or (904) 769-2420
Bob Warriner, Co-owner.
Primary Market Areas: Gulf Coast States.
Products: Air systems; Alarms and security systems; Antennas, radio/television; Batteries, chargers and accesories; Clocks and chronometers; Compasses, electronic, gyro and magnetic; Control systems, electolysis, zincs and corrosion; Electric motors, components and accessories; Electric switches; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, celestial navigation; Electronics, depth recorders and fish finders; Electronics, fixed gear locators; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons); Hardware, deck gear and fittings; Horns; Hoses and fittings; Hydraulic systems and components; Instrument and electrical panels; Lights, marine; Loud hailers; Pumps, general; Radar reflectors; Steering systems; Survival equipment; Valves; Water desalinators; Weather chart facsimile recorders; Weather instruments.

Marine Engine Center, Inc.

568 E. Elizabeth Ave., P.O. Box 649
Linden, NJ 07036
Tel.: (201) 486-5758
Richard M. LaTourette, Sales Manager.
Primary Market Areas: National, Canada, South America and Europe.
Products: Controls, cable and remote; Electronics, automatic pilots; Fuel, water separator; Instrument and electrical panels; Lights, marine; Marine engines; inboard, gasoline and diesel; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, instruments; Marine engines, mounts; Marine engines, mufflers; Propellers, shafts, bearings and nozzles; Pumps, general; Rudders and struts; Steering systems; Toilets, holding tanks; Toilets, marine.

Marine Engine Repair Co., Inc.

1520 N.W. Ballard Way
Seattle, WA 98107
Tel.: (206) 782-7670
Terry Schusted, Vice President.
Primary Market Areas: Worldwide.
Products: Batteries, chargers and accesories; Controls, engine; Filters, general; Fuel, water separator; Instrument and electrical panels; Marine engines; inboard, gasoline and diesel; Marine engines, components and accessories; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, instruments; Marine engines, mounts; Marine engines, mufflers; Marine engines, water separators and detectors.

Marine Engineering Associates

269 3rd St.
San Rafael, CA 94901
Tel.: (415) 456-7886
John G. Moore, Vice President, Treasurer.
Primary Market Areas: Northern California.
Products: Batteries, chargers and accesories; Filters, general; Fuel systems; Generators; Marine engines; inboard, gasoline and diesel; Marine engines, components and accessories; Spark plugs.

Marine Engineering, Incorporated

1701/11 Engineers Rd., P.O. Box 30590
New Orleans, LA 70190
Tel.: (504) 394-6500
Telex: 58-278
S. Earl Primo, Vice President and General Manager.
Parent Co.: Oosterhuis Industries, Inc.
Primary Market Areas: Gulf Coast States.
Products: Fuel, water separator; Marine engines; inboard, gasoline and diesel; Propellers, shafts, bearings and nozzles; Rudders and struts.

* Marine Gear Div., Inc.

9 Franklin St.
Salem, MA 01970
Tel.: (617) 744-9350
Laurence C. Malo, Jr., President.
Primary Market Areas: New England.
Products: Controls, cable and remote; Fuel, water separator; Marine engines; backfire, flame and explosion arrestors; Marine engines, gears (reducing and reversing) and transmissions; Pumps, general.

Marine Hardware and Supply Co., Inc.

390 Atlantic Ave.
Boston, MA 02210
Tel.: (617) 426-1200
Barry R. Fireman, Vice President.
Primary Market Areas: New England.
Products: Anchors; Antennas, radio/television; Boatbuilding material, resins, fiberglass, adhesives; Buoys and floats; Canvas products; Caulking and sealants; Chains and fittings; Charts, underwater cables; Cleaners, marine; Clocks and chronometers; Coatings and preservatives; Compasses, electronic, gyro and magnetic; Controls, cable and remote; Control systems, electolysis, zincs and corrosion; Controls, engine; Electronics, automatic direction finders; Electronics, depth recorders and fish finders; Electronics, loran; Electronics, radio direction finders; Electronics, radiotelephones; EPIRBS (Emergency Position Indicating Radio Beacons); Fenders; Hardware, deck gear and fittings; Horns; Knives; Lights, marine; Loud hailers; Lubricants and lubricating systems; Marine engines, instruments; Navigation instruments, non-electronic; Oars; Petroleum products; Ports and windows, marine; Preservatives; Pumps, general; Radar reflectors; Rope, cordage and twine; Spark plugs; Steering systems; Toilets, holding tanks; Toilets, marine; Ventilators; Water systems.

Marine Hydraulic Engineering Co., Inc.

Rockland Industrial Park
Rockland, ME 04841
Tel.: (207) 594-9525
Robert E. Crowe, President.
Primary Market Areas: New England, Gulf Coast States, Southwest Pacific Coast, Pacific Northwest, England, Canada, Chile.
Products: Haulers, longline; Haulers, net; Haulers, pot; Hoses and fittings; Hydraulic systems and components; Steering systems.

Marine Motor Sales

P.O. Box 1074, 316 Broadway
Pt. Pleasant Beach, NJ 08742
Tel.: (201) 892-1124
David H. Poverman, President.
Primary Market Areas: Mid-Atlantic States.

Phone: (617) 487-1730

Products: Coolant systems; Filters, general; Fuel systems; Fuel, water separator; Hoses and fittings; Marine engines; inboard, gasoline and diesel; Marine engines; backfire, flame and explosion arrestors; Marine engines, components and accessories; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, instruments; Marine engines, mounts; Marine engines, mufflers; Marine engines, stern drivers; Spark plugs.

Marine Propulsion Equipment Co., Inc. (MPECO)

P.O. Box 1029
Harvey, LA 70059
Tel.: (504) 392-6900
Telex: 584330
Kenneth G. Robbins, President.
Primary Market Areas: Worldwide.
Products: Bow thrusters; Fuel systems; Fuel, water separator; Marine engines, components and accessories; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, mufflers; Power take-offs; Propellers, shafts, bearings and nozzles; Propellers.

Marine Radio Service

147 No. Avalon Blvd.
Wilmington, CA 90744
Tel.: (213) 835-6646
Curt Lewis, General Manager.
Primary Market Areas: Southwest Pacific Coast.
Products: Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, celestial navigation; Electronics, depth recorders and fish finders; Electronics, fixed gear locators; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons); Loud hailers.

Marine Recorders Corp.

P.O. Box 2001
San Diego, CA 92112
Tel.: (714) 226-1082
Telex: 697806
Jere A. Bankson, Marketing Director.
Primary Market Areas: Gulf Coast States, Southwest Pacific Coast, Pacific Northwest.
Products: Electronics, depth recorders and fish finders.

Marine Sales Co.

324 Littlefield Ave.
South San Francisco, CA 94080
Tel.: (415) 871-2290
John N. Sofilos, President.
Parent Co.: S & G Marine Distributors.
Primary Market Areas: Southwest Pacific Coast, Pacific Northwest, Australia.
Products: Alarms and security systems; Anchors; Antennas, radio/television; Bait lines, bait bags; Batteries, chargers and accesories; Blocks, fishing; Bow thrusters; Buoys and floats; Buoys and floats, anchor-raising; Caulking and sealants; Chains and fittings; Charts, underwater cables; Cleaners, marine; Clocks and chronometers; Commercial fishing gear, general (see specific product headings); Compasses, electronic, gyro and magnetic; Compressors, air; Controls, cable and remote; Controls, chlorination; Control systems, electolysis, zincs and corrosion; Controls, engine; Coolant systems; Doors, trawl; Electric motors, components and accessories; Electric switches; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, celestial navigation; Electronics, depth recorders and fish finders; Electronics, fixed gear locators; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons); Fabrication, custom; Fenders; Filters, general; Firefighting equipment; Fuel systems; Fuel, water separator; Gaffs and harpoons; Generators; Gurdies and downriggers; Hardware, deck gear and fittings; Hatches and doors; Haulers, jigging; Haulers, longline; Haulers, net; Haulers, pot; Haulers, power blocks; Hoists, boat; Hoists, general; Horns; Hoses and fittings; Hydraulic systems and components; Instrument and electrical panels; Insulation; Knives; Ladders, ramps and gangways; Lights, marine; Loud hailers; Lubricants and lubricating systems; Marine engines; inboard, gasoline and diesel; Marine engines; backfire, flame and explosion arrestors; Marine engines, components and accessories; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, instruments; Marine engines, jet drives; Marine engines, mounts; Marine engines, mufflers; Marine engines, oil analysis and service; Marine engines, outboard diesel; Marine engines, outboard electric; Marine engines, outboard, gasoline; Marine engines, stern drivers; Marine engines, water separators and detectors; Navigation instruments, non-electronic; Nets, accessories and gear (including trawling equipment); Nets, fishing; Nets, repair tools; Oars; Oil pollution barriers; Petroleum products; Ports and windows, marine; Pots and traps; Power take-offs; Propellers, shafts, bearings and nozzles; Propellers; Protective clothing; Pumps, general; Radar reflectors; Reels, fishing; Repair kits; Refrigeration; Rigging and gear, general; Rope, cordage and twine; Rudders and struts; Spark plugs; Stabilizers; Steering systems; Stoves and heaters; components and fuel; Survival equipment; Tanks, shellfish and water; Toilets, holding tanks; Toilets, marine; Trailers and accessories; Trolling tackle and gear; Valves; Ventilation systems; Ventilators; Wash-down equipment; Waste water treatment equipment; Water desalinators; Weather chart facsimile recorders; Water systems; Weather instruments; Winches and components; Wire rope and cable.

Marine Sanitation Specialists

1900 No. Northlake Way
Seattle, WA 98103
Tel.: (206) 633-1110
Dennis Massoth, Owner.
Primary Market Areas: Southwest Pacific Coast, Pacific Northwest, British Columbia, Canada.
Products: Hoses and fittings; Pumps, general; Toilets, holding tanks; Toilets, marine; Valves; Waste water treatment equipment.

The Marine Supply & Oil Co.

150 Riberia St., P.O. Box 173
St. Augustine, FL 32084
Tel.: (904) 829-2271
Darrell R. Poli, Vice President.
Primary Market Areas: South Atlantic States, Gulf Coast States, Latin America.
Products: Alarms and security systems; Anchors; Batteries, chargers and accesories; Blocks, fishing; Buoys and floats; Canvas products; Caulking and sealants; Chains and fittings; Charts, underwater cables; Cleaners, marine; Coatings and preservatives; Commercial fishing gear, general (see specific product headings); Compasses, electronic, gyro and magnetic; Controls, cable and remote; Control systems, electolysis, zincs and corrosion; Controls, engine; Coolant systems; Doors, trawl; Electric motors, components and accessories; Electronics, automatic pilots; EPIRBS (Emergency Position Indicating Radio Beacons); Fenders; Filters, general; Gaffs and harpoons; Generators; Gurdies and downriggers; Hardware, deck gear and fittings; Hatches and doors; Haulers, jigging; Haulers, longline; Haulers, pot; Hoists, boat; Hoists, general; Horns; Hoses and fittings; Instrument and electrical panels; Insulation; Knives; Lights, marine; Marine engines, mufflers; Navigation instruments, non-electronic; Nets, accessories and gear (including trawling equipment); Nets, fishing; Nets, repair tools; Oars; Petroleum products; Ports and windows, marine; Preservatives; Propellers, shafts, bearings and nozzles; Propellers; Protective clothing; Pumps, general; Radar reflectors; Reels, fishing; Rigging and gear, general; Rope, cordage and twine; Rudders and struts; Scales; Stabilizers; Steering systems; Stoves and heaters; components and fuel; Survival equipment; Toilets, holding tanks; Toilets, marine; Trolling tackle and gear; Valves; Ventilation systems; Ventilators; Wash-down equipment; Water systems; Winches and components; Wire rope and cable.

Marine Systems, Inc.

482 Gooseberry Rd., P.O. Box 129
Wakefield, RI 02880
Tel.: (401) 789-7189
Michael A. Waldman, Vice President.
Primary Market Areas: Mid-Atlantic States.
Products: Air systems; Anchors; Batteries, chargers and accesories; Blocks, fishing; Boatbuilding material, resins, fiberglass, adhesives; Chains and fittings; Cleaners, marine; Coatings and preservatives; Compressors, air; Controls, cable and remote; Control systems, electolysis, zincs and corrosion; Controls, engine; Controls, water level; De-icing equipment; Docks; Electric motors, components and accessories; Electric switches; Fabrication, custom; Fenders; Filters, general; Fuel systems; Fuel, water separator; Generators; Hardware, deck gear and fittings; Hatches and doors; Haulers, net; Haulers, power blocks; Hoists, general; Hydraulic systems and components; Instrument and electrical panels; Ladders, ramps and gangways; Lights, marine; Lubricants and lubricating systems; Marine engines; inboard, gasoline and diesel; Marine engines; backfire, flame and explosion arrestors; Marine engines, components and accessories; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, instruments; Marine engines, mounts; Marine engines, mufflers; Marine engines, oil analysis and service; Marine engines, water separators and detectors; Masts and gallows; Net reels; Petroleum products; Ports and windows, marine; Power take-offs; Pumps, general; Steering systems; Toilets, holding tanks; Toilets, marine; Water systems; Winches and components; Wire rope and cable.

Maritime Communications, Inc.

377 Woodcleft Ave.
Freeport, NY 11520
Tel.: (516) 623-4421
Frank J. Cizin, President.
Primary Market Areas: Mid-Atlantic States.
Products: Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, depth recorders and fish finders; Electronics, loran; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons).

Maritime Electronics
605 N. Main St.
Chincoteague, VA 23336
Tel.: (804) 336-5335
Thomas E. Brown, Owner.
Primary Market Areas: Mid-Atlantic States.
Products: Alarms and security systems; Antennas, radio/television; Caulking and sealants; Compasses, electronic, gyro and magnetic; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, celestial navigation; Electronics, depth recorders and fish finders; Electronics, fixed gear locators; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons); Loud hailers; Weather chart facsimile recorders; Weather instruments.

Maritronics Co.
Foot of Commerce St.
Norwalk, CT 06850
Tel.: (203) 853-1174
Paul J. Tomko, Owner.
Primary Market Areas: Southwestern Connecticut.
Products: Antennas, radio/television; Batteries, chargers and accesories; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, celestial navigation; Electronics, depth recorders and fish finders; Electronics, fixed gear locators; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons); Loud hailers.

Marland Enterprises Corp.
4401 23rd Ave. W.
Seattle, WA 98199
Tel.: (206) 284-3906
David R. Busch, Sales Manager.
Primary Market Areas: Pacific Northwest.
Products: Anchors; Antennas, radio/television; Batteries, chargers and accesories; Buoys and floats; Caulking and sealants; Charts, underwater cables; Cleaners, marine; Clocks and chronometers; Coatings and preservatives; Compasses, electronic, gyro and magnetic; Control systems, electolysis, zincs and corrosion; Dehumidifiers; Electronics, automatic direction finders; Electronics, depth recorders and fish finders; Electronics, loran; Electronics, radio direction finders; Electronics, radiotelephones; EPIRBS (Emergency Position Indicating Radio Beacons); Fenders; Filters, general; Fuel, water separator; Hardware, deck gear and fittings; Horns; Hoses and fittings; Lights, marine; Loud hailers; Marine engines, instruments; Marine engines, mufflers; Navigation instruments, non-electronic; Oars; Preservatives; Protective clothing; Pumps, general; Radar reflectors; Rope, cordage and twine; Stoves and heaters; components and fuel; Survival equipment; Toilets, holding tanks; Toilets, marine; Ventilators; Waste water treatment equipment; Water desalinators; Water systems; Weather instruments.

Marlin Products
P.O. Box 1625
Summerside, PEI C1N 2V5
Tel.: (902) 436-2163
Martin A. Heisler, Manager.
Parent Co.: Curran & Briggs Ltd.
Primary Market Areas: Canadian maritime provinces, New England.
Products: Blocks, fishing; Commercial fishing gear, general (see specific product headings); Compasses, electronic, gyro and magnetic; Controls, cable and remote; Controls, engine; Drums, seine; Electric switches; Electronics, automatic pilots; Electronics, depth recorders and fish finders; Fabrication, custom; Haulers, net; Haulers, pot; Haulers, power blocks; Hoses and fittings; Hydraulic systems and components; Instrument and electrical panels; Marine engines; inboard, gasoline and diesel; Marine engines; backfire, flame and explosion arrestors; Marine engines, components and accessories; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, instruments; Marine engines, mounts; Marine engines, outboard diesel; Marine engines, outboard, gasoline; Net reels; Power take-offs; Propellers, shafts, bearings and nozzles; Propellers; Reels, fishing; Repair kits; Sandblasting equipment; Scales; Seaweed harvesting equipment; Steering systems; Trailers and accessories; Trolling tackle and gear; Valves; Winches and components; Wire rope and cable.

* Marspec Inc.
P.O. Box 636
Provincetown, MA 02657
Tel.: (617) 487-1730
Primary Market Areas: New England, Mid-Atlantic States, South Atlantic States, Great Lakes States.
Products: Chains and fittings; Commercial fishing gear, general (see specific product headings); Hardware, deck gear and fittings; Knives; Oars; Protective clothing; Rope, cordage and twine; Survival equipment.

Marysville Marine Distributors, Inc.
1551 Michigan Ave., P.O. Box 61
Marysville, MI 48040
Tel.: (313) 364-7653
R. D. Smith, Vice President.
Primary Market Areas: Great Lakes States.
Products: Fuel, water separator; Generators; Marine engines; inboard, gasoline and diesel; Marine engines, components and accessories; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, instruments; Marine engines, mounts; Marine engines, stern drivers.

Master Mariner Ind.
1900 N. Northlake Way
Seattle, WA 98103
Tel.: (206) 632-4622
Doolie W. Pierce or Frank Ziemba.
Primary Market Areas: Pacific Northwest.
Products: Antennas, radio/television; Batteries, chargers and accesories; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, celestial navigation; Electronics, depth recorders and fish finders; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, satellite navigation systems; Instrument and electrical panels; Loud hailers; Refrigeration; Steering systems; Water desalinators; Weather chart facsimile recorders; Weather instruments.

Matt's Marine Diesel Services Ltd.
P.O. Box 274, Cow Bay Rd.
Prince Rupert, BC V8J 3P6 Canada
Tel.: (604) 627-1662
Matt Groenendyk, President.
Primary Market Areas: Pacific Northwest.
Products: Batteries, chargers and accesories; Controls, engine; Filters, general; Fuel systems; Fuel, water separator; Hoses and fittings; Instrument and electrical panels; Manne engines; inboard, gasoline and diesel; Marine engines, components and accessories; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, mufflers; Power take-offs; Pumps, general.

Mechanical Piping, Inc.
37 Jefferson Ave.
Newport News, VA 23607
Tel.: (804) 245-3266
J.N. Quisenberry, General Manager.
Primary Market Areas: Mid-Atlantic States.
Products: Anchors; Blocks, fishing; Chains and fittings; Compressors, air; Controls, cable and remote; Control systems, electolysis, zincs and corrosion; Controls, engine; Electric motors, components and accessories; Electric switches; Fabrication, custom; Fastenings; Hardware, deck gear and fittings; Hatches and doors; Propellers, shafts, bearings and nozzles; Pumps, general; Rigging and gear, general; Rope, cordage and twine; Valves; Wire rope and cable.

Mel Barr Co., Inc.
P.O. Box 304
Roche Harbor, WA 98250
Tel.: (206) 378-4841
Bruce M. Barr, President.
Primary Market Areas: Pacific Northwest, B.C., Canada.
Products: Anchors; Batteries, chargers and accesories; Electric switches; Firefighting equipment; Hardware, deck gear and fittings; Hatches and doors; Hoses and fittings; Instrument and electrical panels; Ports and windows, marine.

Memphis Net & Twine Co., Inc.
2481 Matthews Ave., P.O. Box 8331
Memphis, TN 38108
Tel.: (901) 458-2656
TWX Cable: MEMNET
Louis D. Casteel, Vice President, General Manager.
Primary Market Areas: National, Africa, Latin America.
Products: Bait lines, bait bags; Buoys and floats; Coatings and preservatives; Commercial fishing gear, general (see specific product headings); Doors, trawl; Electronics, depth recorders and fish finders; Haulers, longline; Knives; Nets, accessories and gear (including trawling equipment); Nets, fishing; Preservatives; Propellers; Protective clothing; Rope, cordage and twine; Scales; Spark plugs.

Menzel Bros
P.O. Box 399
Toano, VA 23168
Tel.: (804) 564-3324
Brian M. Menzel, Owner.
Primary Market Areas: Mid-Atlantic States, South Atlantic States, Great Lakes States.
Products: Buoys and floats; Coatings and preservatives; Commercial fishing gear, general (see specific product headings); Nets, fishing; Preservatives; Rope, cordage and twine.

Merriam Instruments, Inc
697 Tillinghast Rd.
East Greenwich, RI 02818
Tel.: (401) 884-1710
Robert W. Merriam, President.
Primary Market Areas: New England.
Branches & Personnel:
Paul Merriam, Sales Engineer.
Galilee, Point Judith
Narragansett, RI 02882
Tel.: (401) 783-7335
Products: Alarms and security systems; Antennas, radio/television; Batteries, chargers and accesories; Compasses, electronic, gyro and magnetic; Electric switches; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, celestial navigation; Electronics, depth recorders and fish finders; Electronics, fixed gear locators; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotele-

phone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons); Horns; Loud hailers.

Metritape, Inc.

33 Bradford St.
Concord, MA 01742
Tel.: (617) 369-7500
Telex: 92-3492
Ann H. Essman, Sales Engineer.
Primary Market Areas: Worldwide.
Products: Controls, water level.

Mi Prop, Inc.

2051 N.W. 11 St.
Miami, FL 33125
Tel.: (305) 642-6291
Wilbur L. Tabbutt, Vice President.
Primary Market Areas: South Atlantic States.
Products: Bow thrusters; Compasses, electronic, gyro and magnetic; Hoses and fittings; Hydraulic systems and components; Steering systems.

Miami Propeller Company

2051 N.W. 11th St.
Miami, FL 33125
Tel.: (305) 643-1336
Telex: ALL MAR 515716
Jim F. Baur, President.
Primary Market Areas: South Atlantic States, Latin America and the Carribbean Islands.
Branches & Personnel:
General Propeller Company
George Rauch, President.
1415 Ninth Ave. East
Bradenton, FL 33508
Tel.: (813) 748-1527
Products: Bow thrusters; Propellers, shafts, bearings and nozzles; Propellers; Rudders and struts.

Michigan Wheel Corp., Subsidiary of Dana Corp.

1501 Buchanan S.W.
Grand Rapids, MI 49507
Tel.: (616) 452-6941
Telex: 22-6444
D. L. Lancioni, Sales Manager.
Parent Co.: Dana Corp.
Primary Market Areas: Worldwide.
Branches & Personnel:
Coolidge Propellers
Harry Ginther, General Manager.
1910 Fairview Ave. E.
Seattle, WA 98102
Tel.: (206) 325-9414
Telex: 320315

Michigan Wheel Gulf Coast
Eldon Lorenz, General Manager.
3719 Industrial Rd.
Pascagoula, MS 39567
Tel.: (601) 762-0728
Telex: 589938
Products: Bow thrusters; Propellers, shafts, bearings and nozzles; Propellers.

Micro Marine, Inc.

2235 Micro Pl.
Escondido, CA 92025
Tel.: (714) 741-6660
TWX 910-322-1156
George Acquavella, President.
Primary Market Areas: Worldwide.
Products: Antennas, radio/television; Electronics, celestial navigation; Electronics, loran; Electronics, omega; Electronics, radiotelephones.

Mid-City Steel

548 State Rd.
Westport, MA 02790
Tel.: (617) 675-7831
R. von See, Director.
Primary Market Areas: National, England, Spain, Netherlands, Africa.
Products: Chains and fittings; Commercial fishing gear, general (see specific product headings); Oil pollution barriers; Pots and traps.

Miller Marine Services, Inc.

2612 Dogwood Ave. B-7
Savannah, GA 31404
Tel.: (912) 352-2777
Charles E. Miller, Jr., President.
Primary Market Areas: South Atlantic States.
Products: Batteries, chargers and accesories; Compasses, electronic, gyro and magnetic; Controls, cable and remote; Controls, engine; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, depth recorders and fish finders; Electronics, loran; Electronics, radio direction finders; Electronics, radiotelephones; Fuel, water separator; Generators; Horns; Instrument and electrical panels; Marine engines; inboard, gasoline and diesel; Marine engines; backfire, flame and explosion arrestors; Marine engines, components and accessories; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, instruments; Marine engines, mounts; Marine engines, water separators and detectors; Propellers; Refrigeration; Spark plugs; Steering systems; Toilets, holding tanks; Toilets, marine; Water systems.

Mobile Ship Chandlery, Inc.

251 N. Joachim St., P.O. Box 149
Mobile, AL 36601
Tel.: (205) 432-3501
Telex: 505558
Geoffrey A. McGovern, Vice President.
Primary Market Areas: Gulf Coast States.
Products: Alarms and security systems; Anchors; Batteries, chargers and accesories; Blocks, fishing; Boatbuilding material, resins, fiberglass, adhesives; Buoys and floats; Buoys and floats, anchor-raising; Caulking and sealants; Chains and fittings; Charts, underwater cables; Cleaners, marine; Clocks and chronometers; Coatings and preservatives; Compasses, electronic, gyro and magnetic; Controls, cable and remote; Control systems, electrolysis, zincs and corrosion; Doors, trawl; EPIRBS (Emergency Position Indicating Radio Beacons); Fenders; Firefighting equipment; Hardware, deck gear and fittings; Hatches and doors; Horns; Knives; Ladders, ramps and gangways; Lights, marine; Loud hailers; Navigation instruments, non-electronic; Oars; Oil pollution barriers; Ports and windows, marine; Preservatives; Protective clothing; Pumps, general; Rope, cordage and twine; Stoves and heaters; components and fuel; Survival equipment; Toilets, holding tanks; Toilets, marine; Ventilators; Wash-down equipment; Water desalinators; Weather chart facsimile recorders; Water systems; Weather instruments; Winches and components; Wire rope and cable.

Montauk Marine

P.O. Box 610, West Lake Dr.
Montauk, NY 11954
Tel.: (516) 668-5900
Carl J. Darenbig, President.
Primary Market Areas: Mid-Atlantic States.
Products: Anchors; Antennas, radio/television; Batteries, chargers and accesories; Buoys and floats; Caulking and sealants; Charts, underwater cables; Cleaners, marine; Clocks and chronometers; Coatings and preservatives; Commercial fishing gear, general (see specific product headings); Controls, cable and remote; Controls, engine; Coolant systems; Fenders; Filters, general; Firefighting equipment; Fuel systems; Fuel, water separator; Gaffs and harpoons; Hardware, deck gear and fittings; Horns; Hoses and fittings; Hydraulic systems and components; Instrument and electrical panels; Lights, marine; Loud hailers; Lubricants and lubricating systems; Marine engines, inboard, gasoline and diesel; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, instruments; Marine engines, mounts; Marine engines, mufflers; Marine engines, oil analysis and service; Marine engines, outboard, gasoline; Marine engines, stern drivers; Marine engines, water separators and detectors; Propellers; Pumps, general; Radar reflectors; Reels, fishing; Repair kits; Rigging and gear, general; Rope, cordage and twine; Spark plugs; Steering systems; Survival equipment; Toilets, holding tanks; Toilets, marine; Trailers and accessories; Wash-down equipment; Weather instruments; Wire rope and cable.

Morris Whaley, Inc.

2605 Fairve St.
Chula Vista, CA 92011
Tel.: (714) 423-4053
Telex: 181 780
Faustino J. Medina, General Manager.
Primary Market Areas: National, Mexico, Japan, France, Spain, Panama, Peru, Canada, New Zealand, South Africa.
Branches & Personnel:
American Boat & Ship Repair
John Mournian, General Manager.
2605 Fairve St.
Chula Vista, CA 92011
Tel.: (714) 423-4053 or 429-9191
Telex: 181 780
Products: Commercial fishing gear, general (see specific product headings); Fabrication, custom; Nets, accessories and gear (including trawling equipment); Refrigeration; Trolling tackle and gear; Winches and components.

Moss Landing Marine Supply

P.O. Box 55
Moss Landing, CA 95039
Tel.: (408) 633-3350 or 633-2133
Leonard Shirrel, Owner.
Primary Market Areas: Southwest Pacific Coast, Pacific Northwest.
Products: Alarms and security systems; Anchors; Antennas, radio/television; Batteries, chargers and accesories; Blocks, fishing; Boatbuilding material, resins, fiberglass, adhesives; Buoys and floats; Buoys and floats, anchor-raising; Canvas products; Caulking and sealants; Chains and fittings; Charts, underwater cables; Cleaners, marine; Clocks and chronometers; Coatings and preservatives; Commercial fishing gear, general (see specific product headings); Compasses, electronic, gyro and magnetic; Controls, cable and remote; Control systems, electolysis, zincs and corrosion; Controls, engine; Controls, water level; Doors, trawl; Electric motors, components and accessories; Electric switches; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, celestial navigation; Electronics, depth recorders and fish finders; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons); Fenders; Filters, general; Firefighting equipment; Fuel systems; Fuel, water separator; Gaffs and harpoons; Generators; Gurdies and downriggers; Hardware, deck gear and fittings; Hatches and doors; Haulers, pot; Haulers, power blocks; Horns; Hoses and fittings; Hydraulic systems and components; Instrument and electrical panels; Knives; Lights, marine; Loud hailers; Lubricants and lubricating systems; Marine engines, instruments; Marine engines, mounts; Marine engines, mufflers; Nets, accessories and gear (including trawling equipment); Nets, fishing; Nets, repair tools; Oars; Petroleum products; Ports and windows, marine; Propellers, shafts, bearings and nozzles; Protective clothing; Pumps, general; Radar reflectors; Rigging and gear, general; Rope, cordage

and twine; Scales; Stabilizers; Steering systems; Stoves and heaters; components and fuel; Survival equipment; Toilets, holding tanks; Toilets, marine; Trolling tackle and gear; Valves; Water desalinators; Winches and components; Wire rope and cable.

Muscongus Marina and Building

Muscongus Rd.
Medomak, ME 04551
Tel.: (207) 529-5357
Nelson W., Webber and Helen E. Webber, Owners.
Primary Market Areas: New England, Mid-Atlantic States.
Products: Anchors; Antennas, radio/television; Bait lines, bait bags; Batteries, chargers and accesories; Blocks, fishing; Buoys and floats; Buoys and floats, anchor-raising; Caulking and sealants; Chains and fittings, Clam hoes (rakes); Cleaners, marine; Clocks and chronometers; Coatings and preservatives; Commercial fishing gear, general (see specific product headings); Compasses, electronic, gyro and magnetic; Containers, fish; Controls, cable and remote; Control systems, electolysis, zincs and corrosion; Controls, engine; Controls, water level; Cookers, shellfish; Coolant systems; Docks; Electric motors, components and accessories; Electric switches; Electronics, depth recorders and fish finders; Fenders; Firefighting equipment; Fuel systems; Gaffs and harpoons; Hardware, deck gear and fittings; Hatches and doors; Haulers, pot; Haulers, power blocks; Horns; Hoses and fittings; Hydraulic systems and components; Instrument and electrical panels; Knives; Ladders, ramps and gangways; Lights, marine; Lubricants and lubricating systems; Marine engines, inboard, gasoline and diesel; Marine engines, components and accessories; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, instruments; Marine engines, mounts; Marine engines, mufflers; Marine engines, outboard, gasoline; Navigation instruments, non-electronic; Nets, fishing; Nets, repair tools; Oars; Oil pollution barriers; Petroleum products; Plugs, lobster; Ports and windows, marine; Preservatives; Propellers, shafts, bearings and nozzles; Propellers; Protective clothing; Pumps, general; Radar reflectors; Repair kits; Rigging and gear, general; Rope, cordage and twine; Rudders and struts; Scales; Spark plugs; Stabilizers; Steering systems; Stoves and heaters; components and fuel; Survival equipment; Toilets, holding tanks; Toilets, marine; Trailers and accessories; Trolling tackle and gear; Valves; Ventilation systems; Ventilators; Wash-down equipment; Water systems; Weather instruments; Winches and components; Wire rope and cable.

N C Marine

2500 West Lake Ave. N.
Seattle, WA 98109
Tel.: (206) 282-6800
Telex: 32-1245
Wayne Morris, Sales Manager.
Parent Co.: Northern Commercial Co.
Primary Market Areas: Western Washington and Alaska.
Branches & Personnel:
N C Machinery Co.
Jack Scoby, Branch Manager.
6450 Arctic Blvd.
Anchorage, AK 99502

Gary D. Sorg, Manager.
Parent Co.: Palmer Johnson, Inc.
Primary Market Areas: Great Lakes States.
Branches & Personnel:
Herb Frea, Parts Manager.
61 Michigan St.
Sturgeon Bay, WI 54235
Tel.: (414) 743-4412
Telex: 263439
Products: Marine engines, gears (reducing and reversing) and transmissions.

Pan American Systems Corp.

P.O. Drawer 400
Belle Chasse, LA 70037
Tel.: (504) 656-2291
TWX 810-950-6623
Rolando E. Timm, President.
Primary Market Areas: National, Singapore, Saudi Arabia.
Branches & Personnel:
Sensor Manufacturing Corp.
Ben Hurd, Sales Representative.
P.O. Box 276
Belle Chasse, LA 70037
Tel.: (504) 656-2296
Products: Alarms and security systems; Controls, engine; Controls, water level.

Parisi Plastic Fishing Gear, Inc.

27 Commercial St.
Gloucester, MA 01930
Tel.: (617) 281-1600
Sam A. Parisi, Manager/Part owner.
Parent Co.: D/B/A Parisi's Marine
Primary Market Areas: New England.
Products: Anchors; Bait lines, bait bags; Batteries, chargers and accesories; Blocks, fishing; Buoys and floats; Buoys and floats, anchor-raising; Canvas products; Caulking and sealants; Chains and fittings; Charts, underwater cables; Cleaners, marine; Commercial fishing gear, general (see specific product headings); Compasses, electronic, gyro and magnetic; Fenders; Gaffs and harpoons; Hardware, deck gear and fittings; Knives; Lights, marine; Nets, accessories and gear (including trawling equipment); Nets, fishing; Nets, repair tools; Oars; Plugs, lobster; Pots and traps; Protective clothing; Pumps, general; Radar reflectors; Reels, fishing; Repair kits; Rigging and gear, general; Rope, cordage and twine; Survival equipment; Wire rope and cable.

Peconic Electronics

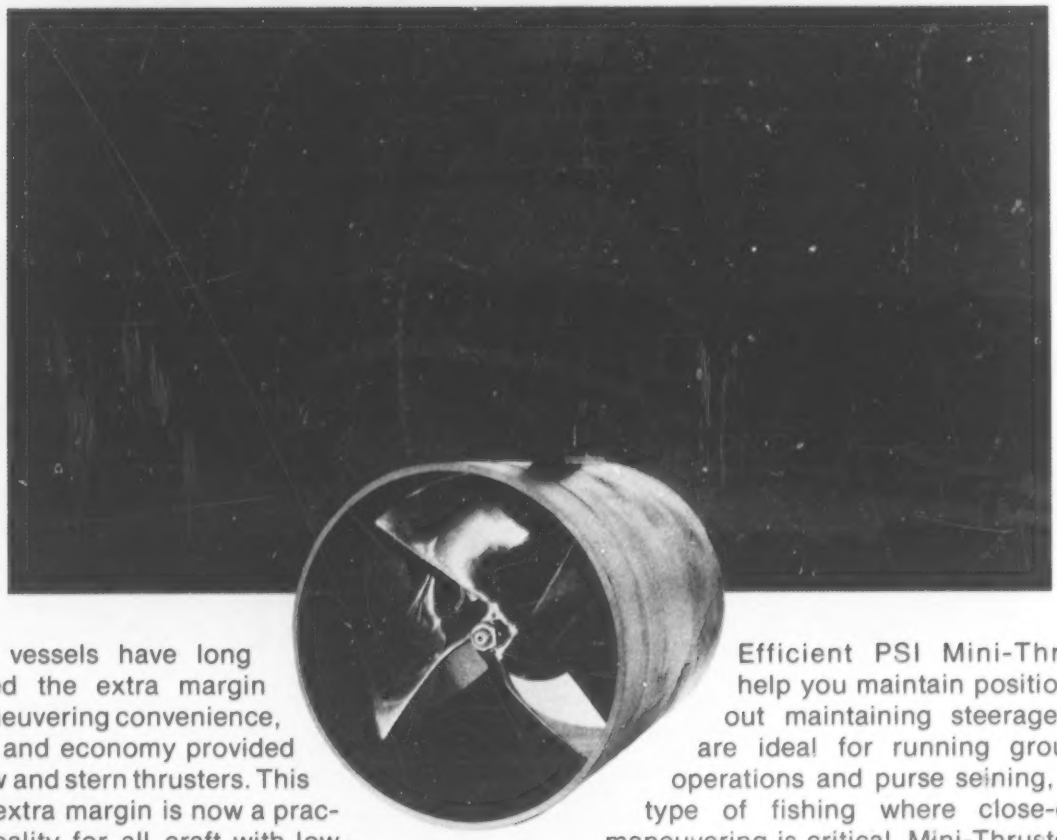
146 Montauk Hwy.
Hampton Bays, NY 11946
Tel.: (516) 728-3786
Brewster H. Griffing, President.
Parent Co.: Baytronics Industries, Inc.
Primary Market Areas: Long Island, NY.
Products: Antennas, radio/television; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, depth recorders and fish finders; Electronics, loran; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; EPIRBS (Emergency Position Indicating Radio Beacons); Loud hailers.

Peninsular Marine Enterprises

P.O. Box 2251, 7 Peninsular Ave
Key West, FL 33040
Tel.: (305) 294-5488
Parent Co.: Mirig Seafood
Primary Market Areas: FL.
Branches & Personnel:
Broad Marine
310 Franklin St.
Boston, MA 02110
Tel.: (617) 423-3544

Penske GM Power, Inc.

180 Rte. 17 South
Lodi, NJ 07644
Tel.: (201) 489-5800
Harry R. King, Sales Coordinator.
Parent Co.: Penske Corp.
Primary Market Areas: New England, Mid-Atlantic States.
Products: Generators; Marine engines; inboard, gasoline and diesel; Marine engines, gears (reducing and reversing) and transmissions.



Large vessels have long enjoyed the extra margin of maneuvering convenience, safety and economy provided by bow and stern thrusters. This same extra margin is now a practical reality for all craft with low-cost, efficient Mini-Thrusters® developed by Propulsion Systems, Inc. Available in 16 and 24 inch diameter models, hydraulically powered, with ratings from 25 to 110 h.p., PSI Mini-Thrusters® should be an integral part of your new boat plans or between-season overhaul.

Efficient PSI Mini-Thrusters® help you maintain position without maintaining steerage. They are ideal for running groundline operations and purse seining, or any type of fishing where close-quarter maneuvering is critical. Mini-Thrusters® can also be coupled to your auto pilot for the ultimate in precision maneuverability.

Available for immediate delivery. For specifications, pricing, financing information and dealer listing, return the coupon below or call Peder Wennberg, Jr. at PSI.

PSI MAKES MINI-THRUSTERS®

TO PROVIDE THAT EXTRA MARGIN!

Seattle, WA
Tel.: (206) 789-1198
Products: Alarms and security systems; Antennas, radio/television; Clocks and chronometers; Compasses, electronic, gyro and magnetic; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, celestial navigation; Electronics, depth recorders and fish finders; Electronics, fixed gear locators; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons); Instrument and electrical panels; Loud hailers; Marine engines, instruments; Navigation instruments, non-electronic; Radar reflectors; Weather chart facsimile recorders.

* R. A. Mitchell Co., Inc.
76 Main St.
Fairhaven, MA 02719
Tel.: (617) 999-5685
Bob Mitchell, President.
Primary Market Areas: National, Ecuador, Peru.
Products: Generators; Marine engines, inboard, gasoline and diesel.

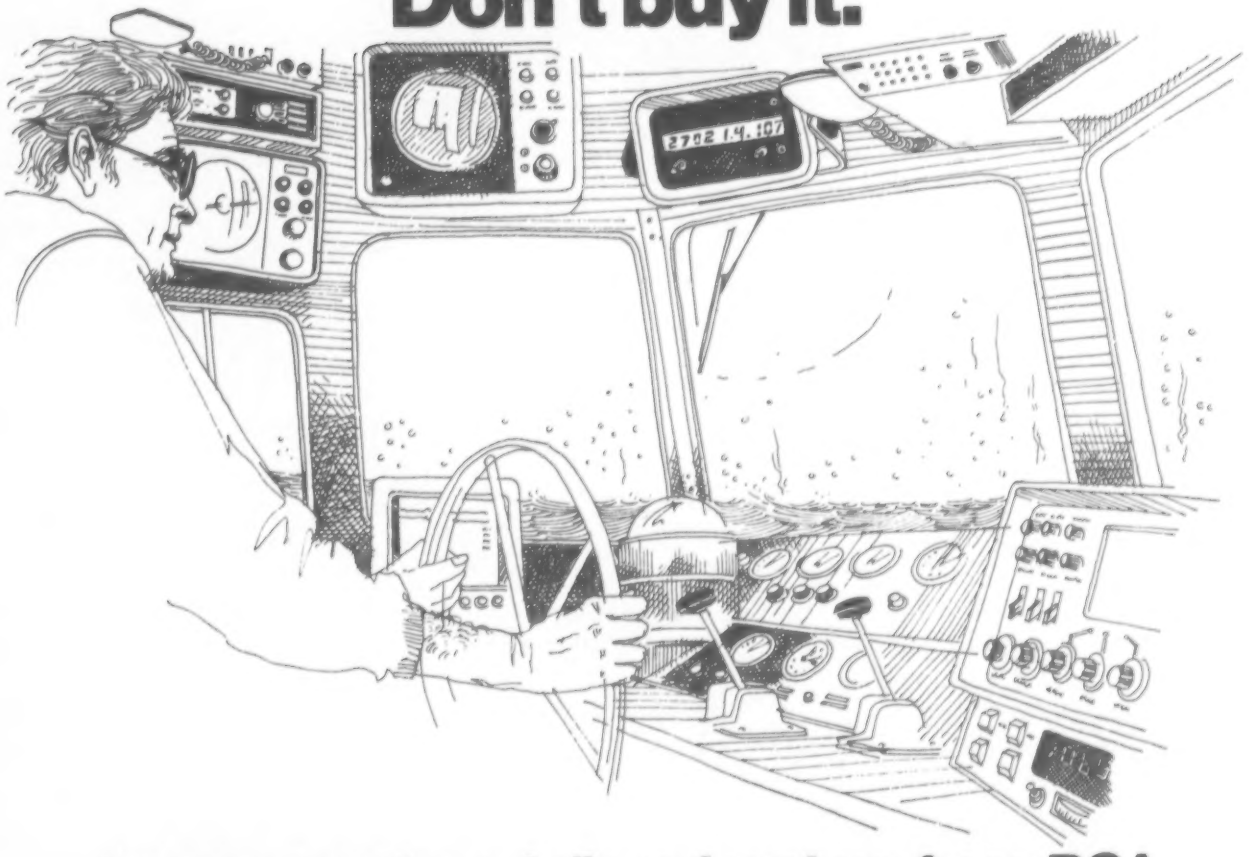
R.H. Sassaman Co., Inc.
2756 Dauphin Island Pkwy., P.O. Box 5287
Mobile, AL 36605
Tel.: (205) 476-1541
Robert H. Sassaman, President.
Primary Market Areas: Mobile, Alabama.
Products: Alarms and security systems; Antennas, radio/television; Batteries, chargers and accesories; Compasses, electronic, gyro and magnetic; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, celestial navigation; Electronics, depth recorders and fish finders; Electronics, fixed gear locators; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons); Loud hailers; Radar reflectors; Weather chart facsimile recorders; Weather instruments.

R W Marine
15335 N.E. 92nd St.
Redmond, WA 98052
Tel.: (206) 454-0153
Robert W. Preus, Owner.
Primary Market Areas: Pacific Northwest.
Products: Anchors; Antennas, radio/television; Batteries, chargers and accesories; Buoys and floats; Buoys and floats, anchor-raising; Caulking and sealants; Chains and fittings; Coatings and preservatives; Commercial fishing gear, general (see specific product headings); Compasses, electronic, gyro and magnetic; Controls, cable and remote; Controls, engine; Drums, seine; Electric motors, components and accessories; Electric switches; Electronics, depth recorders and fish finders; Electronics, radio direction finders; Electronics, radiotelephones; Fenders; Firefighting equipment; Fuel systems; Fuel, water separator; Generators; Gurdies and downriggers; Hardware, deck gear and fittings; Hatches and doors; Lights, marine; Marine engines; inboard, gasoline and diesel; Marine engines; backfire, flame and explosion arrestors; Marine engines, components and accessories; Marine engines, gears (reducing and reversing) and transmissions; Marine engines, instruments; Marine engines, jet drives; Marine engines, mounts; Marine engines, mufflers; Marine engines, outboard electric; Marine engines, outboard, gasoline; Marine engines, stern drivers; Marine engines, water separators and detectors; Navigation instruments, non-electronic; Ports and windows, marine; Propellers, shafts, bearings and nozzles; Propellers; Pumps, general; Radar reflectors; Rope, cordage and twine; Rudders and struts; Stabilizers; Steering systems; Stoves and heaters; components and fuel; Survival equipment; Trailers and accessories; Trolling tackle and gear; Valves; Ventilation systems; Ventilators; Winches and components; Wire rope and cable.

RAD-COM Incorporated
122 Library Ln.
Mamaroneck, NY 10543
Tel.: (914) 698-6800
Murray Cohen, President.
Primary Market Areas: Mid-Atlantic States.
Products: Compasses, electronic, gyro and magnetic; Electronics, automatic direction finders; Electronics, automatic pilots; Electronics, celestial navigation; Electronics, depth recorders and fish finders; Electronics, fixed gear locators; Electronics, loran; Electronics, omega; Electronics, radar; Electronics, radio direction finders; Electronics, radiotelephones; Electronics, radiotelephone scramblers; Electronics, satellite navigation systems; EPIRBS (Emergency Position Indicating Radio Beacons); Fabrication, custom; Radar reflectors.

A good wheelhouse electronics system costs a small fortune.

Don't buy it.



Lease a custom-tailored system from RCA.

With a no-down-payment RCA lease, you can combine the best of all available equipment. Regardless of manufacturer. For a wheelhouse custom-tailored to your exact needs. At a cost-effective price. For example:

12 VOLT "WHEELHOUSE" EQUIPMENT PACKAGE. 5 YEAR LEASE.
PACKAGE #150
60 MONTHLY PAYMENTS @ $459.00*

(1) SITEX MODEL 23 RADAR	(1) SITEX MODEL 511A ADF
(1) SITEX MODEL 3 RADAR	(1) SGC 712-C SSB RADIO
(1) SITEX MODEL HE353 RECORDER	(2) INTECH MARINER 60 VHF RADIOS
(1) SITEX MODEL 757 LORAN C	(1) SET OF ANTENNAS FOR ABOVE ITEMS

Count on RCA as your single source for navigation and communications equipment, maintenance and financing. We also offer closed circuit television, shipboard entertainment systems, and pre-FCC inspection services. Call Carl Pepple at (609) 338-4152 or mail the coupon today.

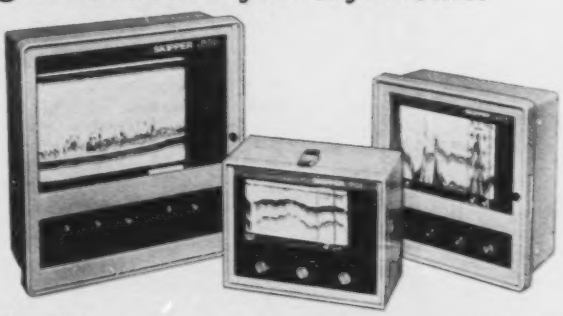
Simrad. A trusted name at sea.

Top quality professional fishfinder now in compact 4" chart size...digital readout *and bottom expansion standard!*

The **Skipper 406** is a powerful 200-watt recording echosounder with 18 basic and phased ranges from 0-24 feet down to 2400 feet. With a cabinet only 11 inches square, it is perfect for smaller fishing vessels with limited space or as a backup unit on larger boats. Yet you sacrifice nothing in performance or features. Read paper scale and bottom depth in bright digital numbers, even when the recorder is turned off to save paper. The standard zoom (bottom expander) feature enlarges a 6 to 24 foot area just above the bottom for better detection of bottomfish. One of the most sensitive, highest definition four-inch recorders you can buy, the Skipper 406 gives professional performance in a compact size.

Or choose the economical **Skipper 405**, a 100-watt unit with twelve ranges from 0-90 feet to 2100 feet. Compact 11" square case, independent digital depth readout and professional performance in a four-inch recorder...at an economical price.

Commercial quality fishfinders at an affordable price...with *digital readout in feet or fathoms.*



Skipper 802 is designed for deep-water where it can detect single fish at 150 fathoms (50 KHz) or 250 fathoms (38 KHz) and faithfully record them on wide 8" paper. It features a bright digital depth and scale readout that operates independently of the recorder to save paper, as well as optional bottom expansion for better bottomfish detection, and depth ranges from 0-30 to 0-1050 fathoms. **Skipper 603** is a very popular six-inch paper recorder that features digital depth readout, depths of 0-25 to 550 fathoms and detection of individual fish to depths of approx. 100 fathoms. Excellent for coastal or bank fishing, yet very competitively priced. Choice of 50 or 200 KHz.

And Also...Skipper 701. Ideal for shallow waters or as a backup unit. It uses 4" recording paper and is available in: shallow (0-15 to 140 fathoms), deep (0-30 to 280 fathoms), and a choice of 50 KHz or 200 KHz frequencies.

Find drifting nets fast with new radio fishing buoy

Attach a TB-528W Radio Fishing Buoy to the end of your tuna long line, drift net or gill net, and stop fuel-wasting search patterns when it's time to haul your catch aboard. Use it with one of Simrad's compatible new automatic direction finders and do away with guesswork caused by wind, current and heavy seas.

TB-528W is built tough for many years of service. It can transmit for 1,000 hours on one set of batteries, and you can "home" on your special call sign from as far as 70 miles away. It is simple and easy to use, but best of all, it's profitable.

Introducing the TL-856 Loran C Navigator.

Displays present position as loran lines of position or as Lat/Long. Memorizes ten different waypoints and calls up course and distance from your present position to any of the waypoints. Ground speed, time to destination, and cross-track error are always available. Automatically acquires and tracks master and all secondaries in a selected chain. Four tunable and two internally preset notch filters. Built-in alarm and self-test functions constantly monitor the microprocessor and the displays for accuracy.

Know where they are.

TD-L1520

Scans eight channels to let you monitor the fleet, the weather, emergency and Coast Guard transmissions. Instantly locks on a radio beam to locate other ships or navigational beacons for quick courses and fixes. Read bearing directly or on digital display. Digital readings are in one degree increments showing bearing, channel selected, and a reading of signal strength on a level meter as a measure of distance from the station. Channels include VHF, U.S. weather, 121.5 MHz and international fishing frequencies. Works year after year without motors or moving parts. Operates with our high definition Adcock antenna.

You don't just buy a radar, *you buy a reputation.*

When one of the world's foremost marine electronics companies adds a new radar to their line, you can expect something really special. And that's exactly what Simrad did. The ONX-6 is a brand new 5 KW radar with all the important features shown on the call-outs below, plus low 150 watt draw, choice of 3 or 4 ft. slotted array antenna, range resolution only 60 ft. (min. range 72 ft.) and an all electronic scope sweep with no moving parts in the display.

A. 7-inch dia. screen, with viewing hood & magnifier supplied. **B.** Variable brightness range rings. **C.** Optional Early Warning Target Alarm, scan ahead or 360° target alarm adjustable from ½ to 20 miles. **D.** Optional VRM (Variable Range Marker) with digital range readout. **E.** Selectable pulse length at 4 mile range. **F.** Eight ranges from ¼ to 32 miles (ONX-6) or 48 miles (ONX-6A).

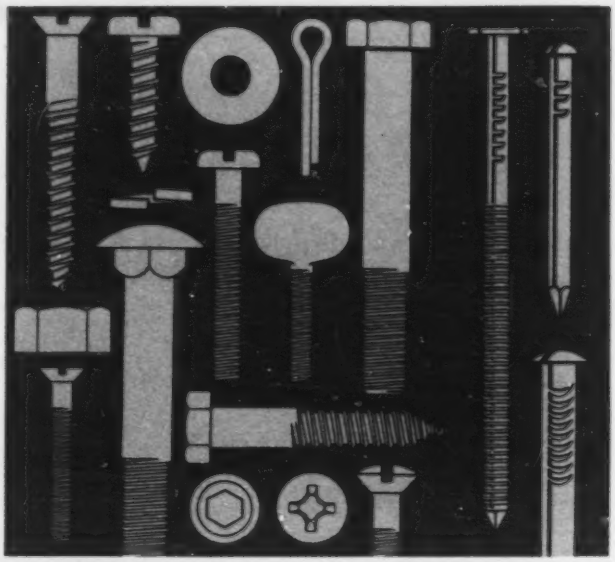
Products: Antennas, radio/television; Batteries, chargers and ac-

sta·put®

the marine fastener specialist!



We can serve your fastener requirements completely with all types and sizes of bolts, nuts, screws, washers, rivets, pins and special purpose nails in stainless steel, silicon bronze, brass and Monel.

Sta·Put® annular thread marine nails provide joint strength comparable to wood screws of similar length and gauge with the added advantages of **1) Superior withdrawal resistance, 2) Fastener weight reduction, and 3) Lower cost.**

We also offer a full range of stainless steel and nonferrous hex bolts, wood screws, carriage bolts, lag screws, and hanger bolts commonly required in marine construction applications. We're committed to being responsive to **all** your marine fastener needs and look forward to the opportunity to discuss these with you so that we may tailor our inventories to meet that objective. If it's made we have it. If it isn't, we'll make it.

Phone or write for additional marine fastener data and the name of a nearby Sta·Put® distributor.

Whatever your fastener needs call STA·PUT 301-247-5500

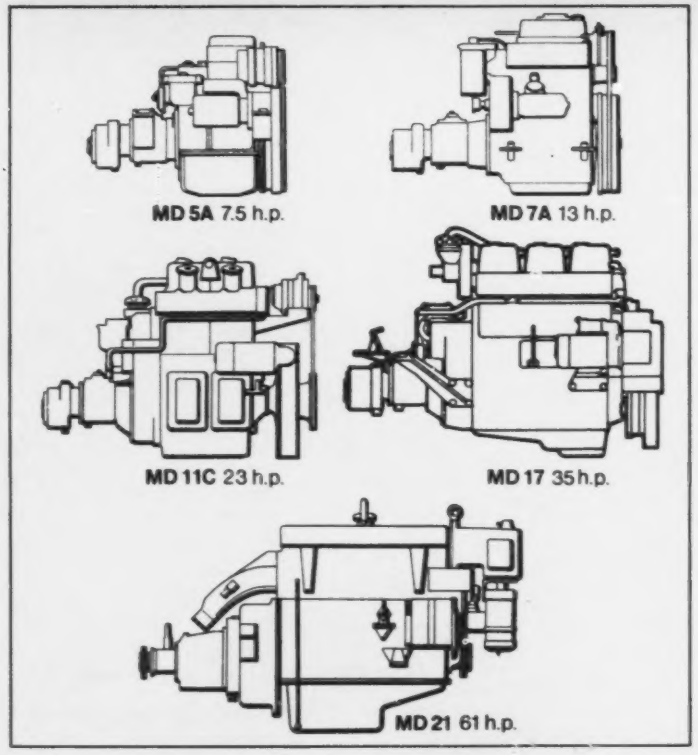
Tel.: (604) 430-3391
Telex: 04-356562
Primary Market Areas: Pacific

DIESELS FOR SAIL.



Volvo Penta auxiliary diesels are built for sail. With features that few people outside the sailing crowd can fully appreciate. Like a single lever engine control that lets the skipper keep one hand on the tiller. And a positive engine shutdown that prevents accidental engine cut-off while you're maneuvering.

But even more important than the features designed for convenience are those that give a Volvo Penta a long life. Like engine components made of non-corroding compatible metals to eliminate salt-water corrosion. A smooth, hydraulic MS GEAR instead of the troublesome chain drives common to other auxiliaries.

For fin-keeled sailboats, Volvo Penta features the S-Drive. A revolutionary sailboat drive unit that reduces vibration and eliminates stuffing box leaks.

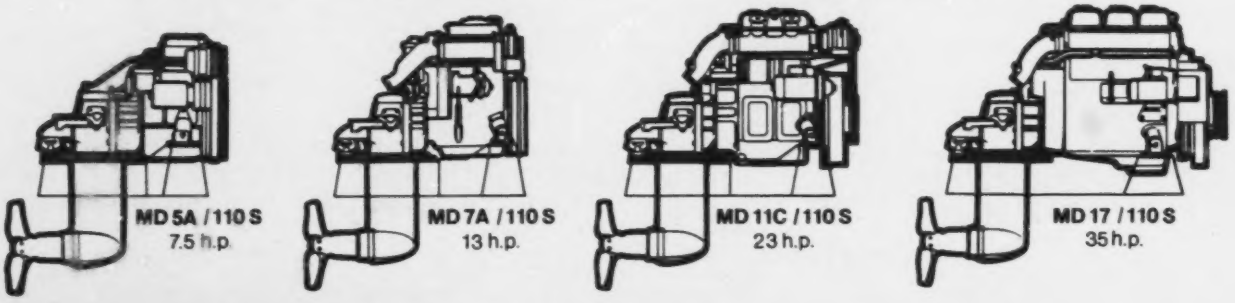
You may never need our service. But it's there when you do.

A big reason why half the world's sailors choose Volvo Penta is because our parts and service are available throughout the **world**. At over 2,000 service centers, including 350 in the U.S. All equipped with the parts, tools and training to make short work of those rare breakdowns.

And when you buy a Volvo Penta, you also get a 12 month warranty honored worldwide.

So when you're ready for an auxiliary that's ready for your sailboat, check out our complete line of diesels from 7.5 to 61 h.p.

Because every one of them is for sail.



VOLVO PENTA

Where there's an experienced sailor, there's a Volvo Penta.

Volvo Penta of America

911 Live Oak Drive • P.O. Box 1367 • Chesapeake, Virginia 23320 • (804) 424-4500

Northwest.
Products: Dehumidifiers; Generators; Marine engines; inboard, gasoline and diesel; Marine engines, components and accessories; Marine engines, instruments; Processing, onboard; Pumps, general; Refrigeration; Ventilation systems; Ventilators.

BAADER

A name that means Fish processing

Now in the U.S. as
BAADER North America

No other manufacturer of fish processing equipment can compare with Baader North America. Period!
We offer a complete line of equipment for virtually all processing operations and all species of fish, even those presently underutilized.
Baader North America has six fish processing engineers and eight technicians for consultation to solve your plant design and layout problems or handle any difficulties at a moment's notice.
Or, we can offer you a turn-key program. We will design and engineer your plant, arrange construction, help with financing, and see it is operating efficiently before you take over.
No other manufacturer can offer you such complete service because no other manufacturer has Baader's vast experience and dedication in the world market.

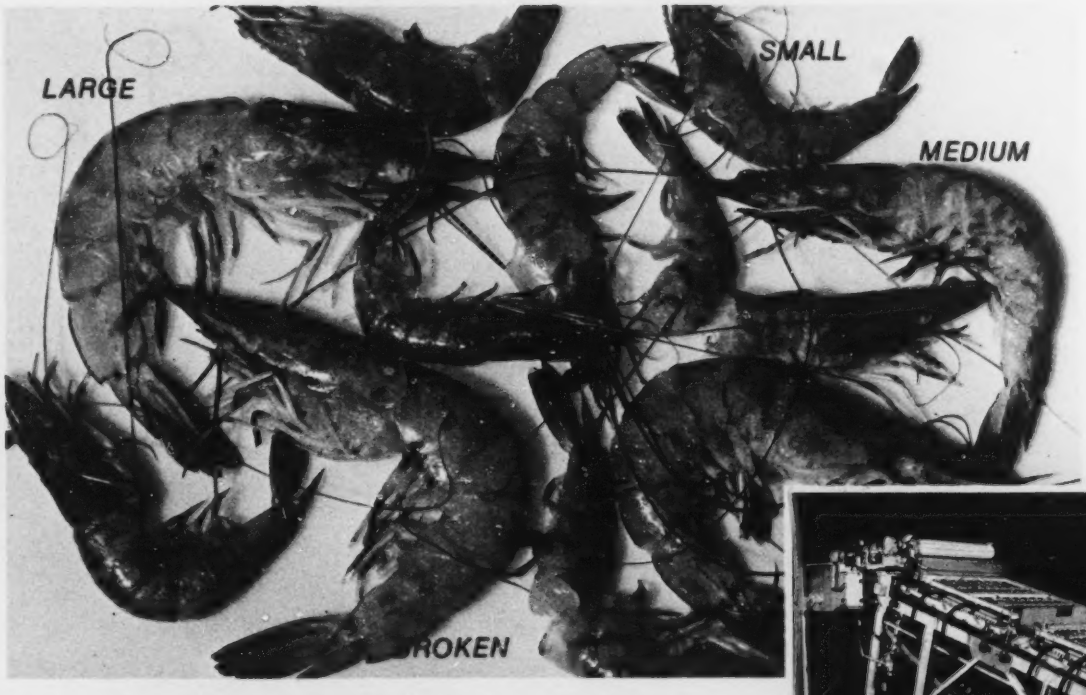
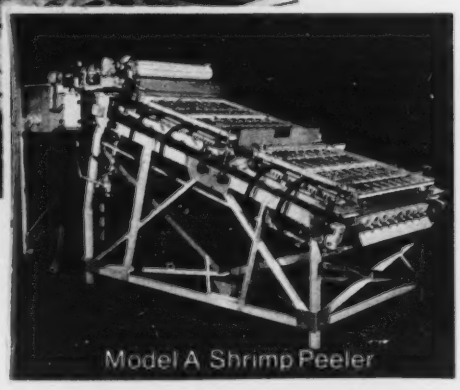
How to meet shrimp import requirements of any country in the world.





Laitram automatic shrimp peeling machinery holds down spoilage and contamination from bacteria.

Hands-off processing

Because Laitram machines are bulk loading and automatic, there is no transfer of bacteria from workers' hands.

No spoilage from holding delays

Laitram machinery is ready to work when the boats come in. Whole catches can be completely peeled in a few hours. Less refrigeration is needed and spoiling from aging is dramatically reduced.

High Capacity

Just one Laitram peeling line will fully peel 900 pounds (408 kg) of shells-on shrimp per hour. A second peeler using the same complementary equipment doubles the capacity to 1800 pounds (816 kg) per hour.

Peel any size shrimp

From the smallest shrimp to jumbo, 8-count size, all sizes of shrimp are being peeled efficiently and economically on Laitram machines throughout the world. Even broken shrimp are easily processed.

Essential in high production areas

Laitram machinery provides the only adequate method of processing great quantities of shrimp from high production areas. No other peeling method can match the high capacity, immediacy of operation and cleanliness of Laitram processing.

Sold and serviced worldwide

Laitram experienced service technicians and genuine replacement parts are available to users of Laitram machines whenever and wherever they are needed.

For complete information about bulk loading, automatic, high capacity shrimp processing: call write or wire Laitram Machinery, Inc.

ALTENPOHL Automatic Fish Sizing Systems

PRECISION SORTING AT HIGHER SPEEDS

REDUCED LABOR AND HANDLING COSTS

Altenpohl Automatic Fish Sizing Systems make it possible to sort and size with extreme accuracy—whether it involves whole fish, fillets, lobsters or lobster tails. Handles up to 6000 units per hour. Works to within a fraction of an ounce per unit if necessary.

Designed and built to operate continuously under severe moisture conditions and temperature extremes. Each installation tailored to fit your plant and type of operation. Write or telephone for catalog sheet.

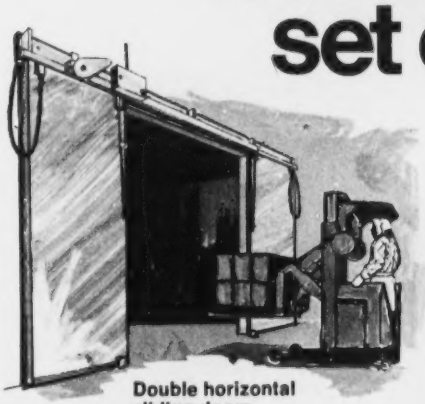
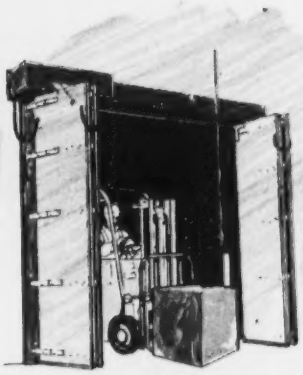
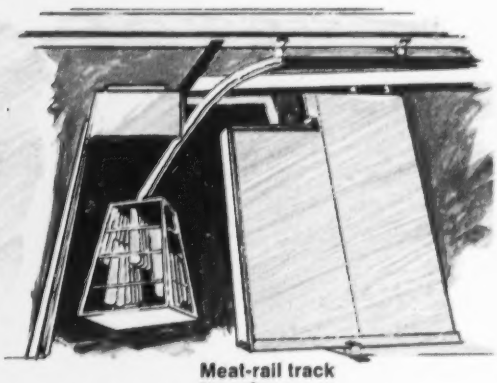
Every cold storage door installation has its own set of problems...



Double horizontal sliding doors



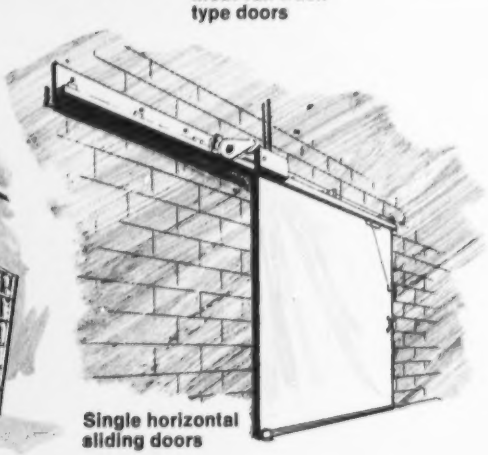
Hinged bifold doors



Meat-rail track type doors

Vertical lift doors

Kayon plastic doors



Single horizontal sliding doors

So Clark makes a whole set of solutions.

Every installation encounters different problems in materials handling, storage conditions, temperature control, humidity and building construction. That's why Clark makes the widest range of manual and automatic cold storage doors — to give you the choice needed to solve your unique problem. Select the door that best suits your needs, not one that *almost* works. Here are just six answers to your problems. Send for your free catalog to get *all* the answers.

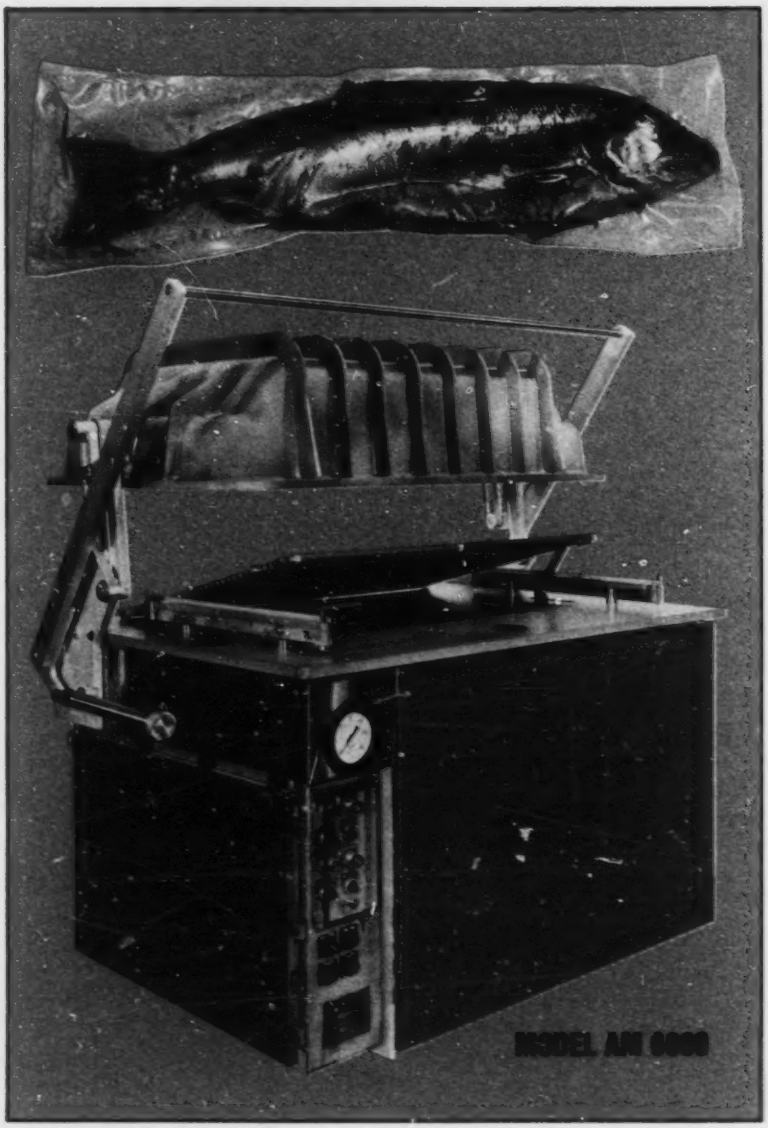
VACUUM PACKAGE WITH THE LUDLOW MARKET PAK SYSTEM



A PROVEN PACKAGING ADVANTAGE FOR ALL FISH

Market Pak uses the latest vacuum packaging technology to eliminate time-consuming glazing and re-glazing. Ludlow's high performance barrier bags and vacuum sealing equipment keep your catch fresh-tasting even after months of frozen storage!

- Retains original quality far longer in sanitary packaging
- Eliminates time-consuming glazing and re-glazing
- Prevents dehydration and freezer burn
- Protects natural oils, moisture and product appearance
- Preserves color, taste, and flavor
- Reduces handling to preserve "fresh-caught appearance"
- Reduces freight costs by eliminating heavy glaze
- Provides accurate saleable product weights
- Automatic product unloading requires only electricity
- Modular plug-in electrical components
- Rugged; reliable; easily maintained; USDA approved
- Shore or vessel installations

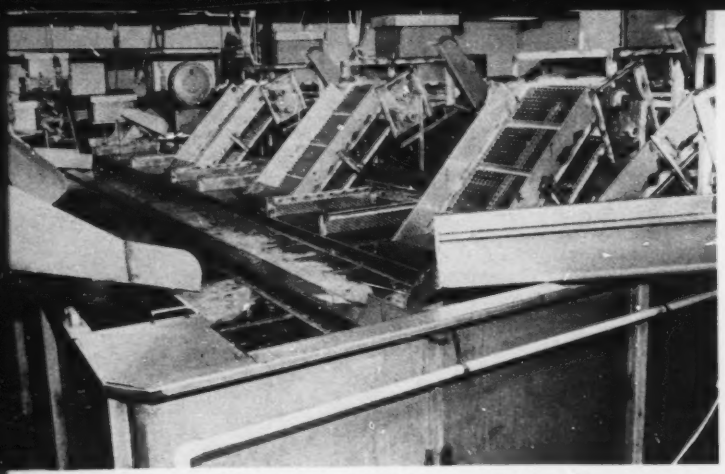
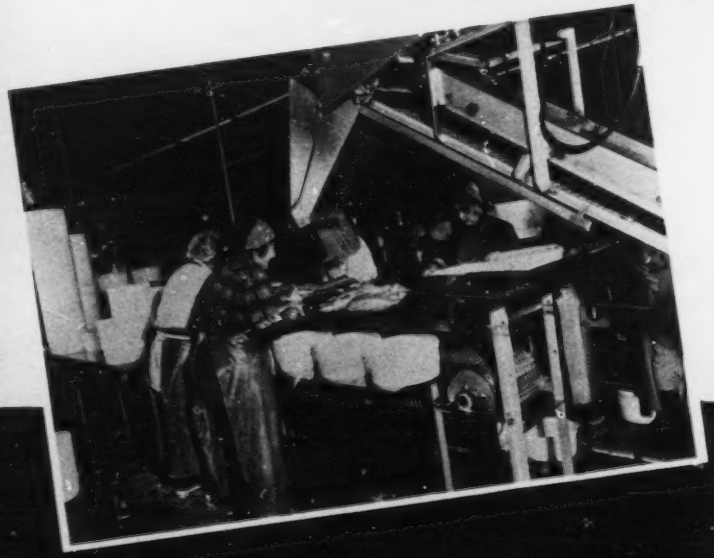
Richmond, IN 47374



This photo illustrates a special 6000 gal. tank used in conjunction with a chilled brine system. There are seven conveyors running at different speeds — and three salt mixing compartments.

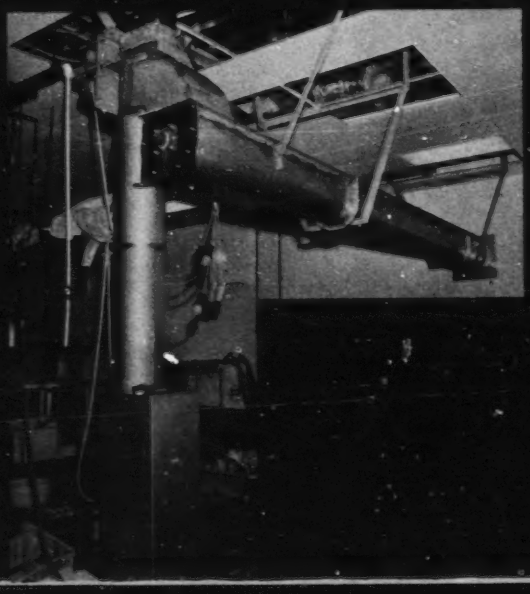
Shown below is our standard 600 gal. tank. The construction is all stainless steel including the in-tank bearings. A cascade wash on the rising conveyor is an option. (not shown)

Custom Made
Fish Processing Equipment



We can furnish a brine tank from 600 to 6000 gallon capacity. Whatever size, it will be professionally made. We are custom fabricators for the seafood processing industry.

Call or write for brochure and additional information. We're ready to help you.



We also make:

Complete, integrated handling systems
Conveyor systems for fillets, whole fish, gurry (offal), scallops, etc.
Wash Tanks, Brine Tanks with spray or washing devices
Receiving or Feed Tanks for incoming product
Trimming, packing, weighing lines
Ancillary equipment for automatic filleting or skinning machines
Sluicing systems
Brine Mixing Tanks

Freezer pans
Scallop, clam washers
Candling tables
Fish treatment machines (phosphate)
Drainage systems (s/s troughs and traps)
Fish unloading chutes

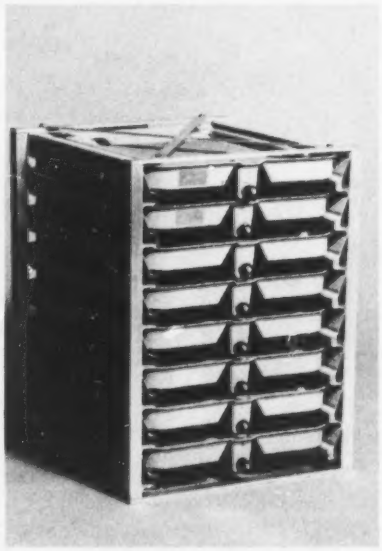
When building a new salmon or trout hatchery or expanding your present one, check with Heath Tecna for incubation equipment.



Heath Tecna fish culture equipment may be the answer to your space or water problems.

Heath Tecna's vertical incubation cabinet is a compact aluminum and fiberglass unit designed to eye and hatch large quantities of eggs in the minimum possible space with the lowest volume of water. The eggs are easily examined, picked and treated in convenient drawer type trays. Hatched fry can be held in these trays until ready to transfer to troughs or tanks for first feeding.

For information on Heath Tecna fish culture equipment and systems, please contact:

Heath Tecna Corporation
19819 84th Avenue South, Kent, Washington, U.S.A. 98031 (206) 872-7500

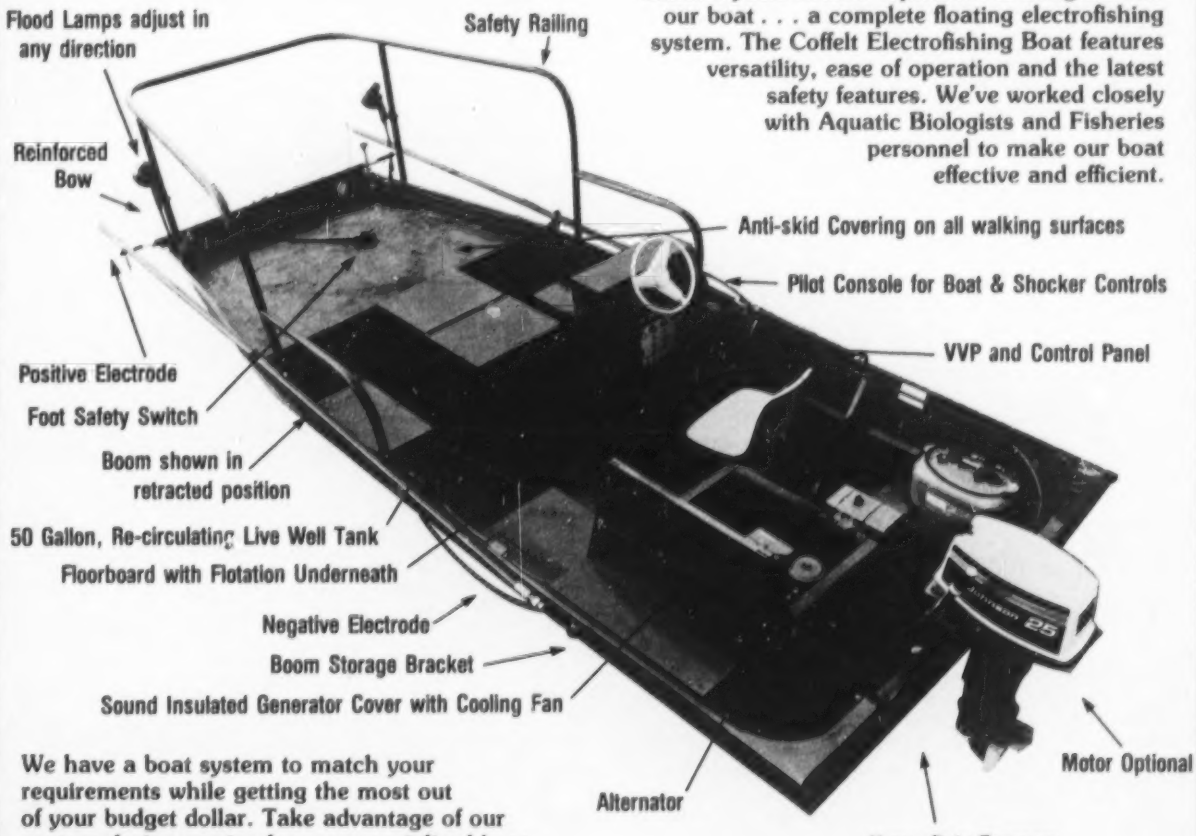
The Coffelt Boat — everything you need for electrofishing

Now available . . . Super Heavy Duty 3/16" Aluminum Construction



Coffelt's years of field experience is designed into our boat . . . a complete floating electrofishing system. The Coffelt Electrofishing Boat features versatility, ease of operation and the latest safety features. We've worked closely with Aquatic Biologists and Fisheries personnel to make our boat effective and efficient.

We have a boat system to match your requirements while getting the most out of your budget dollar. Take advantage of our custom design service for your specialized boat needs up to 20 ft.

Contact us with your questions . . . our experience will help provide the answers.

(P.S. If all you need is a boat, we're authorized dealers for Polar Kraft.)

"Built By Blount"

These two and scores of other fishing vessels identify the ability of this versatile shipyard to build, renovate or repair any fishing vessel quickly and economically.

Luther Blount, president of the company, and his engineering staff have designed countless seaworthy, mechanically sound and aesthetic looking vessels.

Contact us about any vessel 50′ to 250′.

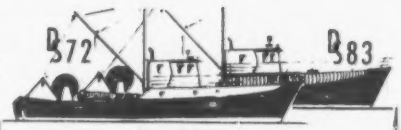
SEAGOING



Diesel Shipbuilding now offers the rugged, sea-proved Coppedge trawler in a raised forecastle version redesigned by Rudolph F. Matzer & Associates, naval architects, for the northern and western fisheries. These new 72 ft. and 83 ft. models are pedigreed by two generations of shipbuilding and a fleet of successful steel fishing vessels. AND the price is right!

72′ x 20′3″ x 11′
(21.96 m x 6.18 m x 3.36 m)
Fuel 10,000 gal. (37,850 ltrs) – FW 2,050 gal. (7,760 ltrs) – Hold 3,532 cu. f. (100 cu/mtrs)

– • –

83′ x 22′ x 13′
(25.3 m x 6.71 m x 3.96 m)
Fuel 12,000 gal. (45,420 ltrs – FW 5,400 gal. (20,439 ltrs) – Hold 6,000 cu. ft. (170 cu/mtrs)

Parent Co.: Whittaker Corp.
Primary Market Areas: Worldwide.
Services: Build fishing trawlers of wood, from 62' to 73' in length, and fiberglass, 68' and 75' lengths. Boat repair; two marine railways.

George L. Diry, Naval Architect & Engineer

104 St. Joseph Ave.
Long Beach, CA 90803
Tel.: (714) 536-0057 or (213) 434-4545
George L. Diry, Naval Architect & Engineer.
Primary Market Areas: National.
Services: All forms of design and engineering, model testing.

Harry Egerton

P.O. Box 133
Granville, MA 01034
Tel.: (413) 357-8543
Harry Egerton.
Primary Market Areas: National.
Services: Naval architecture and mechanical design.

Eldredge-McInnis, Inc

57 Water St., Drawer F
Hingham, MA 02043
Tel.: (617) 749-5570
Alan J. McInnis, President.
Services: Vessel designs from 32-125 feet. plans available.

Engineering Equipment Co.

Suite 1000, 1515 West 22nd St.
Oak Brook, IL 60521
Tel.: (312) 325-9400
Telex: 25-3817
TWX 910-651-3062
Edward D. Fry, Director, Marine Division.
Parent Co.: Marine Engineering Corp.
Primary Market Areas: National, Latin America, Middle East, Far East, and Africa.
Services: Design and consulting engineer.

Flume Stabilization Systems

One World Trade Center
New York, NY 10048
Tel.: (212) 466-2300
Telex: 422043 ITT
James J. Carney, Marketing Representative.
Parent Co.: John J. McMullen Assoc.
Primary Market Areas: National, Worldwide.
Services: Designs anti-roll tanks (passive stabilization) and fins (active stabilization). Consults on stability problems.

Giannotti & Associates, Inc.

703 Giddings Ave., Suite U-3
Annapolis, MD 21401
Tel.: (301) 268-0030
William A. Wood, Chief Naval Architect.
Primary Market Areas: National.
Services: Design of workboats, service craft, highspeed planing craft and yachts. Propulsion studies, propulsion selection and propeller design. Hull form and hydrodynamic studies, both analytical and experimental. Structural analysis and design. Preliminary and contract design support services. Power plant selection and trade-off studies. Conventional and advanced marine propulsion system studies. Motion and load analyses of ocean platforms. Siting studies including seaway characterization and long-term environmental forecasting.
Branches & Personnel:
Luis A Vega, Senior Ocean Engineer
1847 Berkeley Way
Berkeley, CA 94703
Tel.: (415) 841-5875

Thomas Gillmer, Naval Architects

1 Shipwright Harbor
Annapolis, MD 21401
Tel.: (301) 263-4322
Thomas Gillmer, President.
Primary Market Areas: National.
Services: Custom designs for wood, one-off fiberglass, aluminum and steel. Sailing fishing craft specialty.

Gladding-Hearn Shipbuilding Corporation

1 Riverside Ave.
Somerset, MA 02725
Tel.: (617) 676-8596
Richard C. Hearn, Vice President.
Primary Market Areas: National.
Services: Designers and builders of steel worboats up to 150 ft. in length.

The Glosten Assoc., Inc.

811 First Ave.
Seattle, WA 98104
Tel.: (206) 624-7850
Telex: 32-1226
J. Thomas Bringloe, Vice President.
Primary Market Areas: National.
Services: Consultant, naval architect, and designer of tugs, barges, and small commercial vessels including fishing vessels. Also, engineer for special cargo movements and salvage operations. Particular emphasis on full range of support services to fleet owners and operators.

Grant W. Bauer & Co.

1 River Ave., P.O. Box 1092
Point Pleasant Beach, NJ 08742
Tel.: (201) 892-2280
Grant W. Bauer, President.
Primary Market Areas: New England, Mid-Atlantic States.

Gulf Marine Data

3100 Ridgelake Dr.
Metairie, LA 70001
Tel.: (504) 837-2552
Richard H. Vinas, Naval Architect, Vice President.
Parent Co.: Gulf Marine Design, Inc.
Primary Market Areas: National, India, Latin America.
Services: Vessel designs. Specialists on intact and damage stability according to IMCO or USCG rules.

Haliburton Boats Ltd.

5666 Stanley St.
Halifax, NS B3K 2G1 Canada
Tel.: (902) 454-8563
Jim A. Haliburton, Vice-president.
Parent Co.: Haliburton Welding and Supplies Limited
Primary Market Areas: National, Canada, U.K.
Services: Design and construction of commercial and pleasure vessels in steel. Sizes 30-55 feet. Subsidiary computer company provides computer aided design services which include lines fairing, complete digitally defined lines plans, water planes, buttocks and frames. In addition, the computerized true shape projection of polyconic hull plates is provided.

Ken Hankinson, Naval Architect

P.O. Box 2551
La Habra, CA 90631
Primary Market Areas: National, Worldwide.
Services: Boat plans and full size patterns for power and sail boats, yachts, workboats. Sport and commercial designs in wood, fiberglass and steel. Stock plans and custom modifications a specialty. Also "how-to" books on boatbuilding, inboard motor installations and fiberglass. Catalog available $2.00 (U.S.), $3.00 U.S. (foreign).

J. B. Hargrave, Naval Architects, Inc.

205 ½ Sixth St.
West Palm Beach, FL 33401
Tel.: (305) 833-8567
Dudley A. Dawson, Vice President.
Primary Market Areas: National, Canada, Latin America, Europe, Far East, Australia.
Services: Designs and calculations for steel, aluminum and fiberglass vessels of any size, specifications, bid solicitations, contract negotiations, construction inspections, conversions, consulting, and engineering services for structural, mechanical, electrical or hydraulic systems.

Henry C. Halboth & Co., Inc.

15 Exchange Pl.
Jersey City, NJ 07302
Tel.: (201) 451-1121
Telex: 128285 ATT HALBOTH
Henry C. Halboth, President.
Primary Market Areas: National, Caribbean and Latin America.
Services: Marine surveyors and consultants in hull, machinery and marine structures. Preparation of damage survey reports and repair specifications; estimation, negotiation and review of repair costs; supervision of repairs, conversions and overhauls; inspections for condition, value and suitability for service/trip in tow; on/off charter (hire) condition surveys; deadweight (draft) survey calculations; bunker (fuel oil) survey calculations; stability investigations; salvage feasibility analysis and planning; salvage engineers and international consultants.
Branches & Personnel:
Henry C. Halboth, President
51 Bingham Ave.
Rumson, NJ 07760
Tel.: (201) 741-6806

Holland Marine Design

3510 Geary Blvd.
San Francisco, CA 94118
Tel.: (415) 387-3110
Joseph P. Hartog, Owner.
Primary Market Areas: Southwest Pacific Coast.
Services: Design of commercial fishing vessels in steel and wood. Performing and calculating stability tests and data. Mail order catalog.

Donald R. Hudson Naval Architects, Inc.

Swan Island, Drydock Area, Building 50
Portland, OR 97212
Tel.: (503) 285-7107
Donald R. Hudson, President.
Primary Market Areas: Pacific Northwest.
Services: Naval architecture, marine engineering: vessels of all types; complete systems design, site development, marine surveys, cost and feasibility analyses. Hydro-statics: displacement, trim and stability. Hydro-dynamics: hull resistance, speed and power.

Hydronautics, Incorporated

7210 Pindell School Rd.
Laurel, MD 20810
Tel.: (301) 776-7454
Telex: 8-7585
Donald P. Roseman, Vice President.
Primary Market Areas: National, Western Europe.
Services: Research, development, design, test and evaluation. Propeller design, ship model basin, etc.

Harry A. Jackson P.E.

20 Holmes St.
Mystic, CT 06355
Tel.: (203) 536-7015
Harry A. Jackson, Naval Architect.
Primary Market Areas: National.

100-Ton Railway ★ 25-Ton Open End Lift ★ Repairs

Introducing the new TI 9900 from Texas Instruments. A fully automatic, computer controlled Loran C Navigator, at an affordable price. Only $3495.

Finding a navigator that costs more is easy. Finding one that'll *do* more is hard.

The new TI 9900 not only tells you where you are, but also how to get where you're going.

To find your position, simply turn the set on. The TI 9900 quickly provides you with Loran C time differences (TDs). You can convert TDs to latitude/longitude at the push of a key.

The TI 9900 also provides you with a wealth of other information. Range and bearing to your next waypoint, for instance. Your average speed-over-the-bottom, cross-track error, course-made-good and time-and-distance-to-go are instantly available. A built-in steering indicator tells you when you're off course.

You can enter up to 10 course waypoints, and the TI 9900 will signal when you arrive, then display the range and bearing to the next waypoint. A special Constant Memory™ feature retains stored waypoints and other information — even after the TI 9900 is switched off.

It's affordable, versatile and compact, yet simple to use, and it draws only 16 watts.

The TI 9000A Loran C — extremely accurate. Proven reliability for over two years. $1495.

The TI 9000A Loran C is an extremely affordable, computer controlled receiver with TD storage function and four internal notch filters. New steer computed course option ($295 plus installation) helps keep you on course and signals your arrival.

See your nearest authorized Texas Instruments dealer for a demonstration. He is factory-supported to provide you with installation, operating assistance and service. Ask for a detailed brochure, or write: Texas Instruments Incorporated, Marine Products, P.O. Box 226080, M/S 3107, Dept. AF, Dallas, Texas 75266.

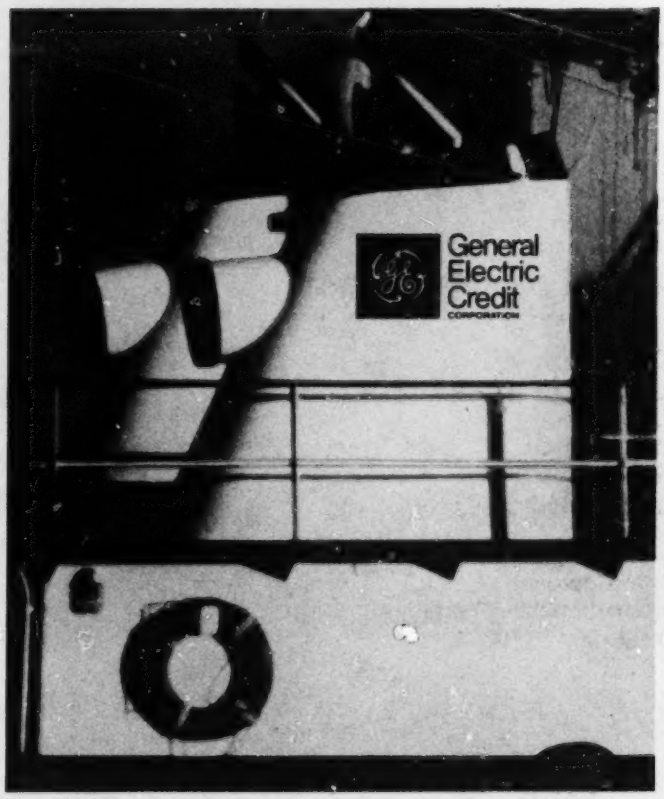
42 WATER STREET P.O. BOX 307 FAIRHAVEN, MASSACHUSETTS 02719
617 • 992-2561 617 • 992-2797

One of the biggest names on the water is GECC.

General Electric Credit Corporation helps finance crewboats, supply boats, push boats, shrimpers, crabbers, tugs, barges, the yards that build them and the ports they use.



At General Electric Credit Corporation, we take to marine equipment leasing and financing like a duck takes to water.

GECC can package your financing in all shapes and sizes, so you never get less than the vessel or equipment you need to do the job. We can handle just about any size offshore, inland or fishing deal you want handled—no matter how large or complex.

And the GECC Field Representative you deal with is no landlubber; he's a seasoned expert in marine financing and leasing. And he's local, so he knows your market and your equipment needs like the back of his hand. What he knows could save you a lot of time — and a lot of money.

Before you finance or lease that next vessel, find out for yourself what makes GECC one of the biggest names on the water. Call Bob Rieker, Marketing Manager, (203) 357-4747, or contact your GECC Field Representative.

General Electric Credit CORPORATION

Administrative Offices:

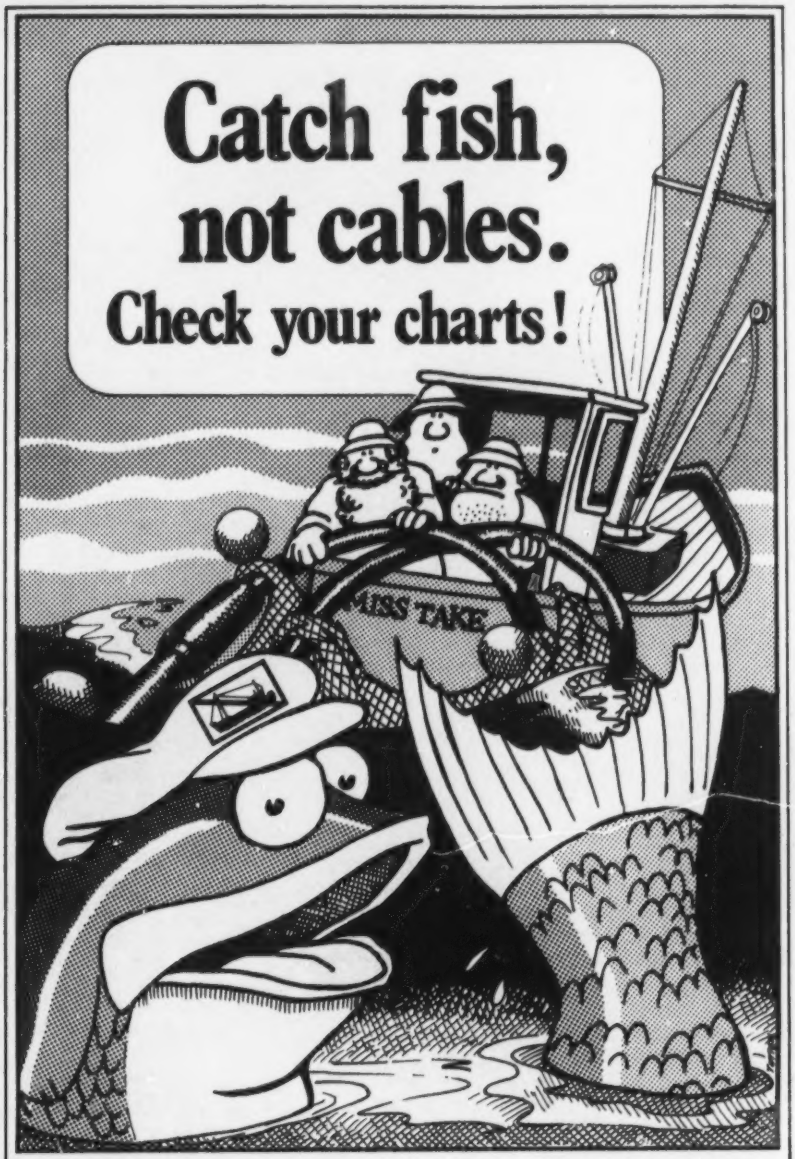
Catch fish, not cables.
Check your charts!



Attention Commercial Fishermen: Your business takes you out on the ocean, where there's more beneath the surface than meets the eye. Like undersea cables, for instance. Cables that provide vital telephone communications to the entire world. Avoid costly damage to your equipment and our cables. For free charts showing approximate locations of our cables, mail this coupon to: Manager – Overseas Facilities Maintenance, AT&T Long Lines, Room 290, Dept. C, 201 Littleton Road, Morris Plains, New Jersey 07950.

Other companies may be willing to finance your marine equipment, but ITT Industrial Credit Company can offer you a total financing package.

With 50 years experience and 37 convenient locations, we can give you professional, personal service on capital loans, time sales plans, leases and insurance. And we offer term/payment flexibility. We work to make your marine equipment borrowing a tool to cut your costs.

So, before acquiring your next piece of marine equipment, talk to your local ITT Finance Professional.

Since becoming a part of the financial services family of ITT in 1969, Industrial Credit Company has grown at an annual rate of more than 35 percent, making us the growth leader in the field. (We now have over $800 million in loans and leases outstanding.)

Call or write us to discuss your financing needs. For the Industrial Credit Company office nearest you, check the Yellow Pages or call Marketing Specialist Anne Krinsky at 612/224-9601.

Growing Faster Because We Serve You Better
